The Claimant was stationary at traffic lights when a Drunk Driver drove into the back of his car at about 70 miles and hour and caused him Crippling Injuries. Controlled Nutrition during a 1 Year Coma caused him to gain two or three stones in weight.

Years later Police Negigence caused a Pulmonary Embolism, during which Negligent Nutrition caused him to become obese. He is now of Bariatric level obesity and his Powered Wheel Chair weighs about 50 stones.

Corrupt Officers stole his assets during the Hospital Period because they did not expect him to survive. The Law Courts have denied the Claimant Access to Case Records. One of them is an Alleged Liability Order for £29,000. There have been a series of Enforcement Threats and then Case Denials.

In 2019 Legal Action by the Claimant got Claim Issue Refusals and Hearing Refusals by the High Court and Royal Court Officers denied him entry for the Alleged Reason that the building could not accomodate him.
