Royal Commission + Contempt Fraud Appeal + Contempt Log

Androulla, Georgio, Marinos, Sophia and Andreas,

Thank you for the Case Log Help Request from Marinos. Good Case Logs are Case Management that gets Readiness Proof for All Possibilities. The Remedy Process achieves Confidence Transfers from the Protection Fraud Network to the Citizen. Co-ordinated Case Management by Victim Groups achieves a Confidence Transfers for All Members of the Victim Group against the Protection Fraud Network

The Witness Statements of Andreas and Marinos was Co-ordinated Management Proof for Androulla and them. It got the Co-ordinated Management with Antonakis. All of it influenced Georgio. The Protection Fraud Network used the Father for Influence Frauds against the Children. A Case Log from Georgio will be Influence Fraud Evidence against the Father and Protection Fraud Network.

It is a Big Task. It needs to start with the emails. My method is Get Email + Print + Cancel Print + Copy All and then use a Word Document for Paste + Redundant Content Removal.+ Chronological Content Ordering. The Log Label needs changing to show [the Latest Entry Date] YYYY MM DD from [the Earliest Entry Date] YYYY MM DD. It ensures the Folder will put them in Date Order.

Georgio can start with the Georgio Emails May + April 2021 and Marinos can help with the Georgio Emails March 2021. They can complete the Short Period Logs and then combine them into a Long Period Log. The Log Label will reveal the Log Period. It does not need everything. It needs the Email Exchanges between Georgio v Father and Georgio v State Officers and State Agents. It will be helpful to distinguish between things Georgio did under their direction and the things he did on his own initiative.

The Credibility Presumption for Marinos and Andreas enabled them to make Witness Statements. The Incredibility Presumption against Georgio makes it necessary to discover everything that Opponents could use for Testimony Discredit Purposes. It is Personal Records Weaponising by Gergio for him and the Victims against the Father and Protection Fraud Network. A Thorough Job will get a Presumption Reversal for him and they will not dare to challenge his evidence. We will use the Case Log for a Witness Statement by Georgio. We will use it for Case Management Taunts against them. I suspect Email Deletions lost some of the best evidence before Georgio knew how valuable it was. If so, we make the best of what there is.

The Updated Log includes the Royal Commission Email sent 95 minutes ago. You will see the use of it for the Divorce Property Adjourned Hearing. I forgot to add Barnet Family Court. I will send them the Email + Replies PDF later today. Edward

I am preparing the 01 YE 15441 23 Recorded Interview Issues Notice + Conflicted Interest Disqualification Notice for Antonakis at Wood Green Station on Wednesday. It will use the 3 Framing Frauds Efforts in the Shop Theft Case that got Termination Decisions, one by a Crown Court Judge and 2 by Senior Police Officers who allow Recorded Interviews of the presentation of Court Fraud Proof against Top Judges. It will use the Protection Frauds for Mr Seton by the Metropolitan Police and the Judiciary. He is a Professional Thug for the Kenneth Noy Crime Gang. They provide Thug Services for Top Judges in the Protection Fraud Network. The value of all of those cases is that after the Framing Fraud Termination by the Crown Court Judge none of the Senior Police Officers dare service the Framing Frauds. The Protection Fraud used a Witness Exclusion Order by Top Police top the Case Officer. A Confidence Collapse got a Re-Investigation Request by Crown Prosecutors. The Case Officer asked me to get a Witness Statement from the Excluded Witness. It gave the Case History + Event Facts + Immunity Negotiation Advice to get Full Disclosure how he got the Protection Frauds from the Judiciary. It got an immediate Case Withdrawal that completed the Protection Fraud Proof against the State and Judiciary. Perjured Evidence by the children got a Parental Unfitness Framing Fraud against Androulla. Later, Perjury

Tony katsiaounis, my father is repeatedly breaching bail conditions by constant communication with the children and no action taken against him.

Yesterday he was speaking on phone to Marinos and I could hear it clearly.

Today Tony has gotten Marinos to meet him at the Hippodrome Casino, Leicester Square and they will be there either at 8pm or hit later if they eat first. Whichever, they will be placed together there tonight as he is intent on corrupting the children.

Please take action to attend and make an arrest or take the cctv with the evidence.

This blatant failure of pace means he is free to carry on. Androulla Theodorou

Marinos's number is I think 07516 460094. It is obviously pointless to take action after the event and after ythe breach of bail.

But if you check the phone log there will be ample breaches of bail itemised on the children's phones.

Edward Ellis is an equity lawyer and I know of him, yes. Regards Androulla Theodorou

Divorce case Form A 16871677415307219

see attached the directions hearing notice for 5th July with HHJ Jacklin KC at Central Family Court but they are trying to prevent it to be in person and instead online unless I get a confirmation from the Judge. She promised for in person but the admin did not reiterate her intention.

see sealed court order from 14 Feb directions hearing. Respondent, Marinos snr. failed to comply with the order but they allow him to make repeated cntempt of orders.
