Supreme Court	Fraud Appeal Grounds + Remedy Proposals of Equity Lawyer		27 <sup>th</sup> February 2023

### Stated Reasons

The Citizen, Equity Lawyer, Crown, Lord Archbishops and Lord Bishops have Corruption Control Jurisdictions that govern Parliament Session Powers. They are collectively called the Coronation Oath Enforcement Authority. Since 2004 they have managed a Corruption Remedy Process. It needed the Parliament Session Agreements between the Crown and Prime Minister to include Special Protection that enabled Equity Lawyers to provide Investigation Services for the Remedy Process. It was Prosecution Prohibitions against the Cabinet that prevented Unqualified Legal Service Crimes and Contempt Penalty Enforcement. It enabled Equity Lawyers to provide the Case Management needed to get Fraud Conspiracy Proof against Law Court Judges. Equity Lawyer Mr Ellis provided Investigation Services for the Corruption Remedy Process. He recruited Citizens and provided Case management Services that got Corruption Proof against the State and Profession Authorities, and Remedy Denial Fraud Proof against the Law Courts. The Crown used it for Trial Orders of Corruption Cases against the State and Unfitness Cases against Officers and Authorities. Corruption Proof got Corruption Findings, Remedy Entitlement Findings, Remedy Priority Findings for investigations to discover who was responsible and Dismissal Decisions against Law Court Judges with Execution Responsibility by the Cabinet. Dismissal Failures were Protection Fraud Proof against the Cabinet. The Default Penalty was a Dismissal Decision against Prime Minister Mr Johnson. Dismissal help Requests by Governing Majority Back Benchers got Help Refusals by Opposition Leader Sir Keir Starmer. In 2012 a Corruption Investigation got Protection Fraud Conspiracy Proof against him when he was Director of Public Prosecutions. The Cabinet and Opposition leader made a Protection Fraud Concealment Plan for themselves and Exposure Plan against the Judiciary. Revenue Termination Blackmail by the Cabinet and Big Business got Protection Fraud Non-Disclosure Propaganda Services by the BBC and Independent Media. Court Record Frauds created a need for the Remedy Process and Exposure Plan to get Case Process Denial Fraud Proof against Supervision Judges, and Audio Record Fraud Proof against Hearing Judges. The 2020 0186 Case Reference to the Cabinet dated 15<sup>th</sup> November 2021 is Protection Fraud Call Proof against the Supreme Court. Equity Lawyer Mr Ellis used Court Cases for Election Integrity Tests. They got the J00RM833 Issue Fraud + Dismissal Fraud + Restraint Conspiracy Fraud and 2022 002595 Dismissal Fraud and Restraint Renewal Fraud. Claim 2022 003098 got a Forced Hearing Audio Record that is Protection Breach Contempt Fraud Proof + Bias Fraud Proof. Fraud Appeals 2022 002522 and 2023 000127 + 000128 got Remedy Denial Fraud Proof against the Court of Appeal. Case Management by the Equity Lawyer got Framing Fraud Proof and Crime Business Proof for the Remedy Process and Exposure Plan. The Common Law makes Remedy Jurisdiction an Absolute Requirement for Legal Entity Status. It overrides the Remedy Jurisdiction Omissions or Remedy Jurisdiction Limits of Legal Entities that are defined by Regulation and Statute. A Remedy Jurisdiction Denial or Appeal Permission Refusal would complete the Corruption Proof Set against the Judiciary and Law Courts.
