He had employment successes and marriage success and 4 children. In 1996 Medical Negligence caused the death of his wife. He became full-time-carer for the children. He used the Negligence Damages to create Family Trusts with the 2 Older Sons as Estate Trustees. They got Financial Service Qualifications. They committed Trust Frauds against the Father. He lacked the education and experience for Remedy Management. Financial Service Agents acted as Ruin Fraud Target Spotters, provided Client Wealth Details to Top Judges and got Contempt immunity Frauds from the Law Courts. Both of the Trustee Sons committed Contempt Frauds and got Immunity Frauds from the Law Courts. In January 2020 Mr Sham Sood discovered the Coronation Oath Enforcement Authority and the Corruption Remedy Process. He gave a Confidentiality Waiver, Privilege Waiver and Case Management Authority. The 1st Son was in Financial Difficulties. On 22nd July 2022 he was in Costas Café, Barkingside when he saw the Father walk past. He went out and spoke to him politely and invited him to visit. It was the first Normal Contact was in or about 2015. The last Personal Contact was in Hostile Circumstances in or about 2016 . The Father visited the next day. The 1st Son said he needed help to save his business and a letter that was addressed 'To whom it may concern'. It read 'RE: sale and proceeds of Flat 55 Spectrum Tower, 2 – 20 Hainault Street, Ilford IG1 4GZ

I can confirm that the above property belonged to my son Ritesh Sood and was sold on 13th July 2016 for £263,000. Ritesh let me keep the proceeds for personal use. The amount given was £81,696.53 as per the Completion statement and bank transfer. I confirm the amount will be reimbursed to Ritesh from my estate of 3 properties totalling £1,490,000 with net equity of about £700,000'.

The Emotional Challenge of the Renewed Contact compromised

his Decision Capacity. He read the 1st paragraph but not the 2nd , signed and only later realised the Only Credible Intent was a Credit Fraud by 1st Son.
