ISO hearing

Dear Ms Davies

Can you or Mr Ellis please confirm if either of you will be attending the Interim Suspension Order hearing, listed for 15 September 2021.

Please note that the GOsC will be using CaseLines for this hearing, as a platform for the preparation and management of hearing documents/bundles for the hearing.

I have now given you access to the bundle on caselines. I can arrange training with you on using caselines during conventional working hours of 09:00AM to 05:00PM on a weekday. If you intend to attend the hearing, please can you confirm your availability for training. It will take around 15 minutes.

Please note that the hearing will take place virtually on an online video conferencing platform go-to-meeting. Should you wish to attend the hearing, then I can arrange a test call with you with the hearings clerk to check that you are able to access the platform. Please note that you will need access to a computer, laptop, tablet or phone with a camera and speakers device if you wish to attend the hearing.

Please can you confirm by tomorrow if you or Mr Ellis will be attending the hearing, and if so, confirm availability for caselines training and a test call on go-to-meeting.

Kind regards **Ms Sandeep Parmar Regulation Officer** General Osteopathic Council
