They managed a Corruption Remedy Process that needed Corruption Investigations of a Protection Fraud Network that provided Support Services and Corruption Coordination Services for Organised Crime Partnerships of State Officers and Law Courts Judges. Equity Lawyer Mr Ellis provided Investigation Services. The Protection Fraud Network tried to defend itself by use of Law Court Judges for Contempt Frauds against him. On 9<sup>th</sup> March 2016 High Court Senior Master Ms Fontaine used Corruption Cases of Citizens for Party Status Denial Frauds + Notice Denial Frauds + Hearing Denial Frauds + Jurisdiction Frauds + Legal Service Restraint Frauds against the Equity Lawyer. On 19<sup>th</sup> July 2016 High Court Justice Mr Jay sat in Royal Court 37 and used Corruption Cases of Citizens and Restraint Hearing Frauds against them for Party Status Denial Frauds + Notice Denial Frauds + Hearing Denial Frauds + Jurisdiction Frauds + Restraint Enforcement Fraud using Legal Service Restraint Breach Investigation Frauds against the Equity Lawyer who was a Public Gallery Witness. **The Equity Monarchy Trusts**

1. The Citizen, Crown have Justice Responsibilities known as the Equity Monarchy Trusts. They have Corruption Control Jurisdictions that govern Parliament Session Powers. They use the Common Law. It imposes a Common Obligation and Common Empowerment for everyone to use Reliable Objectivity for Truth Discovery and Just Reasoning to service the Justice Priority for a Just Peace.
2. The Citizen has Investigation Jurisdiction. The Crown has Prosecution Jurisdiction. It is the power to issue Trial Orders of Corruption Cases against the State and Unfitness Cases against Officers and Authorities. One Lord Bishop has Court Lawyer Jurisdiction for the Trial Court and the other has it for the Appeal Court. The Lord Bishops have Adjudication Jurisdiction. There are 24 of them so that up to 12 can sit as Trial Jurors and up top 12 others can sit as Appeal Jurors.
3. They use the Corruption Remedy Proof Standard. It is Official Records that are Justice Proof for Honourable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. It eliminates the need for Witness Attendances and Credibility Findings and gives everyone confidence that Trial Orders by the Crown will get Rapid Adjudications.
4. The Individual gives Privilege Waivers and Confidentiality Waivers and use of cases that enable Remedy Management and gets Citizen Status, with General Protection Rights from Parliament and the Crown, Protection Enforcement by the Cabinet and Prime Minister and Enforcement Accountability from the Opposition Leader. It enables Passive Tests that discover whether the Cabinet, Prime Minister and Opposition Leader provide Protection Enforcement and Enforcement Accountability.
5. An Equity Lawyer is anyone who has the expertise and commitment to get Proof Sets that meet the Corruption Remedy Proof Standard and knows how to use it to service the Equity Monarchy

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Trusts. Parliament Session Agreements impose Prosecution Prohibitions on the Cabinet and Prime Minister that provide Special Protection that Equity Lawyers need to recruit Citizens, provide Case Management and get Proof Sets that meet the Corruption Remedy Proof Standard. It enables Active Tests that discover whether State Officers and Law Courts Judges use State Powers and Court Powers for Prosecution Frauds and Remedy Denial Frauds.

6. Corruption Proof gets a Corruption Finding + Remedy Entitlement Finding + Remedy Priority Finding against the State + an Execution Responsibility Findings against Relevant Officers and Authorities. A Remedy Success is Justice Proof for Honourable Officers. A Remedy Failure gets an Unfitness Case + Remedy Failure Finding + Unfitness Finding + Dismissal Priority Finding against the Defaulter + an Execution Responsibility Finding against Relevant Officers or Authorities. The Ultimate Sanction is a Parliament Session Refusal and Forced General Election with Mass Publicity for the Corruption Proof and Remedy Denial Fraud Proof.
7. The Law Profession adapted to provide a Reliable Supply of Equity Lawyers to staff the Judiciary and provide at least 1 for every 100,000 of the population to service the Citizen.
8. The Equity Monarchy Trusts made the Justice Priority of the People the Governance Priority.

#### Judicial Immunity Frauds

9. The Legal System and Political System were never perfect. In 1835 Top Politicians got Corruption Proof against Top Judges. They did not know the Equity Monarchy Trusts were designed to deal with it, or they did not have the confidence to use them to deal with it. They gave Immunity Frauds + Salary Increases for Corrupt Judges in exchange for Honesty Promises. It was a bad Precedent and an Apparent Success.
10. Law Court Judges talked about the 1835 Immunity Deal when they were in trouble.
11. World War II was a Power Struggle between Democratic Governance and Dictator Governance. The United Kingdom was a Two-Party State with Accountability Powers for the Citizen against the State. It needed Emergency Dictator Powers to make War Management Decisions. Dictator Powers enabled Corrupt Officers to commit Plunder Frauds against the Citizen and the State.
12. The 1945 General Election got a Massive Governing Majority for the Labour Party. They wanted War Damage Limitation for the State against the Citizen. Plunder Fraud Scandals and Fraud Findings in Jurors would discredit the National Interest Defence. Judicial Immunity enabled Case Management Frauds that avoid dependency on National Interest Defences.
13. A Justice Act defined Judicial Immunity. Conflict Qualification Frauds get Crime Proceeds Status for Judicial Status and invalidate Judicial Immunity for Court Frauds. The People needed the Equity Monarchy Trusts to deliver Immunity Forfeits.
14. Law Court Judges talked about Absolute Immunity when they were in trouble.

### Health Frauds

15. In the 1940's the Politicians created the National Health Service. A Balanced Service needed Physical Treatment + Chemical Treatment. The Osteopaths had a Private Medical Brand that provide Physical Only Treatment for the Middle-Class Market. They had a Client Base that had Remedy Management Competent. The Brand Defences were a High Education Standard + Rigorous Training that weeded out Unfit Persons and delivered High Standards, Effective Accountability for Patients in the Law Courts, and the Claim Sensitivity of the Professional Indemnity Insurers to force Bad Performers out of the market. It was very efficient. The Pharmaceutical Industry wanted it to be Drug Oriented. They developed the Physiotherapy Profession, with a Lower Education Standard, as a Low-Cost Support Profession for Medical Doctors who provided Drug Treatment. Intense Lobbying got NHS Market Exclusion Frauds for Physiotherapists against Osteopaths. They expected the Osteopathy Profession to disappear. It did not. The Middle Class grew and the Osteopathy Profession prospered.
16. The Pharmaceutical Industry had won a Propaganda Battle for Chemical Treatment against Physical Treatment. It distorted everything. The State became a Drug Dealer and Drug Junky.

### The Dictator Governance Plan

17. The European Leaders made a Dictator Governance Plan. It replaced the Justice Priority of the People with the Obedience Priority of the State. It replaced Accountability Powers for the Citizen against the State with Accountability Denial Powers for the State against the Citizen.
18. The Dictator Plan used education, politics and law for Equity Governance Sabotage Frauds.
19. Jurisdiction Frauds + Omission Propaganda Frauds + Academic Integrity Sacrifice Frauds by Lecturers ignored the existence of the Equity Monarchy Trusts in the hope everyone would forget how to manage them, and then forget they existed. Eventually the Academic Integrity Sacrifice Frauds contaminated everything else.
20. Jurisdiction Frauds by Parliament substituted the Dual Jurisdiction of Corruption Remedy Jurisdiction for the Citizen against Political Representation Jurisdiction for the Constituent and for the Single Jurisdiction of Political Representation for the Constituent. It denied Protection Enforcement Accountability by the Opposition Leader for the Citizen. Parliament became a Fraud Market Hub. Corruption Remedies needed revival of the Equity Monarchy Trusts.
21. A Proof Burden Reversal Fraud for Clients against Lawyers forced the Perverse Priority of Case Management that got Decision Responsibility Denial Proof for the Lawyer against the Client. It denied Case Management that got Proof Sets that met the Corruption Remedy Proof Standard. Law Market Frauds substituted Narrow Specialist Experience for the Wide Experience needed to develop the Skill Set needed to function as an Equity Lawyer. The Law Professions changed

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

from serving the Justice Priority for the People, to the Obedience Priority of the State and then the Predation Priority of the Organised Crime.

22. In every Member State of the European Union the Politicians lost control to State Officers and Law Court Judges. They formed Organised Crime Partnerships and developed Protection Fraud Networks to provide Support Services and Corruption Co-ordination. They sold Market Frauds to Organised Crime, provided Protection Frauds for the Corrupt Officers who managed them, and traded Glittering Career Guarantees and Job Profits in exchange for Fraud Services in Parliament by Corrupt MPs. They replaced the Justice Priority of the People and the Obedience Priority of the State with the Predation Priority of Organised Crime. General Elections got Governing Majorities that were subject to Remedy Denial Majorities controlled by the Protection Fraud Networks.

#### The Top Drug Dealers

23. Top Police, Top Customs and Top Judges were the Top Drug Dealers. They used the Kent Ports. Some Officers had Drug Crime Responsibilities and were the Drug Suppliers. They used Framing Frauds to meet Performance Targets. They needed Chemically Traceable Drugs for Career Sabotage Frauds against Honest Officers. Eventually they got it.

#### Criminal Cases Research

24. In the early 1980's the Equity Lawyer conducted Silence Rights Research to discover whether it got Silence Waivers got for the Client the Early Case Closure of either Suspect Elimination or Proportionate Action Finding. He received a Case Description, met the client, and decided within the first 3 minutes whether a Minor Case Finding or Innocent Client Finding validated a Silence Waiver Advice, and if not gave it Normal Case Management. The Test Cases got Minor Case Findings or Disproportionate Case Findings or Cautions and Early Releases.
25. The Equity Lawyer informed the Local MP of the Test Results. The Authorities used it for Case Management Changes that purported to be Justice Oriented but were Dictator Oriented. It was an Unintended Consequence.
26. One of the cases discovered that the Drug Crimes Officer was a Drug Supplier. He needed Framing Frauds to meet Performance Targets. The Framing Frauds depended on Defence Lawyers giving Silence Advice. The Silence Waiver discovered the Framing Fraud and got Immediate Dismissal of the Drugs Officer. CID Officers were too embarrassed to look the Equity Lawyer in the face for a fortnight. The Former Officer carried on Drug Dealing with Protection Frauds from Police Officers. Almost 20 years later, his Drug Crimes got Incredible Target Status for a British Citizen in Drug Crime Investigations.

#### Civil Case Research

27. Young People witnessed the English Civil War, and 40 years later, feared another Civil War and made a Civil War Avoidance Plan. Protest Action persuaded King James to flee the jurisdiction. Abdication Findings enabled the imposition of the Equity Monarchy Trusts a Succession Condition. It was called the Glorious Revolution. 40 years after that another generation made a Law Profession Integrity Plan.
28. It needed a Priority Decision for Bad Case Elimination against Good Case Progress.
29. It needed Legal Representation Jurisdiction Separation that forced Independent Opinions for Big Cases to eliminate Hopeless Cases as a Litigation Bankruptcy Risk Control for the Client.
30. It needed Case Directions that worked back from the Trial Date, increased the chances of Settlement or Bad Case Abandonment, but did so the cost of Slow Progress for Good Cases
31. The Equity Lawyer weeded out Bad Cases. He wanted Rapid Progress for Good Cases. He sent Directions Hearing Notice with Directions Proposals that worked forward from the Directions Order to the Trial Date. A minority of the cases got Direction Agreements that eliminated the need to attend the Directions Hearing. Many Case Managers wanted Hearing Attendance Costs and did not respond. A minority decided Hearing Attendance was an inconvenience, telephoned very late and accepted the Directions Proposals. A Judge asked him about it. The Equity Lawyer said he did not want Judge Time for Basic Bureaucracy but did want it at Short Notice for Substantive Matters. Regulation Changes were modelled on the Direction Proposals.
32. An Unintended Consequences was a reduction in the Personal Contact between Local Litigation Lawyers that had been a Corruption Control.

#### Insurance Corruption

33. In the early 1980's Medical Research linked Mine Conditions to Miner Diseases. It got a Mass Claim by 400 Canadian Miners. Two Syndicates of Lloyds Society had Underwriting Liability. The Attorney General, more than 30 MPs and more than 60 Judges were Names with Underwriting Liability. £35,000 from each of them got Release Frauds for them and Liability Transfer Frauds against the Other Names. It was a Massive Fraud. It enabled the Insurance Industry to change the Business Model from dependence on Prudent Management to dependency on Protection Frauds from Law Courts
34. Fraud Management needed Insurer Approved Lawyers. The Case Management Priority of the Approved Lawyers changed from Client Satisfaction to Insurer Satisfaction.
35. Insurers and Bankers bought Protection Frauds for Lending Frauds with Unnecessary Insurance Conditions.
36. It was a Market Change. It got Rapid Acceptance by the Professions and Protection Frauds from Profession Authorities and the Law Courts

### Law Profession Corruption

37. Sussex Lawyers managed Trust Frauds against Clients. In the late 1980's the death of 3 cousins with different surnames caused Family Members to discover the Trust Frauds. One of them had the competence to do something about it. The Sussex Lawyers bought Protection Frauds from the Law Society and the Law Courts. They used a Costs Fraud for Bankruptcy Fraud 1991 191. It was no secret. They used it for Court Fraud Marketing to Lawyers and End Users. It was a Market Change. It got Rapid Acceptance by Corrupt Lawyers and Corrupt Clients.
38. The Unregistered Title Documents did not contain records of Plot Sales. It was Negligence Proof for the Victim against the Sussex Lawyers. Family Trusts gave Occupation Rights to Family Members. Dynamic Case Management by the Victim, the Negligence Proof and the Family Trusts enabled the Victim to resist the Bankruptcy Frauds for 10 years.
39. The Stolen Farm was adjacent to the London Road, Crowborough. The Defence Action included Bankruptcy Fraud Publicity Initiatives. One was the Victim walking around Tunbridge Wells with an Advertising Board. The Victim says it got Many Disclosure Events of Fraud Case by Victims and Others. He did not keep a record of them. Another used the Planning Permission Exemption for Mobile Advertisements and a trailer in the field by the London Road for a Big Board for Bankruptcy Fraud Publicity.
40. The Channel Tunnel opened. The celebrations included the Tour de France going through Kent and Sussex. The route went along the London Road. The Tour de France would get Media Publicity for the Mobile Advertisement. The Sussex Lawyers had to do something. They had Management Meetings that resulted in a Mobile Advertisement Theft + Destruction Plan. It needed Before Event Protection Fraud Arrangements with Sussex Police for Criminal Trespass + Theft + Criminal Damage by Violent Thugs under the Personal Supervision of Partners. Lawful Resistance by the Victim got Neck Injuries + Lifetime Damage by the Violent Thugs, a Complaint Response Refusal by Sussex Police and Personal Injury Claim by the Victim.
41. In November 1997 the Personal Injury Trial got Audio Records of Fact Admissions and Intent Admissions of the Equity Partners that were Criminal Conspiracy Proof against the Sussex Lawyers and Sussex Police for Criminal Trespass + Theft + Criminal Damage + Protection Frauds + Justice Process Contempt Frauds. The Sussex Lawyers were in the Bought Frauds Business and expected Immunity Frauds. The Judgment Fraud recorded the Criminal Conspiracy Proof, made a Liability Order and Injury Damage Award for the Victim but failed to make a Contempt Liability Finding and Contempt Damage Award for him. The Contempt Remedy Deficits were Criminal Conspiracy Proof + Contempt Fraud Immunity Proof against the Sussex Lawyers and High Court. A Liability Appeal by the Sussex Lawyers got an Appeal

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Dismissal + Contempt Fraud Immunity Proof for the Victim against the Court of Appeal.

42. The Victim knew the Crown had Constitutional Responsibilities but not Management Details.
43. During the 45 Years Dormancy Period of the Equity Monarchy Trusts the Crown gathered Proof Sets that met the Corruption Remedy Proof Standard in case there was an Equity Governance Revival.
44. The 1997 Judgment Fraud met the Corruption Remedy Proof Standard. The Crown kept it.
45. The Equity Monarchy Trusts Revival happened 7 years later, and used the 1997 Judgment Fraud 10 years later. In January 2009 the Victim learnt about the Equity Monarchy Trusts, the Corruption Remedy Proof Standard and gave the Crown use of his cases for a Corruption Remedy Process

#### Political Corruption

46. In 1997 the Formula 1 Championship Smoking Advertising Scandal had effect as a Fraud Marketing Campaign for the Governing Majority.

#### More Health Corruption

47. In the 1980's the Politicians discovered the Corruption Damage caused by the Propaganda Victory for Chemical Treatment against Physical Treatment. They discovered Top Psychiatrists committed Drug Research Frauds against Mental Patients. They used Budget Controls to impose Career Limits against the Psychiatrists, and Hospital Decommission Orders to deny facilities to host the Victims. They used Accountability Denial Frauds for Corrupt Doctors against the Victims that were Damage Limitation Frauds for the State against the Victims.
48. Ms Berry had Pharmacy Qualifications for Retail, Hospital and Mental Health. She did not know Corrupt Doctors had Protection Frauds from the State. She serviced a Decommissioning Contract for a 2,000 Bed Hospital. She discovered Health Frauds on an Industrial Scale. She filed Health Fraud Reports that got Protection Frauds for Corrupt Doctors and Career Sabotage Frauds against her by the Profession Authorities.
49. In the 1990's The Pharmaceutical Industry bought Market Frauds for Drug Treatment against Non-Drug Treatment. They included Market Frauds for Physiotherapists against Osteopaths.

#### Education Failures + Employment Frauds + Prosecution Frauds by the Authorities

50. A boy was Intelligent but Severely Dyslexic. He did not get Special Needs Education until he was 12 when a Priest taught him how to read and write, but nothing to make the best of it. He left school, joined the army, got Special Education and became a British Soldier. He did not smoke, drink alcohol or take drugs. On Saturday nights the others paid him to get them home safely because they could rely on him to be sober. He learnt Vehicle Maintenance Skills. Rhine

Army Staff had Tax-Free Car Purchase Rights. He found buyers and a Dutch Car Dealer to service the orders.

51. Yugoslavia collapsed. There were atrocities. The United Nations sent a Peace Keeping Force.
52. There were more atrocities. President Clinton used the Peace Keepers for Strike Action to stop War Crimes. The Equity Lawyer makes no criticism of that decision.
53. Test Failures resulted in the Strike Force having Unfit Weapon Parts. The British Soldier was one of the Strike Force. The War Criminals opened fire on the Strike Force Camp. All but two of the Peace Keepers fled. The British Soldier and One Other stayed. The Unfit Parts made 3 efforts necessary for Weapon Assembly. The British Soldier returned fire. The Other ran away. The British Soldier realised he was alone and the War Criminals would raid the Strike Camp when he left. He fired all the rounds to prevent the War Criminals getting them, and killed 4 of them. He carried Heavy Weapons to the Rendezvous Point. The others laughed when they saw him. It might have been a Relief Reaction. He was not impressed. The 4 Casualties made it an Undeniable Event. The Authorities needed an Action Hero and a Gallantry Medal Award. An Untested Weapons Complaint in his Action Report and a Complaint Withdrawal Refusal got a Hero Status Forfeit against him, Army Embarrassment Status for him, and Gallantry Medal for one who ran away, His Commanding Officer told him he expected too much of the other men. It was a Career End.
54. Army Connections and Tax-Free Car Expertise enabled the Former Soldier to increase the Hobby Trading to Full Time Trading with Support Services by a Car Dealer. A Market Fraud Plan for Car Manufacturers against the Former Soldier and Car Dealer used a Criminal Investigation Fraud to get a Business Closure Fraud and then Market Exploitation by the Car Manufacturers.
55. The Former Soldier joined another Car Dealer. Ignorant Police Officer did not know the difference between Turnover and Profit of the Car Dealing Business. They used the Turnover Figure for a Suspicious Profit Allegation and got Resource Allocations for a Money Laundering Investigation. There are Hearsay Reports it cost £750,000 and got Absolutely Nothing. The Investigators and Commanders made a Career Salvage Plan. It needed Many Charging Frauds + Custody Frauds + Trial Fraud Blackmail with Trial Fraud Threats and Long Sentence Threats and an Immediate Release Promise to extort a Guilty Plea on something + Defamation Frauds against the Victim. The Evidence Deficits made it a Defendable Case. It needed Confident Presentation and Trial Demands by Defence Counsel to get a No Evidence Offer by the Crown Prosecutors. It did not get that. Defence Counsel acted as Blackmail Agent. The Former Soldier says the Crown Court Resident Judge appeared to be in Total Disbelief when he received the

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Guilty Plea and made an Immediate Release Order for a Time Served Reason. The Defamation Frauds were Employment Sabotage Frauds.

56. The Remand Custody caused him to meet Prison Inmates. One was the Former Police Officer who had been exposed as a Drug Dealer by the Silence Rights Research. He was in Remand Custody, bought a Release Fraud, needed Trading Capital and targeted Small Independents.
57. The Former Soldier became a Car Re-conditioner, built up a business, had No Debt and £60,000 Stock with Sales Agents. He found a Car Market Gap that was a Good Risk. It needed Trading Capital. A Good Risk Offer is Good Recognition of the Offeree. A Crime Risk Offer is Criminal Recognition of the Offeree. The Car Re-conditioner bought a suit and made Good Risk Offers to many Car Dealers. It was Good Recognition for the Criminals among them. They get Bad Risk Offers all the time. The Good Risk Offers was nice. Some accepted him as a Friend.
58. The Drug Dealer discovered the Car Re-conditioner had Trading Stock. The Log Books were cashable. The Drug Dealer wanted them. The Drug Dealer made a Drug deal Proposal. The Car Re-conditioner wanted nothing to do with it. He did not inform Kent Police because he knew the Drug Dealer had Protection Frauds. He delayed as long as he could. The Drug Dealer got impatient and made a Kidnap + Torture Plan to get the Log Books. By chance the Drug Dealer gave the Kidnap Contract to a Car Dealer who had accepted the Kidnap Target as a Friend. The Car Dealer accepted it with intent to manage a Lucky Escape for the Kidnap Target. It gave the Car Re-conditioner the confidence to make a Violent Drug Crime Complaint to Kent Police.
59. Corrupt Officers made a Protection Fraud Plan for the Drug Dealer. It needed Crime Framing Frauds for Credibility Sabotage Frauds against the Car Re-conditioner. The 1<sup>st</sup> Framing Fraud failed because It used a False Witness that was the subject of an International Arrest Warrant. The 2<sup>nd</sup> Framing Fraud used Allegation Frauds by the Drug Dealer + Car Theft Investigation Fraud + Vehicle Seizure Frauds by the Corrupt Officers. They expected a Convictions Fraud and used the Seizure Frauds for Vehicle Thefts. The Car Re-conditioner had a Wedding Event Alibi 4,000 miles away with 40 Blood relatives as Alibi Witnesses. The Vehicle Thefts prevented Vehicle Returns by Kent Police. The Framing Frauds + Vehicle Thefts got Protection Frauds from Top Officers.
60. Ambitious Officers made a Gang Infiltration Plan. It needed a Framing Fraud to get Blackmail Conditions and Gang Infiltration by the Car Re-conditioner. It failed.
61. Honest Officers had 11 Criminal Intelligence Meetings that ended with an Involvement Refusal by the Car Re-conditioner. He would have nothing to do with drugs for profit, when threatened with violence or under police supervision. It got Incredible Target Status for him in Drug Crime Investigations.

62. Corrupt Officers used his address as a Decoy Address on the Carrier Movement Records of more than 70 Drug Shipments for the Top Drug Dealers because, if anything went wrong, the Incredible Target Status would ensure Decoy Address Enquires would get Dead End Results.
63. The Car Re-conditioner needed Business Premises and Car Recovery. He consulted the Equity Lawyer. He wanted to know the history. The Car Re-conditioner did not know whether to start. He came out with bits of the history. His Mother came out with more. The Equity Lawyer did not tell them the Silence Rights Research got the Dismissal Decision against the Drug Dealer.
64. A Land Owner needed Short Term Occupant of Business Premises. The Equity Lawyer told him about the Car Re-conditioner. The Enquiries by the Land Owner got Bad Reports. The Equity Lawyer told him they were Unfair Reports and suggested a meeting so that he could decide for himself. They met and got on well
65. The Land Owner and Car Re-conditioner made a Joint Appointment with the Equity Lawyer. He produced an Occupation Agreement.
66. Fleet Maintenance in remote and dangerous places was well paid. He changed his business to get that type of work.

#### Advanced Electronic Signatures

67. Between 1995 and 1998 the Equity Lawyer and another British Citizen developed Signature Analysis Technology. The Business Plan was On Line Services. The Profit Plan was Source Code Secrecy. Prime Minister Mr Blair made a Source Code Theft Plan that used Barclays Bank as the Theft Agent. They did it badly. It got Theft Conspiracy Proof for the Equity Lawyer against the Bank.
68. Theft Enquiries + Market Enquiries by the Equity Lawyer discovered Market Exclusion Frauds.
69. In 1999 the Geneva Inventions Exhibition awarded a Gold Medal for the Signature Technology. It was Originality Proof. Market Enquires added to the Market Fraud Exclusion Proof.
70. In 2000 the Equity Lawyer made a Theft Conspiracy Complaint. It got Investigations Frauds by Barclays Bank. They Fraud badly and then instructed a Law Firm to write a Theft Conspiracy Admission and use the Theft Failure for a No Damage Defence. It was obvious to the Equity Lawyer that use of it in the Law Courts would get Court Frauds + Costs Frauds + Bankruptcy Frauds + Source Code Theft. He kept the Originality Proof and Theft Conspiracy Proof for USA Jurors because whoever got the Advanced Electronic Signature Market needed the USA Market.
71. The Signature Technology needed Priming Demand. Market Exclusion Frauds by Prime Minister Mr Blair made Market Access dependent on Small Independents. Advanced Electronic Signatures enabled Competitive Advantages for Small Independents. Many wanted to do business. All of them were dependent on Priming Demand that enabled Viable Services. One of

them was the Car Re-conditioner.

### Health Market Frauds + Human Organ Thefts

72. Almost 20 years after the Drug Research Frauds got Damage Limitation Frauds for the State and Remedy Denial Frauds against the Victims, the exposure of Health Market Frauds on an Industrial Scale got a different response. It got Exploitation Fraud Proof against Top Politicians.
73. In 2000 the Governance Frauds against the Osteopath Profession got Corruption Complaints against the Profession Authority in 200 Parliamentary Constituencies, a Corruption Debate, an Investigation Commitment by the Government and a Pending Investigation Adjournment. It was Corruption Exposure Proof for Honourable Politicians. It created an Exploitation Fraud Opportunity for Corrupt Politicians. Other events got a Price Increase.
74. The Genome Project got High Market Value for Human Organs that were Genetic Defect Evidence. Corrupt Doctors used Abortions and Foetal Diagnosis Frauds and Abortions or Caesarean Births + Murders to get Human Organs Thefts and Sale Profits.
75. In 2000 Foetal Scans revealed a Diaphragmatic Hernia. Top Doctors used it for a Trisomy 18 Genetic Defect Diagnosis Fraud. Abortion Advice and Caesarean Birth Advice got Consent Refusals from the Mother. The Natural Birth got a Live Baby, Genetic Defect Mis-Diagnosis Proof and Diaphragmatic Hernia Proof. Remedy Demands by the Mother got a Diaphragmatic Hernia Operation by Great Ormond Street Hospital. Top Doctors made a Baby Murder Plan for a Home Death. It needed a Discharge Plan with Low Doses of an Unlicensed Drug for anyone under the age of two, Health Baby Records for the Operation Statistics and then a Lethal Dose Increase to 33 times the Low Dose to get the Home Death. It failed. The Mother kept the Baby alive long enough to get a Hospital Admission. It did not get a Lethal Drug Termination + Blood Transfusion + Intensive Care. It got a Hospital Murder Plan that needed a Lethal Dose Reduction to 10 times the Low Dose and a Munchausen by Proxy Diagnosis Fraud for a Murder Framing Fraud against the Mother. She had Murder Suspicions against the Hospital but dare not tell anyone because of the Mental Health Investigation Fraud.
76. Ms Berry was the Maternal Aunt. She was in Cancer Recovery. She visited the Mother and Baby every day. The Hospital Decommissioning had given her a Unique Experience. She had Murder Suspicions against the Hospital. The question 'are you killing the baby' by the Maternal Aunt got a Smirk Response from the Hospital Consultant until he realised who had asked. Then it got a Mercy Killing Fraud Plan that needed a Mental Health Fraud Termination + Genetic Defect Diagnosis Opinion Fraud by 5 Top Doctors at Great Ormond Street Hospital + Child Protection Application Fraud by the Local Authority + Child Protection + Mercy Killing Order by the Magistrates Court + Immediate Execution.

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

77. The Medical Records and Court Records are Murder Proof.
78. The Pharmaceutical Industry bought Protection Frauds for the Baby Murder and Market Frauds from Prime Minister Mr Blair in exchange for Campaign Finance for the 2001 General Election.
79. The Pharmacy Qualifications and Practice Experience enabled the Maternal Aunt to interpret the Medical Records and give a Forensic Opinion. The Maternal Grand Father was a Corruption Refugee and an Equity Lawyer. He was ill but knew what to do.
80. Between 2000 and 2004 the Maternal Grand Father gave Case Management Advice to the Parents and that they appoint a Corruption Refugee from Africa, who was an Equity Lawyer. The Maternal Grand Father provided the Relationship Stability that enabled the African Equity Lawyer to get Protection Fraud Proof against All Authorities that had Accountability Authority.
81. The Protection Frauds enabled Human Organ Thefts Industry and Disclosure Restraint Frauds to silence Conscientious Objectors in the Medical Profession

#### Sussex Drug Production

82. Effective Case Management by the Bankruptcy Fraud Victim forced Bribe Payments and Bribe Promises that exceeded the value of the Bankrupt Estate. The Top Drug Dealers needed Chemically Traceable Drugs for Career Sabotage Frauds against Corrupt Officers. The water in Sussex was good for it. Top Judges made a Drug Production Plan. It needed Vacant Possession of the Estate Farm. It needed a Partnership Agreement with Top Police that gave Manager Appointment Powers to the Top Judges, because they did not trust anyone else to pay them. Top Police demanded Before Event Protection Fraud Proof from the Law Courts. They were given a Bankruptcy Fraud 1991 191 Judgment dated 8<sup>th</sup> June 2001. It recited the Fact Admissions and Intent Admissions that were Fraud Proof for the Victim and used a Restraint Order to deny the Victim use of the Law Courts for Fraud Remedies. Top Police accepted it as Protection Fraud Proof. Top Judges appointed a Business Manager. An Eviction Fraud got Vacant Possession. Production started immediately. The Business Manager and Corrupt Officers wanted Protection Frauds that would last their lifetimes. The Business Manager had a Convictions Record that got a Statutory Prohibition against Firearms Possession with a Minimum Penalty of 5 years imprisonment.
83. During the 45 Years Dormancy Period of the Equity Monarchy Trusts the Crown gathered Proof Sets that met the Corruption Remedy Proof Standard in case there was an Equity Governance Revival.
84. The 2001 Judgment Fraud met the Corruption Remedy Proof Standard. The Crown kept it.
85. The Equity Monarchy Trusts Revival happened 3 years later, and enabled use of the 1997 and 2001 Judgment Frauds 6 years later.

86. In June 2002 the Bankruptcy Fraud Victim knew that a Contempt Trial Fraud would get an Imprisonment Fraud against him. He ignored the Return Restraint Fraud, parked his vehicle across the road, went to the Estate Farmhouse, retrieved a Firearms Cabinet from a Hidden Space, checked the contents, left it on a bed with the keys, went to the vehicle and backed it up to the door to load the cabinet. The Manager seized the short time he was away for Firearms Theft from the Cabinet with intent to get Protection Frauds that lasted his lifetime. The Cabinet was too heavy for the Bankruptcy Fraud Victim did not notice the Missing Weight.
87. The Firearms Theft got Theft Protection Frauds + prohibited Possession Protection Frauds. Sussex Officers seized the Stolen Firearms, listed them on Receipt 223607 and identified him as the Possessor and gave him the Original Receipt. They seized the Cabinet, listed it with the comment 'locked – contents unknown' on Receipt 223608 identified the Lawful Possessor and gave him the Original Receipt. They went to Lewes Armoury with intent to put the Stolen Firearms in the Cabinet and pretend nothing had happened. The Cabinet was locked. They had no key. The Unlock Procedure needed the presence of the Owner to identify Missing Contents and account for Unlawful Contents if any. No one dare conduct Unlock Procedure with the Owner because it defeated purpose of the Firearms Theft or without him because the Manager might have put Unlawful Contents in the Cabinet that they could not ignore. The Theft Concealment Fraud had failed. During the next 6 ½ years Corrupt Officers committed hundreds of Theft Discovery Delay Frauds.
88. In January 2009 the Victim got the Firearms Receipts. It completed the Firearms Corruption Proof Set. A few days later he learnt about the Equity Monarchy Trusts, the Corruption Remedy Proof Standard, the use of Corruption Remedy Conditions in Parliament Session Agreements, the Corruption Investigation of the Law Courts required by the 2007 Agreement and use of the Corruption Investigation of the Law Courts as an Official Process to receive the 1997 and 2001 Judgment Frauds from him, and that they got Remedy Denial Fraud Proof against Prime Minister Mr Brown. It

was Trial Fraud Blackmail. In late 2003 Judge Mitchell sat for the Inheritance Trial. He behaved as if he was shocked how much power he had when he had none. The Equity Lawyer used the Tax Liability Uncertainty for to make a Trial Unfitness Case and an Adjournment Order. Judge Mitchell made Discovery Order that the Equity Lawyer explain why the Court should not make a Wasted Costs Order against him. He filed a Costs Statement of 7 pages that explained the Trial Fraud Blackmail, and never heard any more. One of the Residuary Beneficiaries. He was of Below Average Intelligence. He could not wait to get money. He used his Inheritance Share to get an Extortionate Loan from a Loan Shark. The Tax Liability Uncertainty and Inheritance Claim caused Debt Recovery Delays and got Angry Impatience from the Loan Shark. All of the Residuary Beneficiaries were scared of him. He demanded they use what was a Local Lawyer for him. The Equity Lawyer took his fee, sent the file and heard nothing more.

He had known the Widow and Step Daughter for 20 years. He knew the Widow did silly things, met resistance and then needed to be forgiven. The Equity Lawyer served an Invalidity Notice against the 2004 Will + Codicil Fraud. He used the 1990 Will for Estate Administration.

94. The Equity Lawyer used Case Management as an Investigation Tool. It gave the Step Daughter choices that would discover True Intent. One was to service Settlement Negotiations between the Equity Lawyer, Bank Lawyers and Barclays Bank. It was a Profit Opportunity for her that exceeded the value of the Probate Estate.

95. The Wife wanted to give up but never had the Case Management Control needed for Settlement.

96. The Will + Codicil Fraud Lawyers lost their nerve. They gave up. The Equity Lawyer was Sole Executor of the 1990 Will and the 2004 Will + Codicil Fraud.

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Case Management Frauds to Barclays Bank and Prime Minister Mr Blair that enabled use of the Probate Contest as a Litigation Weapon against the Equity Lawyer.

They wanted power for State Officers to telephone Citizens and say an Immediate Obedience Failure will get an Electronic Signature Forfeit + Savings Account Forfeit + Credit Account Forfeit. Exposure of the Election Frauds would create a choice between Dictator Power for the State and Financial Security for the Citizen and get Rejection Majority against Dictator Powers.

101. The Equity Lawyer helped the Car Re-conditioner to get a Maintenance Contract from BP for the Angolan Fleet. They did a deal The Car Re-conditioner provided Priming Demand in exchange for Business Defence Services by the Equity Lawyer.

107. British Customs had no prior experience of Extradition Frauds. They knew a Drug Crime + Violent Crime Complaint against a Drug Dealer got Incredible Target Status for the Extradition Target. They thought the Extradition Target had discovered use of his address as a Decoy Address, had reported it, was assisting a Decoy Address Investigation, and the Justice Perversions were for an Early Release. They made an Investigation Sabotage Fraud Plan. It needed the Drug Consignment Delivery, News Broadcasts for a Big Drugs Bust and International Co-operation, Pretended Enthusiasm for the Drug Investigation, Investigation Control for British Customs, execution of the Kidnap Operation, Drug Consignment Retrieval by British Customs, Drug Charge Frauds + Custody Frauds against the Incredible Target and Successful Operation News Coverage. That is what it got.

108. The Extradition Target was in a British Prison with Jury Trial Rights and an Investigation Records that was Innocence Proof for him and Guilt Proof against the Investigators.

The Protection Fraud Deal + Extradition Fraud Deal

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

#### More Probate Contest Frauds

115. It was obvious Prime Minister Mr Blair would use the Probate Contest as a Litigation Weapon. It needed Case Management by the Equity Lawyer that did two things. It needed Fraud Proof, that met the Corruption Remedy Proof Standard, against the Widow, Step Daughter, Representatives and Law Court Judges. It needed Value Increases for Estate Beneficiaries.

116. The Equity Lawyer used the Proof Burden Reversal for the Client against Lawyers to get the Fraud Proof. He delayed the Probate Claim until he had Free Range Egg Production Planning Permission for the Estate Farm and a Specialist Developer + Specialist Market to make the best of it. It got Massive Damage Claim Rights + Representation Liability Risks for the Equity Lawyer and Remainder Beneficiaries against Anyone Else who acted as Estate Representative. It needed Fraud Profit Proof + Conflict Qualification Fraud Proof + Investigation Fraud Proof + Prosecution Fraud Proof + Trial Fraud Proof + Appeal Fraud Proof + Restraint Fraud Proof for the Citizen against State Officers and Law Court Judges all the way up the ranks to Appeal Lord Justices, and Protection Fraud Proof against Corrupt Parliamentarians.

#### The Remedy Sabotage Frauds

121. The Top Judges tried to defend themselves with Corruption Continuity Plans that needed Protection Fraud Plans and then Fall Guy Conspiracies against Lower Rank Judges.
122. Both the Corruption Continuity Plans and the Fall Guy Conspiracy used Appeal Issue Denial Frauds + Pending Appeal Trial Stay Protection Denial Frauds + Appeal Jurisdiction Denial Frauds + Appeal Dismissal Frauds that got the Trial Fraud Proof against Lower Rank Judges that, if needed, could be used for the Fall Guy Conspiracy. The Corruption Continuity Plan succeeded for years, and then failed. In the late stages some cases got Case Management Fraud Refusals by Lower Rank Judges and the Refusal Response of Concealment Frauds by State Officers and Appeal Lord Justices. Concealment Frauds used Evidence Destruction + Evidence Fabrication + Computer Record Frauds that are Perjury Proof + Forgery Proof of Case Misrepresentation Frauds + Anonymity Frauds as Protection Frauds for Guilty Individuals.
123. The Remedy Process used the Fraud Proof for Corruption Cases against the State and Unfitness Cases against Officers and Authorities. He gave notice that he had joined Ringmer Rifle Club. They had Storage Facilities. Sussex Police knew he would collect the Firearms Cabinet and discover the Firearms Theft. They knew he visited a house to collect rent. They planned a Drug Crime Framing Fraud. It needed the Planted Evidence of a Cannabis Production Facility in the house, him to visit, find no one there, enter and then a Drugs Raid. Everything that could go wrong for them did go wrong. They did not have time to select an Honest Search Team because they did not have time to select a Corrupt Team. The Original Search Log was Innocence Evidence for the Victim. The Framing Fraud needed Planted Evidence as House Occupation Proof. Car Contents were the Planted Evidence. It needed Search Log Amendments. They were managed so badly that the Only Unamended Page was the Front Sheet. The Amended Search Log was Innocence Evidence for the Victim and Guilt Proof against the Investigators. Forensic Analysis of the House Fabrics and Car Fabrics and Clothes discovered an Oil Contamination Deficit was Innocence Evidence for the Victim and Planted Evidence Proof for the Victim against the Investigators. The Entire Prosecution File was Innocence Evidence for the Victim and Guilt Proof against the Investigators and Prosecutors.

He could not service it because he ordered the Innocence Evidence Concealment Fraud and used Law Court Judges for Personal Profit Frauds.

130. In 2006 the Remedy Process got a Remedy Failure Finding + Dismissal Decision against Prime Minister Mr Blair. It is likely that Judge Mitchell knew very little. In August 2006

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

The Execution Conditions needed Co-ordinated Management of the Probate Settlement Liability Enforcement Frauds + Tax Liability Enforcement Frauds + the Brother in Law to use Influence Frauds against his Wife, who was the Equity Lawyer's Sister to Settlement Contribution Default by her + Liability Default Bankruptcy Fraud and use of them for Law Practice Disqualification Frauds. 165. On Scandal Day 35 a Road Traffic Collision at a T Junction between a Motorway Slip Road and a Minor Road got a Long Unconscious Period, Hospital Admission and a Full Body Scan for the Shropshire Farmer. It revealed Bone Fractures in the skull, spine and pelvis and Oesophageal Cancer. It got a No Cancer Treatment Kill Order against the Shropshire Farmer by Prime Minister Mr Brown. The Hospital Records were Murder Proof. It was an excellent case for the Corruption Investigation of the Law Courts.

166. Top Judges wanted a Tenancy Surrender from the Shropshire Farmer. They thought the Cancer Treatment Denial Fraud and a Driving Licence Termination Fraud would get it. Between 2004 and 2008 the Protection Fraud Network used the Brother in Law for Case Management Sabotage Frauds against the late Mr R.H. Ellis Probate Estate Beneficiaries. It got Fraud Conspiracy Proof against the Brother in Law that is Relevant Evidence in any other Fraud Case against the Brother in Law. In June 2009 the Protection Fraud Network used the Brother in Law for the 1<sup>st</sup> Licence Termination Fraud Conspiracy against the Shropshire Farmer. It needed Influence Frauds by the Brother in Law against his wife, who was the Sister of the Shropshire Farmer, that got a Hospital Visit + Eye Sight Fitness Examination Demand by her in the expectation that it would get an Eye Sight Unfitness Opinion. It got an Immediate Examination + Eye Sight Fitness Opinion by the Hospital Top Ophthalmologist.

167. The 1<sup>st</sup> Licence Termination Fraud Conspiracy had failed. The 2<sup>nd</sup> Driving Licence Termination Fraud Conspiracy needed an Eye Sight Driving Fitness Investigation Fraud + Fitness Evidence Exclusion Fraud by Kent Police and an Investigation Case Reference Fraud to the Driving Licence Authority. It used a Valid T Junction Collision Classification. It got Receipt Stamp Proof dated August 2009

#### The Corruption Remedy Commitment from the Secret Service

168. Firearms Corruption Claims got Dismissal Fraud Proof + Restraint Fraud Proof for the Citizen, Crown and Lord Bishops against Sussex Police and Sussex Police and Prime Minister Mr Brown. On 2<sup>nd</sup> September 2009 the GP made a Sanity Finding for the Citizen, disclosed that a Government Department he did not know existed wanted a Mental Health Examination and made a Case Reference to get it. Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

170. On 3<sup>rd</sup> September 2009 it got an Invalidity Admission Letter from the GP that stated the Mental Case Reference was not for Medical Need. The Equity Lawyer used it to prepare a Justice Perversion Conspiracy Fraud Claim for the Citizen against the Secret Service and Prime Minister Mr Brown.
171. On 12<sup>th</sup> October 2009 the Equity Lawyer got issue of it and served it on the Secret Service at 5 Buckingham Palace Gate. It forced the choice between servicing Protection Frauds for the Prime Minister and Protection Fraud Network or servicing the Remedy Process for the Citizen, Crown and Lord Bishops.
172. The Secret Service chose the Remedy Process. It needed Remedy Commitment Proof for the Corruption Investigation of the Law Courts. It needed the Double Proof of the Firearms Corruption Case and Another Major Case.
173. The Land Fraud + Medical Murder + Driving Termination Frauds against the Shropshire Farmer would get Case Management by the Equity Lawyer, who was his brother, during his lifetime and after his death. It made them a Good Risk in spite of the Untreated Cancer.
174. The Driving Licence Termination Fraud was in progress. The Secret Service used an Obvious Handwritten Forgery in the Investigation Report of the Licence Authority to substitute a Motorway Glance Collision for the T Junction Collision. A Collision Classifications Inconsistency Notice got from Kent Police a 2<sup>nd</sup> Investigation Case Reference that eliminated the Collision Classification Inconsistency. It got a Receipt Stamp dated November 2009 from the Licence Authority after the Termination Decision had been made. The State File contained the Obvious Fraud Proof of the Handwritten Forgery of the Collision Misdescription and the Obvious Fraud Proof of Two Case References, one with a Receipt Stamp dated August 2009, and the other dated November 2009 after the termination Decision was made. The Driving Licence Termination Appeal by the Citizen would force State Officers to choose between Fraud Admissions and Fraud Remedies or Fraud Enforcement with a State Bundle that was Fraud Proof against them. It would force the Trial Judge to choose between Fraud Findings and Fraud remedies or Fraud Enforcement.
175. The Secret Service needed an Official process to get the Firearms proof Set. They used the Mental Health Fraud. The Examination Appointment got attendance by the Victim, his Sister and Brother in Law, and presentation of the Firearms Corruption Proof Set by them to the State Psychiatrist and a Secret Service Officer, who gave the Psychiatrist the confidence to make a Sanity Finding Opinion.

177. The function of the Divorce Frauds was to isolate the Equity Lawyer not to enrich his Wife. The Protection Fraud Network used her as an Isolation Tool. The Bankruptcy Fraud was an Asset Forfeiture Fraud against the Equity Lawyer that left nothing of his for the Wife.

178. Influence Frauds by the Brother got an Unreasonable Behaviour Divorce Petition Fraud by the Wife. It was for Unreasonable Behaviour using the Sole Allegation that the Equity Lawyer made Corruption Allegations against Law Court Judges. It omitted Frauds Details because that would have been a Formal Admission that the Probate Fraud Proof was Relevant Evidence. The Wife knew she was doing wrong, needed Perverse Emotional Support and got it.

179. The Co-ordinated Management required Divorce Delays until after the Bankruptcy Fraud.

180. The Influence Frauds by the Brother in Law got the Divorce Delays.

181. The Bankruptcy Fraud Plan needed a Secret Hearing Fraud + Appearance Failure + In Absence Hearing + Bankruptcy Fraud. Execution Responsibility Squabbles by Kent Judges got Bankruptcy Fraud Delays. A Judge made a Hearing Listing Written Order for Day 70 + Notice Denial Oral Order. The Equity Lawyer knew something must be happening. He used Case Initiatives as Sensitivity Tests of Court Officers that got a day 57 Notice of the Secret Hearing. It enabled the Equity Lawyer to get Payment Receipts that denied an Unpaid Debt needed for the Bankruptcy Order. It denied the use of His Remaining Assets for Bankruptcy Fraud Profits and preserved them for the Divorce Property Frauds.

182. The Bankruptcy Frauds and Asset Forfeiture Frauds failed. The Divorce Fraud Delays ended. The Divorce Frauds needed Lies + Lies + Lies. The Brother in Law and Divorce Lawyers made Lie Decisions. Guilty Behaviour revealed the Wife was under Chronic Stress and had an Inner Struggle. Eventually, she gave up on herself, committed to the Divorce Frauds and tried to console herself with Trivial Distractions. The Equity Lawyer had witnessed it in many other cases.

183. No chance of a Family Settlement made the Divorce Case was a Remedy Process Asset.

#### The Imprisonment Release of Political Prisoners

184. In September 2009 the 7 ½ Years Imprisonment Sentence by the Dutch Authorities got a Good Behaviour Early Release for the British Citizen who was the Extradition Fraud Victim.

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

185. Family Sabotage Frauds prevented Asset Preservation for Family Members. The Threatened Assets were Remedy Process Assets. The 2006 Claim got Criminal Conspiracy Proof that included the Remedy Intent Notice by Naïve Judge Mr Mitchell. In addition, an Audio Record was Corruption Admission Proof from the Divorce Property Judge. He took action. Top Judges needed Own Case Sabotage by the Victim. Business Loans by the Equity Lawyer to the Victim forced use of Military Contract Promises + Influence Frauds to get the Own Case Sabotage. They were used to get the Forced Resignation of the Secretary of State for Defence

### **2010 Parliament Session Agreement**

**186. The Crown and Lord Bishops used the Corruption Proof and Remedy Denial Fraud Proof to decide the Corruption Remedy Conditions for the 2010 Parliament Session Agreement. They required a Long Session of 2 ½ years to enable Corruption Investigation of the Law Courts by the Lord Chancellor for the Crown. The Remedy Process got Remedy Co-operation from him, Deputy Prime Minister Mr Clegg and Opposition Leader Mr Miliband. The fact Prime Minister Mr Cameron did not know Investigation Details eliminated him from suspicion if anything went wrong.**

187. The Corruption Investigation of the Law Courts needed Trial Tests, Appeal Tests and Protection Tests. Citizens and the Equity Lawyer managed Test Cases that got Criminal Conspiracy Proof that met the Corruption Remedy Proof Standard.

188. The Driving Licence Termination Fraud Appeal got a State Bundle that contained the Handwritten Forgery Proof and Undisclosed Material that disclosed the Case Reference Forgery Proof. The Mental Health Officers did not know the Imprisonment Fraud had failed when they posted a Two-Day Notice of a Mental Health Examination Appointment on the Friday. Then they sent a 3 Day Appointment Postponement Notice for the Monday. The Equity Lawyer was at large and, on the Monday, helped the Shropshire Farmer get issue of a Mental Health Fraud Review Claim. They broke the confidence of the Health Officers to complete the Mental Health Fraud. On the Wednesday the Resident Judge, who managed the Driving Licence Termination Appeal Frauds, committed Conflict Qualification Frauds to get control of 2 Unqualified + 2 Uninsured Driving Framing Frauds, and used it for a Plea Hearing Fraud and Plea Demand Fraud that got a No Jurisdiction Plea + Not Guilty Plea from the Victim. 192. **In 2011 Top Judges in Birmingham committed a Restraint Renewal Fraud against the Equity Lawyer and a Restraint Fraud against a Shropshire Farmer and a Restraint Proof Denial Fraud against both of them to prevent Fraud Appeals to the Court of Appeal. The Equity Lawyer filed a Fraud Appeal for the Farmer in Telford County Court. The Lord Chancellor directed the County Court Judges to demand Restraint Proof. Top Judges released the Sealed Orders. The Lord Chancellor directed the County Court Judges to make a Fraud Appeal Case Reference to the Top Judges in Birmingham. It got completion of a Restraint Fraud Proof Set against them.**

199. The Hillsborough Scandal Exposure Week had been prepared to service the Immunity Negotiations. The News Coverage included the exposure of Court Frauds by Top Judges. It got a Negotiation Refusal + Corruption Continuity Plan by the Protection Fraud Network

#### The 2012 Corruption Continuity Plan

200. The Protection Fraud Network made a Corruption Continuity Plan. It needed Intimidation Frauds to silence Parliament, Remedy Sabotage Frauds until the 2015 General Election, and whatever was needed to get a Corrupt Majority and Immunity Frauds.

201. The Intimidation Fraud against Parliament was the Plebgate Allegation Frauds + Dismissal Fraud against the Chief Whip. The Protection Fraud Network thought that if a Cabinet Officer could not defend himself no one else could, and that would silence Parliament. It failed.

202. The Crawley Beating Case was to get remedies for a Street Beating by Thug Bouncers supervised by 2 Sussex Police Officers. The Equity Lawyer found the case. The Victim co-operated. 206. On 2<sup>nd</sup> June 2014 the Equity Lawyer started the Remedy Co-operation Tests of Top Judges. The Case Judges continued to sign Protection Frauds until they knew there were Test Cases. They needed a Restraint Fraud to stop the Test Cases, wanted to deny responsibility and got a Deputy Judge to sign it.

207. On 3<sup>rd</sup> July 2014 High Court Deputy Judge McGowan used the Osteopath Governance Fraud Appeal of a Citizen for a Party Denial Fraud + Notice Denial Fraud + Hearing Denial Fraud + Jurisdiction Fraud + Legal Service Restraint Fraud against the Equity Lawyer.

208. The Restraint Fraud got Enforcement Refusal by the Administrative Court Lawyer and Remedy Co-operation that enabled the Equity Lawyer to get Claims Issue and Stamp Filing Proof on Multiple Original Documents. He knew the history. It is likely that in 2008 he received instructions from Lord Justice Leveson to put the Court File in the post to the Equity Lawyer.

209. In late September and early October 2014 Corruption Claim Permission Hearings got Audio Records that were Criminal Conspiracy Proof against Identifiable Individuals.

### **The 2014 Corruption Continuity Plan**

210. In the autumn of 2014, the Remedy Process had made progress. The Protection Fraud Network made a Corruption Continuity Plan to avoid Total Collapse. It needed Sabotage Frauds against the Remedy Process and a Business Expansion Plan.

211. The Business Expansion Plan needed use of Family Sabotage Frauds to get Care Budgets + UK State Budget Fraud Profits + Child Trafficking International Agreement Frauds + Other State Budget Frauds. It needed a Target Community for the Business Priming. It needed a Corruption Co-ordination Case to get Fraud Knowledge Admissions and Remedy Denial Commitments from hundreds of State Officers and Law Court Judges. They chose the Cypriot Community because it was so divided and the Small Size of the Cypriot Authorities enabled a Bigger Share of the Cypriot State Budget Fraud Profits for UK Officers. The Corruption Co-ordination Case was Family Sabotage Frauds against Mrs Theodorou and the 6 Theodorou

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Children because it would get a Big Budget and had Corruption Co-operation from Mr Theodorou. Fraud Co-operation by him for the State against the Mother and Children got Divorce Property Frauds for him against her. Resistance by Mrs Theodorou got more than 70 Hearings, all of which got Criminal Conspiracy Proof against the State and Law Courts.

212. The Fraud Damage done to the 6 Theodorou Children included:

212.1. Separation + State Custody

212.2. Child Trafficking International Agreement Fraud

212.5. A Health Service Substitution Fraud against the 2<sup>nd</sup> Child of Spinal Scoliosis

212.6. A Heart Defect Treatment Denial Fraud against the 6<sup>th</sup> Child

213. The Care Frauds were completed. The Divorce Property Frauds started. Mr Theodorou discovered the Equity Monarchy Trusts, gave a Privilege Waiver and Confidentiality Waiver and use of the case for the Remedy Process, and got Citizen Status.

#### The Naïve Frustrated Judge

214. The Remedy Process needed to discover what impact the 'Remedy Mistake' in 2006 had on Naïve Judge Mitchell. It needed a case. The Equity Lawyer found one. Corrupt Officers in Haringey Council committed Land Frauds against a 60 + Years Old Woman. She did nothing to defend herself. An 80-Year-Old Man was her friend. He got Land Fraud Proof against the Corrupt Officers. They demanded Protection Frauds. They were given Harassment Restraint Frauds + Restraint Breach Contempt Trial Frauds. The Old Man co-operated. The Equity Lawyer provided Case Management, sat in the Public Gallery and made Trial Reports for the Crown and Lord Bishops. Judge Mitchell had done everything the Protection Fraud Network wanted since the 'Remedy Mistake'. He wanted the rank of High Court Justice. He had no hope of getting it. He spent his working life servicing the Protection Fraud Network but was in Total Denial that they used Career Damage to him as a Deterrent Precedent for All Judges. Seething Frustration compromised his Intellectual Capability. He managed the Trial Frauds and Imprisonment Sentence Fraud against the Old Man. He expected to get a False Liability Admission + Contempt Apology to get Immediate Release. He had no hope of getting it. The

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Old Man told the Old Woman ‘Get Appeal Lawyers + Not Them’. The Corrupt Officers used Imprisonment Blackmail to get Appeal Sabotage Frauds by her against him. She ignored the Not Them Instruction. She says she gave £1,200 on account to Them and got a receipt for £1,000. They did nothing. The Equity Lawyer prepared a Habeas Corpus Claim for a Citizen Friend with intent to get Representation Fraud Proof against the Appeal Lawyers and Criminal Conspiracy Proof against the Administrative Court.

215. **Late on a Friday in December 2014 the Equity Lawyer filed a Habeas Corpus Claim for the Old Man. It made the Administrative Lawyer anxious. An Issue Refusal using the Restraint Reason got Restraint Fraud Arguments and a Brief Case Explanation from the Equity Lawyer. In less than 10 minutes the Administrative Court Lawyer said he would issue it. There were Reasonable Suspicions the Administrative Lawyer used it for a Protection Test of Top Judges.**
216. **Justice Sir Andrew Collins made Hearing Orders a Habeas Corpus Prison Release + Restraint against the Citizen Friend + Restraint Breach Imprisonment Committal against the Equity Lawyer. The Appeal Lawyers had notice. A Restraint Fraud Appeal was in the Court of Appeal. The Equity Lawyer produced a Representations Document for All 3.**
217. **On 19<sup>th</sup> December 2014 Justice Mr Knowles sat for Habeas Corpus + Restraint Hearings. The Case Call got No Appearance by the Old Man, who was in prison, or the Appeal Lawyers. The Hearing Judge read out a letter from the Appeal Lawyers that made a Representation Instructions Admission but No Prion Release Representations. He called the Restraint Case against the Citizen Friend who spoke for himself and gave in the Hearing Representations Document. The Hearing Judge called the Restraint Breach Committal Hearing and started a Pompous Performance. It got Confident Presentation and Few Words that made Invalidity Arguments against the Restraint Fraud + Pending Appeal Enforcement Stay Protection Breach. The Pompous Performance became Angry Disappointment as Justice Mr Knowles lost confidence for the Imprisonment Fraud.**
218. The False Guilt Refusal by the Old Man broke the confidence of Lord Justices. In or about February 2015 they gave Appeal Instructions from the Lord Justice to the Appeal Lawyers. On 6<sup>th</sup> May 2015 it got an Appeal Permission Hearing and Immediate Release Order and Madness Observations about Judge Mitchell
219. Corruption Claim Representation Enquiries by the Old Man got Representations Refusals by Qualified Lawyers. It got Case Acceptance by some and then Case Sabotage Proof against them.
- The Hung Parliament Conspiracy
220. The Protection Fraud Network needed the 2015 General Election to remove Prime Minister

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Mr Cameron from office and a Back Up Plan if it failed to do so. They used Hung Parliament Propaganda Election Frauds in the hope they would get a Hung Parliament and a Coalition Agreement that provided Protection Frauds for Corrupt Judges. The Propaganda Frauds failed. The General Election returned a Governing Majority for Prime Minister Mr Cameron.

221. Protection Fraud Network needed the Back Up Plan. It needed Ruin Frauds against the Equity Lawyer and Prime Minister to stop them providing Investigation Services and Execution Services for the Remedy Process, and then a Ruin Fraud against a Remedy Protester for Power Boast Purposes.

#### The 2015 Parliament Session Agreement

222. The 2015 Parliament Session Agreement required a Fraud Invalidity Precedent, that was set by use of Sharland v Sharland, a Conflict Disqualification Precedent, that was set by use of Emerald Supplies v British Airways, and Restored Claim Issue Rights for the Citizen in the High Court, that was managed by a Before Issue Case Approval Powers Revocation for the Citizen against High Court Masters. It enabled issue of Corruption Claims that forced Corrupt Officers to choose between making Conflict Disqualification Admissions and committing Conflict Qualification Frauds to get the Case Control and use it for Dismissal Frauds and Restraint Frauds against Citizens. The Conflict Qualification Frauds + Dismissal Frauds + Restraint Frauds were Contempt Fraud Proof and the Official Records were the Fraud Proof.

#### The 2015 Ruin Fraud Conspiracy against the Remedy Protester

223. The Ruin Fraud against the Remedy Protester was the first to start and last to finish.
224. Everything that could go wrong for the Protection fraud Network did go wrong.
225. Resource Allocation Refusals by Top Officers denied it Ambitious Officers and Prime Time Facilities. It got Incompetent Officers and Imposter Officers and Weekend Facilities.
226. The Hampstead Child Abuse Scandal prompted a Scandal Protest. The Incompetent Officers used it to find a Ruin Fraud Target.
227. The Hampstead Child Abuse Scandal exposed Graphic Descriptions by Children. They explained the Unusual Body Cuts in the Baby Murder Case. The Maternal Aunt knew the Murder Motive was Human Organ Theft. She did not know until then that the Unusual Cuts were Organ Theft Evidence. She attended the Hampstead Scandal Protest.
228. The Incompetent Officers chose Ms Berry. It was a bad choice. The Protest Method of Ms Berry was to get Interview Video Records and give them Internet Publicity. She had Electronic Records. The Incompetent Officers had nothing. They used Identity Frauds for a Church Service Harassment Charge Fraud. The Prosecution File was No Evidence Proof against the State. Release of it to the Defence Lawyer, and buy him to Ms Berry and by her to Friends got

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Unauthorised Internet Publicity by one of the Friends. The Evidence Deficit made inevitable a Case Dismissal of the Church Service Harassment Charge. The Incompetent Officers needed something. They used the Internet Publicity for a Witness Intimidation Charge Fraud against Ms Berry and then against both her and the Friend. There was No Evidence.

#### The Ruin Fraud Conspiracy against Prime Minister Mr Cameron

229. The Ruin Fraud against the Prime Minister Mr Cameron needed Protection Frauds from Home Secretary Mrs May, Internet Publicity by an Innocence Agent, Censorship Motive Proof against the Prime Minister, a Framing Fraud against the Innocent Agent and exposure of it time to do maximum damage to the Prime Minister. It used Panama Paper Week to provide Censorship Motive Proof and prepare for Framing Fraud Exposure Week. Sussex Police demanded control of the Framing Fraud because the Firearms Corruption Proof Set created a Unique Vulnerability for them. They did not trust anyone else to do it.

230. Everything that could go wrong for the Fraud Conspirators against the Prime Minister did go wrong. The Equity Lawyer found the case. Mr John Paterson was the Innocent Agent. He gave a Privilege Waiver and Confidentiality Waiver and got Citizen Status. In November 2015 the Trial Fraud got Criminal Conspiracy Proof against Sussex Police and the Magistrates Court. In December 2015 a Trial Fraud Appeal and a Corruption Claim by the Citizen got Criminal Conspiracy Proof against the Crown Court and High Court. The Media Managers continued with Panama Papers Week but the Law Court Judges could not use an Appeal Hearing for the Framing Fraud Exposure that Media Managers needed for Framing Fraud Exposure Week.

#### The 2015 Ruin Fraud Conspiracy against the Equity Lawyer

231. The Ruin Fraud against the Equity Lawyer needed a False Client, either a True Claim with Liability Proof Concealment Frauds or a False Claim, False Incapacity Evidence, False Relationship Evidence, a Contempt Fraud Agreement that got Fraud Rewards for the False Client in exchange for exposure of Incapacity Exploitation, Relationship Exploitation and a False Claim Prosecution at a Hearing Event that enabled Contempt Penalty Frauds by a Hearing Judges against the Equity Lawyer.

232. Everything that could go wrong for the Ruin Fraud Conspirators did go wrong.

233. In December 2015 the False Client presented with the Exact Right Case at the Exact Right Time. It raised Ruin Fraud Conspiracy Suspicions from the start. The Equity Lawyer managed the case to get Criminal Conspiracy Proof against the False Client, Opposing Party and Law Court Judges. It included Audio Records of Court Hearings.

234. In March 2016 the Equity Lawyer used a Damage Limitation Reason for No Further Action Advice. The False Client read it and gave Receipt Signatures on Multiple Originals of it. Later

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

the False Client realised it lost any chance of a Contempt Fraud Agreement. She was furious. She started an Electronic Communications Harassment Campaign against the Equity Lawyer. He made the Strategic Decision for No Responses. Remorseless Harassment got thousands of Self Inconsistent Communication Records that added to the Criminal Conspiracy Proof for the Equity Lawyer, Parliament and Crown against the False Client and Protection Fraud Network.

### The Framing Fraud Appeal

235. The Ruin Fraud against the Prime Minister had failed. Corrupt Officers demanded Before Event Protection Frauds before completion of Before Appeal Sentence Enforcement Frauds and Appeal Frauds against Citizen Mr Paterson.

236. On 9<sup>th</sup> March 2016 High Court Senior Master Ms Fontaine used 4 Corruption Claims of 3 Citizens, including the Innocent Agent, for Party Status Denial Frauds + Notice Denial Frauds + Hearing Denial Frauds + Jurisdiction Frauds to get a Restraint Fraud against the Equity Lawyer. Brighton Magistrates Court Officers did not disclose the existence of the Restraint Fraud but relied on it for a Court Building Exclusion Fraud that prevented the Equity Lawyer sitting as a Public Gallery Witness to the Sentence Breach Hearing Fraud and 6 Weeks Sentence Enforcement Fraud. It denied a Witness Statement by the Equity Lawyer to counter the Court Records until the Prison Release enabled Case Management by the Citizen to provide Court Records. The Citizen served 3 Weeks Imprisonment, continued the Fraud Appeal and got issue of Corruption Claims. The Equity Lawyer got Receipt Stamp Proof on Case Papers from the Law Courts and Sussex Police and Crime Commissioner. One of the Corruption Claims gave Party Status to the Police Officer Witnesses and made an Immunity Negotiation Offer to them. In May 2016 the Police Commissioner acted as Service Receiving Agent and gave Receipt Stamp Proof for the Police Officer Witnesses, but did not inform them.

237. The Brexit Referenda Campaign Period was imminent. It had priority over everything else. Prime Minister Mr Cameron lead the Leave Campaign. It prevented him from doing anything about Ruin Fraud Conspiracy against him until late June when the Referenda Result was known.

### The Witness Intimidation Trial Frauds

238. In May 2016 the Equity Lawyer found the Ruin Fraud Case against the Remedy Protester. The Friend gave a Privilege Waiver and Confidentiality Waiver and use of the case for the Remedy Process and got Citizen Status, until the Defence Lawyers gave Remedy Co-operation Refusal Advice.

239. In June 2016 the Equity got access to Ms Berry. She gave a Privilege Waiver and Confidentiality Waiver and use of the case for the Remedy Process and got Citizen Status. Remedy Co-operation by her enabled Case Management by the Equity Lawyer that was a Case

Royal Commission + 2020 000286 Context + Motive + Case Dismissal Statement of Equity Lawyer 30<sup>th</sup> November 2020

Management Comparator for that of the Defence Lawyers of the Friend. It got Remedy Co-operation by the Defence Lawyer for Citizen Ms Berry and Representation Fraud Proof for her against Defence Counsel.

#### The Framing Fraud Appeal

240. In June 2016 the Framing Fraud Appeal Hearing was an opportunity for Citizen Mr Paterson to ask the Police Officer Witnesses whether they knew about the Immunity Negotiation Offer and wanted an Appeal Adjournment to get Immunity Advice. The Crown Prosecutor and Trial Judge used an Adjournment Fraud to avoid it. The Police Officer Witnesses had serviced a Framing Fraud and needed Direct Contact with the Equity Lawyer and Citizen in Safe Conditions that denied use of it for a Framing Fraud against them. The Appeal Hearing gave them a Contact Opportunity with a Court Building Video Record as evidence they said very little or nothing. The Equity Lawyer and Citizen left the court room and found the 3 Police Officer Witnesses waiting outside the court room. The Equity Lawyer told them a Corruption Claim gave them Party Status and made an Immunity Negotiation Offer and the Police and Crime Commissioner had acted as Service Receipt Agent and given Receipt Stamp Proof. He gave them an Original Claim Form that bore the Receipt Stamp to read. It was obvious they wanted Immunity Deals but dare not say so. The Protection Fraud Network needed Intimidation Frauds as an Immunity Deterrent and get Repeat Perjury from the Police Officer Witnesses, Repeat Representation Frauds by Crown Prosecutors and Repeat Trial Frauds by Appeal Judges in the Crown Court. The Protection Fraud Network needed to know the outcome of the Brexit Referenda before proceeding with the Intimidation Fraud.

**241. In June 2016 the Corruption Claim HQ16X00733 of a Citizen was used for a Party Status Denial Fraud + Restraint Jurisdiction Fraud + Restraint Breach Contempt Imprisonment Application Fraud of the Ministry of Justice against the Equity Lawyer. Case Pacing enabled use of each stage of it to service every stage of the Remedy Process.**

242. The Brexit Referenda got a Leave Majority. Prime Minister Mr Cameron had led the Leave Campaign and lost. He resigned. It was an Honourable Resignation and a Leadership Contest. Hye lost the capacity to get Corruption Remedies for the Ruin Fraud Conspiracy against him

#### The 2016 Leadership Contest
