

B01B0837 Contempt Fraud Remedy Application Readiness Enquiry Response from Citizen Mr Sood 27<sup>th</sup> November 2021

1. Directions Compliance Enquiry Email Response:
  - 1.1. Court Frauds invalidate the Case Directions. They are the Crime Proceeds of Court Frauds.
  - 1.2. The Compliance Enquiry with a 5 Day Response Time Limit + Dismissal Threat is Aggravated Contempt Fraud Proof for the Coronation Oath Enforcement Authority against the County Court. Designated Judges and Supervision Judges and Case Judges
2. The Contempt Fraud Application is Fully Effective.
  - 2.1. The Coronation Oath is for Equity Governance using the Common Law. The Citizen crown and Lord Bishops are the Coronation Oath Enforcement Authority. They decide the Corruption Remedy Priorities for each Parliament Session. The Politicians made a Dictator Governance Plan for Western Europe. It needed State Control of All Accountability Jurisdictions. The Coronation Oath Enforcement Authority was the Only Corruption Control Jurisdiction in Western Europe that the State did not control. The Dictator Governance Plan used a set of Sabotage Frauds to deny a Reliable Supply of Admissible Evidence for Parliament Session Decisions. It got a Dormancy Period for the Coronation Oath Enforcement Authority that lasted 45years. In 2004 the preparations for the European referenda got Election Fraud Conspiracy Proof against European leaders including Prime Minister Mr Blair. Equity Lawyer Mr Ellis used it for a Corruption Notice to the Crown and Parliament. It ended the Dormancy Period, revived use of the Coronation Oath Enforcement Authority and started a Corruption Remedy Process that has continued ever since.
  - 2.2. The 2021 Parliament Session Priority is Remedy Delivery. It needed Responsibility Apportionment between Case Remedies by the Law Courts and Mass Remedies by Parliament. Test Cases got Remedy Denial Fraud Proof against the State, profession Authorities, Law Courts and Cabinet. It validates a Parliament Session Refusal and Forced General Election with Mass Publicity for the Corruption proof and Remedy Denial Fraud Proof. Equitable Due Process requires that All MPs have a chance to get Remedy Co-operation proof before the Forced General Election. The Remedy Co-operation Tests of Individual MPs are in progress.
  - 2.3. All Cases of Citizen Mr Sood are Remedy Process Cases.
3. Court Frauds forced the Contempt Fraud Application and a Short Time Estimate. The 2 Hour Estimate will be enough for the hearing Judge to receive Explanation Testimony from Equity Lawyer Mr Ellis and examine the Court Records that prove:
  - 3.1. Repeat Sale Order Breach Contempt Frauds by the Trustee Son and the Bank of Scotland
  - 3.2. Contempt Immunity Frauds by the Hearing Judges and Supervising Judges
  - 3.3. Protection Fraud Market requires Fraud Commitment Proof from the Receiver before the Protection Fraud Supply. Routine Business uses the Case Frauds. Special Business requires New Frauds. Very Special Business requires Fraud Commitment Proof from the Supplier to give the Receiver the confidence to commit New Frauds. The Investigation Services provided by Equity Lawyer Mr Ellis for the Coronation Oath Enforcement Authority got a Very Special Business Classification for the Mortgage Possession Claim Fraud F01PP7696. The Fraud Commitment Proof from the High Court was the Contempt Claim Fraud 2020 000286 Liability Finding Fraud Pronouncement on 16<sup>th</sup> December 2020 against Equity Lawyer Mr Ellis. It got the Mortgage Repayment Refusal Notice Fraud dated 16<sup>th</sup> December 2020 to Citizen Mr Sham Sood as Fraud Commitment Proof from the Bank of Scotland
4. The Citizen Defendant and Witnesses are UK Residents
5. The Citizen can understand sensibly paced well spoken English. He needs time to think what to say.
6. The Coronation Oath Enforcement Authority require a Court Room with an Audio Recording Facility
