To whom it may concern,

I urge the courts to block any further applications/appeals from Sham Pal Sood as an abuse of process.

The court order (dated 17.12.22) attached in paragraph 8 clearly states that as the 'Final' court order and the decision of that has already been appealed twice with the most recent appeal being struck as being 'totally without merit'.

The defendant and his team are making a mockery of the judicial system and I plead with the courts to block this

Regards,

Vishal Sood

House of Commons Speaker, Prime Minister, MPs, Representatives and Law Court Judges,

The Common Law and Advanced Electronic Signatures provide the Only Credible Hope of reconciling the need for Inflation Control, Economic Growth and Poverty Relief. In 1998 the UK got the World Lead. The Profit Plan was On Line Services. The Defence Plan was Source Code Secrecy. The European Leaders made a Private Profit Plan. It needed Source Code Theft, Forced Usage throughout the European Union and Usage Licence Fees for the Source Code Thieves. Prime Minister Mr Blair was the Plan Manager. Barclays Bank Group Board were the Theft Agents. They did it badly and the Concealment Fraud badly. European Leaders used Market Exclusion Frauds against the Advanced Electronic Signature Technology. Now, the Developed Economies need an Economic Stimulus that the Common Law and Advanced Election Signatures can deliver.

The Leadership Contestants and All MPs have a duty to bring the attachments to the attention of Members of All Political Parties. There is more urgency in the case of anyone who has a Leadership Vote.

Royal Commission + Sale Negligence Settlement Default Claim E04YM867

Mr Ritesh Sood,

Thank you for the Family Estate Account Email sent at 14 04 on 2nd August 2022.

The function of a McKenzie Friend is to service Fair Process Pretence Frauds. The function of an Equity Lawyer is to provide Case Management that gets Proof Sets for the Coronation Oath Enforcement Authority.

Trust Success needs the Trustee to have Accountability Skills that you claim to have, and the Beneficiary to have Accountability Skills that your Father does not have. Please provide the Estate Accounts.

Fraud Proof on anything gets a Fraud Presumption for the Victim against the Fraud Manager and Fraud Beneficiary. It is subject to Rebuttal Proof that needs Full Co-operation at every stage of the process.

The Sale Negligence Settlement Agreement, Payment Default and Enforcement Claim E04YM867 got Contempt Fraud Conspiracy Proof for your Father against Ross Coates and the Contempt Immunity Fraud Proof against the County Court. The Co-operation Refusal Proof against you includes use of a Mental Illness Reason Fraud in the Case Closure Request Email.

The Trust Claim Fraud B01B0837 and Fraud Appeals 2022 000007 and 001411 got Contempt Fraud Proof against your Brother, and Contempt Immunity Fraud Proof against the Law Courts.

The Speeding Framing Fraud and 25 Year Backdated Taxation Frauds and Court Frauds got Corruption Proof and Protection Fraud Proof against the Cabinet, Prime Minister, Governing Majority and Opposition Minority. It helped to get the 2022 Local Election Fraud Proof and Forced Resignation from Prime Minister Mr Johnson.

On the evidence available it caused a Confidence Collapse that motivated the Trust Record dated 22nd July 2022 and use it as a Trust Release for you against your Father. It is not surprising. Others had Confidence Collapses, did things, and added to the Fraud Proof against them.

Royal Commission + CA 2022 001411 Email Log for Citizen Mr Sood

29 June to 11th September 2022

The Parliament Session Priority is Corruption Remedies that need Corruption Dismissals against Law Court Judges. Trust Accounting Denial Frauds by the Law Courts and Voluntary Accounting by you, even very late, will be good for the Coronation Oath Enforcement Authority and you and bad for the Law Court Judges. A Voluntary Accounting Refusal will be bad for you.

The Coronation Oath Enforcement Authority need Full Disclosure to both you and your brother what is happening in your cases.

Please provide the Trust Accounts.

I am emailing you with regards to the letter you sent me on the 10/08/2022 at 20:12. You state that I had not filed a skeleton argument on the 15/07/2022. However, this is incorrect as I filed my skeleton argument before the 15/07/2022. I also filed other documents on the 24/07/2022 including an N161 appeal and application. I have an Appellant's notice that was stamped by the court on the 08/08/08. This confirms that I have received acknowledgment that the court has

I was in your office today 12/08/2022 and spoke to one of your **staff to ask for extended time** as its very important that this is sorted out.

I look forward to receiving your replay and hope that you will grant me extra time due to an error on your part and exceptional circumstances.

I will also send a copy of this email to the other side (Vishal Sood) so that he knows the reasons for the extension.

I hope you can rectify this mistake.

Vishal, You need to stop stressing My son (Aman) by sending any messages toward Me.

Yesterday You said to Aman regarding Spectrum Tower mortgage has been changed to £295... per Month. I don't need to know from You when I was Mortgage Consultant far more than both of you brothers and Spectrum Tower Mortgage was re mortgaged by Myself as a Mortgage Broker with Fixed deal of 0.24% + Bank Base Rates for 15 Years Fixed Term or more. I do have the OFFER in My File.

Also, You don't need to tell Aman & Stress Him regarding £45,000 on Hoveton Way running behind in rears. You also stressed Aman to vacate Hoveton Way in 7 days due to Court Order, You stressed Him that 2 Years ago.

Hoveton Way £45,000 behind, Yes, I know that When You should know that You are running behind and owe for £145,000 on City View by now due to You were in breach of TRUST when You CHUCKED OUT My rental income of £1460 + £70 for Parkin Space since September 2014.

If You don't stop this nonsense on My son, then I will have Law on You as a New N244 County Case.

You must read My Email again as below to worry about.

Dear Mr Sood,

In question 3 of the N244 Application Notice you are asked '**what order are you asking the court to make and why?**'.

In your answer to the question you make reference to your Draft Order.

Your Draft Order appears to provide only the reasons **why** – the 2nd part of question 3 – but does not answer the 1st part - **what order are you asking the court to make?**

Unless the answer to this simple question is clear and intelligible, which at the moment it is not, it is likely your application will not progress as quickly as you'd like.

Could you please, therefore, and without adding any other detail, specify in one (preferably short) sentence exactly what order you are asking the court to make.

Yours sincerely, **Andrew Deas Admin Officer** Civil Appeals Office

There seems to be some confusion.

We need you to file a core bundle containing the core documents to be used in support of your permission to appeal application.

I attach a sample index which will assist you.

Please file a bundle without delay. Failure to file a compliant bundle will result in this matter to be placed in the dismissal list.

Dear Mr Sood,

I am writing to confirm that your fee remission application has been granted.

All that is required now for your N244 Application Notice to be created is for you to state what order you want the court to make – as I requested in my 6.9.22 e-mail, i.e:

In question 3 of the N244 Application Notice you are asked '**what order are you asking the court to make and why?**'.

In your answer to the question you make reference to your Draft Order.
