

Directions questionnaire (Fast track and Multi-track)

In the	Claim No.
--------	-----------

To be completed by, or on behalf of,

who is [1st][2nd][3rd][] [[Claimant][Defendant][Part 20 claimant] in this claim

You should note the date by which this questionnaire must be returned and the name of the court it should be returned to since this may be different from the court where the proceedings were issued.

If you have settled this claim (or if you settle it on a future date) and do not need to have it heard or tried, you must let the court know immediately.

If the claim is not settled, a judge will allocate it to an appropriate case management track. To help the judge choose the most just and cost-effective track, you must now complete the directions questionnaire.

You should write the claim number on any other documents you send with your directions questionnaire. Please ensure they are firmly attached to it.

A Settlement

Notes

Under the Civil Procedure Rules parties should make every effort to settle their case before the hearing. This could be by discussion or negotiation (such as a roundtable meeting or settlement conference) or by a more formal process such as mediation. The court will want to know what steps have been taken. Settling the case early can save costs, including court hearing fees.

For legal representatives only

I confirm that I have explained to my client the need to try to settle; the options available; and the possibility of costs sanctions if they refuse to try to settle.

I confirm

For all

Your answers to these questions may be considered by the court when it deals with the questions of costs: see Civil Procedure Rules Part 44.

1. Given that the rules require you to try to settle the claim before the hearing, do you want to attempt to settle at this stage? Yes No
2. If Yes, do you want a one month stay? Yes No
3. If you answered 'No' to question 1, please state below the reasons why you consider it inappropriate to try to settle the claim at this stage.

Reasons:

The court may order a stay, whether or not all the other parties to the claim agree. Even if you are requesting a stay, you must still complete the rest of the questionnaire. More information about mediation, the fees charged and a directory of mediation providers is available online from www.civilmediation.justice.gov.uk This service provides members of the public and businesses with contact details for national civil and commercial mediation providers, all of whom are accredited by the Civil Mediation Council.

D2. Track

If you have indicated in the proposed directions a track attached which would not be the normal track for the claim, please give brief reasons below for your choice.

Notes

High Court cases are usually heard at the Royal Courts of Justice or certain Civil Trial Centres. Fast or multi-track trials may be dealt with at a Civil Trial Centre or at the court where the claim is proceeding.

Before any claim is started, the court expects you to have complied with the relevant pre-action protocol, and to have exchanged information and documents relevant to the claim to assist in settling it. To find out which protocol is relevant to your claim see: www.justice.gov.uk/guidance/courts-and-tribunals/courts/procedure-rules/civil/menus/protocol.htm

D1. Applications

It is important for the court to know if you have already made any applications in the claim (or are about to issue one), what they are for and when they will be heard. The outcome of the applications may affect the case management directions the court gives.

D2. Track

The basic guide by which claims are normally allocated to a track is the amount in dispute, although other factors such as the complexity of the case will also be considered. Leaflet **EX305 – The Fast Track and the Multi-track**, explains this in greater detail.

2. If No, is such agreement likely? Yes No
