Hi Michelle This type of law is not something we're familiar with so I'm not sure what you need. We wouldn't be able to comment on the case or the proceedings as we've no experience of this.

If you need a character reference then I can do that although I thought that's what the last request was about. So sorry - this is very different to commercial property which is my area of expertise.

Let me know what you need. Best wishes Lisa

Thank you Lisa I will ask the Equity Lawyer ... In simple terms it is to obtain a lawyer opinion on the urgent need for a hearing with a judge at The High Court this Friday at 12 noon. The General osteopathic council have arranged a Committee hearing next Friday to place an interim suspension upon me.

Kind regards Michelle

Hi Michelle You need a litigation solicitor for an opinion in those terms who will be someone who understands the court process. There's no one who does that at our Worcester office but Tom Esler at our Kidderminster office may be able to help or point you towards someone who can. I don't know how much it would cost but Tom can advise. If Tom isn't available, you could ask for James Jarvis who is a litigation lawyer and may be better placed as he's also a barrister - in fact I would try him first. Phone number for the Kidderminster office is 01562 820181 I'm so sorry to hear what the Osteopathic Council are doing. Hope you're ok. Lisa
