Dear Dad and Mackenzie friends,

Firstly, there is no con, the flat was in my name, and I let my father have all the proceeds from the sale of the property. So my name was just used as a financial mule.

Royal Commission + Financial Credibility Fraud Investigation Communications

30 07 to 03 10 2022

We signed wherever we were asked to sign because he is our father, and he often says I never forced them to sign. Then the same goes for signing the letter you are so concerned with. Which you let me draft overnight and you returned the next day to sign

I have no trust deeds registered against any of your estates, so I don't know why you are worrying unnecessarily.

Please let me remind you that when the property was sold, for which you had full power of attorney, I ended up with a legal claim against me because you didn't sign the TR1 form, and the onward purchaser paid for a property with no legal ownership.

They didn't own it due to your and the conveyancer's negligence. I ended up in court with claims against me for £5k and had to do my litigation and pay for the other side's and my solicitor fees. The conveyancer accepted responsibility and paid for all the legal costs involved, including my six months of stress. I didn't profit from ANYTHING!

I thought you would be happy to see your grandchildren again, but you have come down to property and money.

You may be aware that I had physical and mental health issues due to the attack and robbery on me, and I contemplated suicide. I racked up debts, and under FCA regulation, you need a positive asset and liability balance.

I am leaving my existing network and am moving elsewhere, so the letter would help in a positive A & L statement. But, again, there is no obligation, and neither am I expecting it. There is no trust deed, no will and I believe your priority is making sure the lenders don't repossess the properties. Again, I have no interest in your wealth. Your case with Vishal indicates that you will have all the proceeds less his expenses. He wants his name off all properties so he can live his life.

You have four children, all of whom expect zero inheritance or want anything from you. So, I suggest you prioritise your thoughts and think about your grandchildren. I was willing to forgive you even though I had six months of stress from the case, which I never benefited from the proceeds and neither expected to.

I'm not sure what the agenda of your McKenzie friends have, but if they do have your interests at heart, then sell the properties and keep the money. It is still a seller's market with interest rates to double and recession looming. So this is the best time for YOU to profit, keep the proceeds, enjoy your retirement, and stop this constant pantomime of court cases.

As I said, the signed letter has no material value, and your priority should be saving your estate from lenders. I explained the exact reason for the letter, but as usual, you did not listen.

I wouldn't have bothered if it came back to this. It mentions your estate, If there will be any left, and I hope for you to live until 100 years before the "estate" can even materialise.

I have attached a video of my attack for your McKenzie friends to enjoy. I had some slight hope that my father could help with the letter for my capital adequacy requirements to continue to earn a living.

Also, you didn't even phone or visit me after the attack in December 2018, even though you live 5 minutes away, so to say I'm only interested in your property or money is laughable. Any normal father would come to visit their son regardless of any issues, but your ego did not allow you to do so.

Again, keep your properties and protect your equity. We only ever want you to be happy as I do with my siblings.

Please let me continue with my living as I am always dragged into unnecessary issues, and I regret asking you for the letter in the first place.

Also, stop copying me into your and Vishal's case. I have no interest apart from it getting resolved asap. If your McKenzie friends are not legally authorised to provide legal and financial advice, I suggest they abstain from this as I'm still unsure of their intentions. Dad, you should not go bankrupt from bad advice, and there will be legal consequences if McKenzie friends give you bad advice because my McKenzie friends are professional large legal firms.

to Citizen, Mr, Sood

Royal Commission + Sale Negligence Settlement Default Claim E04YM867

Mr Ritesh Sood,

Thank you for the Family Estate Account Email sent at 14 04 on 2nd August 2022.

The function of a McKenzie Friend is to service Fair Process Pretence Frauds. The function of an Equity Lawyer is to provide Case Management that gets Proof Sets for the Coronation Oath Enforcement Authority.

Trust Success needs the Trustee to have Accountability Skills that you claim to have, and the Beneficiary to have Accountability Skills that your Father does not have. Please provide the Estate Accounts.

Fraud Proof on anything gets a Fraud Presumption for the Victim against the Fraud Manager and Fraud Beneficiary. It is subject to Rebuttal Proof that needs Full Co-operation at every stage of the process.

The Sale Negligence Settlement Agreement, Payment Default and Enforcement Claim E04YM867 got Contempt Fraud Conspiracy Proof for your Father against Ross Coates and the Contempt Immunity Fraud Proof against the County Court. The Co-operation Refusal Proof against you includes use of a Mental Illness Reason Fraud in the Case Closure Request Email.

The Trust Claim Fraud B01B0837 and Fraud Appeals 2022 000007 and 001411 got Contempt Fraud Proof against your Brother, and Contempt Immunity Fraud Proof against the Law Courts.

The Speeding Framing Fraud and 25 Year Backdated Taxation Frauds and Court Frauds got Corruption Proof and Protection Fraud Proof against the Cabinet, Prime Minister, Governing Majority and Opposition Minority. It helped to get the 2022 Local Election Fraud Proof and Forced Resignation from Prime Minister Mr Johnson.

On the evidence available it caused a Confidence Collapse that motivated the Trust Record dated 22nd July 2022 and use it as a Trust Release for you against your Father. It is not surprising. Others had Confidence Collapses, did things, and added to the Fraud Proof against them.

The Parliament Session Priority is Corruption Remedies that need Corruption Dismissals against Law Court Judges. Trust Accounting Denial Frauds by the Law Courts and Voluntary Accounting by you, even very

Equity Lawyer Mr Edward Ellis

Royal Commission + Corruption Investigation Contact of Equity Lawyer v Tenet Limited 15 48 on 25th September 2022

Please provide the identities and email addresses of the Chairman, Chief Executive Officer and Chief Lawyer. Please assist with a Corruption Investigation managed by the Coronation Oath Enforcement Authority. They have Parliament Session Powers. They are the Profession Authority for Top State Officers, Law Curt Judges and Top Politicians. They Ultimate Remedy is a Parliament Session Refusal and Forced General; Election with Mass Publicity for Corruption Proof against the Governing Majority. They use the Corruption Remedy Proof Standard. it is Official Records that are Justice Proof for Honourable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. An Equity Lawyer is anyone who has the commitment and competence to get Proof Sets that meet the Corruption Remedy Proof Standard, and knows how to use it for Parliament Session Decisions

The Coronation Oath Enforcement Authority use Corruption Proof for Integrity Tests of whoever has Remedy Powers. Remedy Successes are Justice Proof for whoever manages it. Remedy Failures are Protection Fraud Proof against whoever manages it. A Remedy Decision required Immediate Dismissal of Prime Minister Mr Johnson. The 9 Months' Delay before the Forced Resignation on 7th July 2021 is Protection Fraud Proof against most of the Governing Majority and Opposition Minority.

It is unlikely you know much about the Coronation Oath Enforcement Authority. The Glorious Revolution vested Remedy Powers in the Enforcement Authority. The Citizen has Investigation Jurisdiction. It is the power to give a Confidentiality Waiver and use of any case and all cases for Integrity Tests. They get Remedy Proof for the Authorities or Remedy Denial Fraud Proof against them. The Crown has Prosecution Jurisdiction. The Lord Archbishops have Court Lawyer Jurisdiction, one for the Trial Court, and the other for the Appeal Court. The Lord Bishops have Adjudication Authority. There are 24 of them so that up to 12 can sit as Trial Jurors and up to 12 others can sit as Appeal Jurors. The Politicians made a Dictator Governance Plan for Western Europe. It vested Remedy Denial Fraud Powers in the Cabinet. It used Sabotage Frauds against the Citizen to deny a Reliable Supply of Admissible Evidence for Parliament Session Decisions. The Sabotage Frauds included omission of any mention of the Coronation Oath Enforcement Authority in the Academic Curricula and Profession Qualification Curricula. It got a Dormancy Period for the Coronation Oath Enforcement Authority that lasted 45 years. The People needed Criminal Conspiracy Proof against a serving Prime Minister to revive the Coronation Oath Enforcement Authority. In 2004, the preparations for the European Referenda got Election Fraud Conspiracy Proof against European Leaders including Prime Minister Mr Blair. It enabled a Corruption Notice to the crown and Parliament to revive it. The Integrity Tests require Minimum Publicity for the Crown and Lord Bishops and Controlled Publicity for the Citizen. Corruption Investigations by the Citizen motivate Investigation Targets to find out more about the Coronation Oath Enforcement Authority. Most of them do not get far. Enquiries of the Cabinet, Lord Bishops and Crown get nothing. Enquiries of Diocese Staff get nothing because they know nothing, or know the Lord Bishop needs to avoid a Conflicted Interest because of the need to declare it. Enquiry Failures

satisfy some of the Law Court Judges that the Coronation Oath Enforcement Authority does not exist. It gives them the confidence to create Hearing Audio Records that are Identity Proof and Personal Responsibility Proof for Known Court Frauds.

Law Court Judges manage Ruin Frauds against Citizens. They use Target Spotters. Law Court Judges and Profession Service Agents trade Client Wealth Details for Financial Benefits and Immunity Frauds. Some of the Ruin Frauds used Mortgage Repayment Refusal Frauds, Default Possession Frauds and Auction Frauds. The Possession Case Fees, Sale Fees and Capital Gains are Fraud Benefits.

Corruption Investigations can start at the beginning, in the middle or at the end of an Evidence Trail and work forwards, backwards or in both directions.

An Appointed Representative of the Tenet Group committed Trust Frauds and got Immunity Frauds from Law Court Judges. The Corruption Investigations got Compelling Fraud Proof that trapped Law Court Judges. They could not ignore Immunity Fraud Demands by Organised Criminals, including Financial Service Agents. Court Record Frauds conceal the True Identity of Guilty Judges. It creates the need for Hearing Audio Records that are Personal Responsibility against Identifiable Advocates and Identifiable Judges. The Coronation Oath Enforcement Authority required the Cabinet to get Audio Records. Top Judges used Issue Denial Frauds and Hearing Denial Frauds to avoid Audio Record Proof against them, and sacrificed Lower Rank Judges with Hearing Orders and case Allocations. Some of the Lower Rank Judges had the intelligence to make Adjournment Orders and Case References to the Top Judges. Some did not. The Appointed Representative ignored Negotiation Offers to trade Immunity Terms for Full Disclosure that includes Victim Identities. The Appointed Representative is in Financial Difficulties. The Appointed Representative used an Influence Fraud to get a Genuine Signature from a Vulnerable Adult on a False Financial Entitlement Confirmation. The only credible purpose is Misrepresentations Frauds to Creditors, Financial Service Representative Appointer or Financial Service Authorities.

The Appointed Representative is a Credibility Risk to the Representative Appointer.

Please disclose

1. Whether you agree Case Management that includes a Repeat Immunity Negotiation Offer to discover the Victim Identities and the Entire Process by which Law Court Judges get Client Wealth Details.
2. Whether, and if so when, you wish to involve the State Authorities and Profession Authorities

Mr Sood

You failed to act accordingly with the power of attorney handed to you and I ended up in Court with a claim against myself because you pocketed the sales proceeds and did not sign the TR1 form due to your greed of parking space fees. All you had to do was sell the property and keep the proceeds, but you couldn't even do that properly.

The claim was against me and your power of attorney was revoked. Any claims were settled between Ross Coates and the claimant's litigator. Any fees were to pay for their legal fees. My legal fees and the claim itself including my loss of earnings to handle the case due to your negligence. Any case details are confidential and Revocation of power of attorney was served to you.

If I keep getting continuous treats I too can claim against you and you will end up in prison.

These include:

1. Benefits fraud while claiming widow allowance and yet being married with a second wife.
2. Fraudulent signatures to obtain financial proceeds
3. Financial pressure to sign blank signatures from your children for your benefits.

I have many more to state but this will be more than enough for now.

I suggest to stop all actions in order to prevent this escalation.
 I have returned your £81k letter to Aman as I don't require it and it has been voided.
 You are a shame in the name of a father.

Your POA was revoked and no further details are required to be provided to as the would be breach of data protection.

The Tomlin order also sate no information of the case or Tomlin Order is to be provided to Mr Shampal Sood as he has no legal authority.

STOP YOUR NONSENSE NOW, I WILL NOT CONTINUE TO BE MENTALLY TORTURED BY YOUR THREATS. IF YOU JEOPARDISE ANYTHING AGAINST MY LIVELIHOOD TO PROVIDE A FOR MY TWO DAUGHTERS I WILL FOLLOW THROUGH ON THE ABOVE.

FINAL WARNING.

You are now dead to me like my mother, who you killed due to your infidelity which her poor heart could take. The claim from the negligence case was also meant to go to her children over £100k with which you said you will only take £1.

I can get the evidence of this also as it is in the legal settlement pack. Again Your choice stop of all this and I wont pursue either.

I don't want to receive any further emails from you or your McKenzie friends.

These are not threats but facts, **you are the one constantly threatening me with criminal conviction** threats and fraud claims when you are the one who has done this. I DON'T EMAIL YOU BUT YOU EMAIL ME.

In the eyes of the law, you failed in your responsibility as the POA. Hence your power was revoked. When I asked for help you said you weren't interested.

I saved myself from legal action and had a financial loss of income. Case closed. You are the only one who benefited from all the family property from our mother's death money. The business was a family business which you again would have profited from,

but I didn't work out so easy to say only my loss. You lied to me that the property was sold yet you kept council tax and other bills after being sold doing further fraud in my name even though you pocketed the sales proceeds and didn't rightfully sign the TR1 and hand legal ownership to the new owner.

You never earned any of the money mentioned only from your schemes, my mother's death money, and equity accrued in properties that were never from your earnings, again hard evidence is available. Just because you clicked funds from A to B don't pretend you went out and earned that money and did us a huge favour.

Enough is enough some of us have children to feed and I will do whatever it is to protect them, stop worrying about equity you don't have as you are defaulting on all the mortgages and only the lenders will be winners.

I will not be replying to any further emails any further action will result in my previous email. If I get any more emails I will inform the police that you and Edward (a struck-off lawyer) are harassing me sending me threatening emails.

Yes, you are a useless father who killed my mother and a useless Grandparent. The pain you have given to Vishal, not even an enemy would give to anyone.
