The Remedy Process needs Deterrent Precedents for Remedy Publicity.

Case Management by the Equity Lawyer serviced the need for Deterrent Precedent and Remedy  
Publicity

3rd century The Roman British Gnostic Christians decided the Justice Priority of the People using Objective Reasoning managed by Common Law Methods Method. The Enforcement Obligation is proportionate to Power Possession. It attached Remedy Obligation to Remedy Capacity. It converted the Roman Citizen from Petty Dictator to Justice Agent. Their Marketing Strategy was to provide Free Adjudication Services that enabled Tribe Chiefs to maintain Governance Stability. It popularised Objective Reasoning and got widespread adoption of the Common Law. It serviced the Conversion process from Paganism to Christianity. The Common Law was the Cultural Core of the UK Nations. It survived many Governance Changes. The Power Pendulum swung between the Citizen and a succession of Dictators with the Church aligning itself whoever was the more powerful, and occasionally competed for Dictator Powers.

1689 The Glorious Revolution got the Coronation Oath Enforcement Authority, It governs Parliament Session Powers. The Investigation Jurisdiction of the Citizen is Remedy Initiation Power. The Crown has Prosecution Jurisdiction and the Lord Bishops have Adjudication Jurisdiction. They are Remedy Delivery Powers. They are wholly dependent on the Citizen using Remedy Initiation Power. It enables Corruption Proof to get Dismissal Decisions against Law Court Judges and Prime Ministers. The Enforcement Power of Parliament Session Refusals and Forced General Elections enabled the imposition of Corruption Remedy Conditions in Parliament Session Agreements between the Crown and Prime Minister.

Top Corruption Controls:

The Coronation Oath for Equity Governance using the Common Law

The Corruption Remedy Priorities for each Parliament Session decided by the Enforcement Authority.

General Elections that change Governing Majorities and prevent Power Concentration in Small Minorities

The Glorious Revolution vested Corruption Remedy Initiation Powers in the Citizen.

1956 Suez Scandal forces a Strategy Review by the UK and France. Both chose a Strategic Alliance Priority for Western European States against the Colonies. It forced a choice between Equity Governance on the UK Model and Dictator Governance on the French Model that the other Western European shared because Napoleon had given nit to them.

1957 Dictator Governance Plan for Western Europe. A Co-operation Request by the Politicians got Coronation Oath Release Conditions by Queen Elizabeth II that needed Governance Referenda. It got a Referenda Refusal by the Politicians because it would be an Education Process. It would end with a choice between Dictator Powers for the State and Accountability Powers for the Voter and a Landslide Majority for Equity Governance against Dictator Governance.

A Dictator Governance Fraud Plan by the Politicians used Sabotage Frauds against use of Remedy Initiation Powers by the Citizen. It made inevitable a Power Transfer from Politicians to Crime Partnerships of State Officers and Law Court Judges, and the development of a Protection Fraud Network that provided Support Services and Corruption Co-ordination. They sell Market Frauds to Organised Crime, provide Protection Frauds for the Corrupt Officers who manage them, and trade Glittering Career Guarantees and Job Profits for Fraud Services by Corrupt Parliamentarians.

The Protection Fraud Network had a Costs Control Policy. They used Paedophile Entrapment and Paedophile Framing Frauds to get Blackmail Conditions, and used Appointment Frauds for the Blackmail Victims to get a Reliable Supply of Fraud Services from Key Offices at No Profit Share Cost. Protection Frauds for Celebrity Paedophiles was Protection Fraud Proof for the Key Officers.

1960 The Equity Governance Recovery Plan of the Gnostic Christians needed

Queen Elizabeth II to keep the Coronation Oath Enforcement Authority ready for service and Charles, Prince of Wales, to sustain argue the case for Environmental Protection and Humane Proportionality and create Prince of Wales Trusts for Opportunity Justice in case anyone managed the Citizen Responsibilities

She knew all of the Guilty Individuals in the Bank Group Board and Law Firm. He had not informed anyone the preferred City Fixer was the Father-in-Law of the Step Sister. He knew she would inform the Guilty Bankers and Guilty Lawyers. It was a Settlement Negotiation Test.

The day after the funeral the Step Sister and her Mother, the 2<sup>nd</sup> Wife of the Father, revealed that 2 months earlier they had managed a 2004 Will Fraud for the 2<sup>nd</sup> Wife against the Father's Blood Relatives revoked the Valid 1990 Will. The 20 Year 2<sup>nd</sup> Marriage had discovered a number of times that the 2<sup>nd</sup> Wife did stupid things, met resistance, gave in and needed to be forgiven. The Defence Response from the Equity Lawyer was a Probate Contest. The Step Sister sold use of the Probate Contest to Barclays Bank Group Board and Prime Minister Mr Blair for a Ruin Fraud Conspiracy against the Equity Lawyer.

The 3<sup>rd</sup> Personal Profit Plan of the European Leaders used Prime Minister Mr Blair as Plan Manager. It used the Probate Court Frauds and Bank Frauds to get Illiquidity Conditions and Probate Contest Fraud Cost Enforcement, Taxation Fraud Enforcement and Profession Unfitness Disqualification Costs Fraud Enforcement for a Bankruptcy Fraud, and that to complete the Source Code Theft. Illiquidity Conditions needed the Probate Frauds. The Step Sister was the Probate Fraud Manager. In 2004 the Equity Lawyer had known her for more than 20 years. The 1<sup>st</sup> Extradition Fraud used a Drug Crime Investigation Fraud and an Assistance Request by the Dutch Authorities to UK Customs for the Unprecedented Operation. It needed Armed Dutch Police on UK Soil to supervise the Kidnap Operation against Extradition Fraud Target, who was a British Citizen. Everything that could go wrong did go wrong for the European Leaders. The European Leaders and the Dutch Officers did not know that a complex series of events got Incredible Target Status for the Extradition Fraud Target in Drug Crime Investigations. The Top Police, Top Customs and Top Judges were the Top Drug Dealers. They used the addresses of the Extradition Fraud Target as the Decoy Address in the Carrier Movement Records of Drug Imports. The Unprecedented Operation and Incredible Target Status raised Decoy Address Investigation Suspicions and got a Sabotage Plan by UK Customs against the Unprecedented Operation. The result was a Prosecution Fraud and Imprisonment Fraud by UK Customs against the Extradition Fraud Target who had UK Jury Trial Rights and an Investigation Record that was Innocence Proof for him and Guilt Proof against the Case Investigators. Integrity Tests by the Equity Lawyer got Innocence Evidence Exclusion Fraud Conspiracy Proof against both the Prosecutor and Defender. Prosecution Evidence Disclosure Denial Frauds got a No Case Finding or No Evidence Acquittal and an end to the 2 Months Remand Custody. It was a Local Scandal that had got National News Coverage. The 2<sup>nd</sup> Extradition Fraud used Secret Service Officers as Bogus Telephone Engineers to visit the home of the Extradition Target's Parents and install a Surveillance Device at the connection of the House Line to the Street Line. The Only Credible Explanation for a visit by Genuine Telephone Engineers the next day, or day after that, was an Independent Investigation Initiative.

It enabled a Corruption Notice, that was a Recovery Plan Commitment Notice, from the Equity Lawyer to the Crown and Parliament.. It revived use of the Coronation Oath Enforcement Authority. It got the Corruption Remedy Process.

The Dark Forces At Work Speech was a Recovery Plan Commitment Notice from Queen Elizabeth

A Ringmer Rifle Club had Firearms Storage Facilities. A Membership Notice from the Theft Victim was, in effect, a Firearms Collection Notice. It got a Panic Reaction from Sussex Police. They needed a Theft Discovery Denial Fraud against the Theft Victim. They used a Drug Crime Framing Fraud. They knew he was due to make a Rent Collection Visit to a house. They ensured that no one was in the house, moved a Drug Production Factory into it, waited for him to visit, ring the doorbell, get no response, open the door with his key, enter, and find himself a Drug Raid Target of Sussex Police.

Everything that could go wrong for Sussex Police did go wrong. They did not have time to get Framing Fraud Experts or a Corrupt Search Team. The Search Log of the Honest Search Team was Innocence Proof for the Theft Victim and Framing Fraud Proof against Sussex Police. Search Log use Cross Referencing as an Integrity Control. Cross Reference Inconsistencies reveal Entry Frauds. A Competent Framing Fraud needed a Forged Log by a Corrupt Search Team. The Case Investigator was an Incompetent Framer. He started making Entry Frauds and Cross Reference Entry Frauds. He was not bright enough to stop. It got Entry Fraud Proof on all 31 pages except the first which recorded the Date + Place + Case.

The result was Prosecution Evidence that was Framing Fraud Proof for the Victim. It did not get a Case Dismissal and Contempt Investigation. It got Disclosure Denial Frauds and Case Delays and Defence Case Sabotage Frauds. On the evidence available the Bankruptcy Fraud Profiteers were involved in the Bribery Negotiations that got the Defence Case Sabotage Frauds. Investigation is needed to discover whether it was Routine Business for the Bankruptcy Fraud Profiteers, or Prime Minister Mr Blair required them to pay his share of the Bribery Costs.
