Free Markets have Risk Protocols. They require Transaction Commitment Proof and Full Disclosure by the Transferor to the Transferee. The Worst Risk in the Protection Fraud Market is that Immunity Deals get Full Disclosure and Remedy Co-operation from Corrupt Officers that get Protection Fraud Proof against Top Judges. The Protection Fraud Risk Protocols control the Immunity Risk by requiring Fraud Commitment Proof from the Fraud Beneficiary before the Protection Fraud Supply.

Investigation is needed to discover how many more Citizen Cases have Royal Commission Status Top Judges knew all of the Royal Commission Cases. They imposed a Protection Fraud Condition that Corrupt Officers use Royal Commission Cases to provide Fraud Commitment Proof before getting Protection Frauds.

The function of the Contempt Claim Fraud 2020 000286 was to get Restraint Frauds and Restraint Breach Imprisonment Frauds against the Equity Lawyer to prevent him providing Remedy Case Management for Citizens against the Case Frauds that Corrupt Officers committed to provide Commitment Proof.

Parliament and the Crown need Official Records that meet the Corruption Remedy Proof Standard and are Admissions Evidence and get Unfitness Cases + Corruption Findings + Dismissal Decisions against Top Judges. The most efficient method for doing so is to produce to use Fact Recitals and Appropriate Remedies in a Draft Order and refer to it in a Remedy Application Notice. The Draft Remedy order dated 9<sup>th</sup> January 2021 serves that purpose
