 - 5.6. Judicial Office Appointments Prohibition pending Corruption Remedies for the Beneficiary against Cabinet
 - 5.7. Contempt Remedy Directions Hearing in Royal Court 73 at noon on January 2024
Stated Reasons
6. Fraud Appeal of the Trust Beneficiary is one of a series that serviced Corruption Investigations. They got Protection Fraud Proof against the State, Profession Authorities, Law Courts, Cabinets and Parliaments.
7. The Coronation Oath Enforcement Authority has Corruption Remedy Jurisdictions that govern Parliament Session Powers. They manage the Professional Authority Responsibilities for Parliament. They use the Corruption Remedy Proof Standard. It is Official Records that are Justice Proof for Honourable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. The Citizen has Investigation Jurisdiction. It is the power to give Management Authority for the use of any case and all cases to service the Justice Priority of the People before the Personal Priority of the Citizen. It enables use of cases for Integrity Test that get Corruption Remedy Standard Proof Sets. They get Justice Proof for Honourable Officers or Corruption Proof against the State and Profession Authorities and Remedy Denial Fraud Proof against the Law Courts. The Equity Lawyer has Integrity Test Management Jurisdiction. It requires the competence and commitment to provide the Judgment Services needed for Integrity Test to get Corruption Remedy Standard Proof Sets. The Crown has Prosecution Jurisdiction. It is the power to use Corruption Remedy Standard Proof Sets to make Trial Orders for the Parliament Session Court of Corruption Cases against the State and Unfitness Cases against Officers and Authorities. The Lord Archbishops serve as Court Lawyers, one for the Trial Court and the other for the Appeal Court. The 24 Lord

Trust Fraud Remedy DRAFT Application or Court Motion Orders

20th December 2024

Bishops provide up to 12 Trial Jurors and up to 12 others as Appeal Jurors. When they are busy they can provide 2 Trial Juries of 8 and 1 Appeal Jury of 8. The Corruption Remedy proof Standard eliminates the need for Witness Attendances, Credibility Findings and Personal Case Presentation by the Crown. It enables a Trial Order to get a Trial Verdict in 7 days and an Appeal Decision in 10 days. Corruption Proof gets Corruption Findings, Remedy Entitlement Findings, and a series of Remedy Priority Findings for investigations to discover who is responsible and then Remedy Delivery. It needs Dismissal Decisions against Top Judges by a United Parliament, Victim Identification and Case Remedies. A Dismissal Failure is Protection Fraud Proof against the Cabinet. The Default Penalty is a Dismissal Decision against the Prime Minister. A Dismissal Failure is Protection Fraud Proof against Parliament. The Ultimate Sanction is Forced Remedies. They need Imprisonment Fraud Proof against the Judiciary and use of it for is a Parliament Session Refusal and Forced General Election with Mass Publicity for the Corruption Proof, Remedy Denial Fraud Proof and Protection Fraud Proof. It increases the Retirement Rate of Governing Majority MPs and gets a Power Transfer to a New Governing Majority. The process continues until it gets Remedy Delivery.

8. The Trust Beneficiary used Medical Negligence Damages to buy Residential Property for a Family Trust with his 2 Older Sons as Trustees. He helped them become Financial Service Professionals. They sold Client Wealth Details to Ruin Fraud Managers, committed Trust Frauds against the Beneficiary, committed Tax Frauds against the State and got Protection Frauds from the State, Law Courts, Cabinets and Parliaments.
9. In 2020 the Father discovered the Coronation Oath Enforcement Authority. He gave use of his cases to the Corruption Remedy Process they manage. They used the Fraud Proof Sets got by him and others for Forced Remedies. In 2023 they used Imprisonment Fraud Proof against the Judiciary to get Corruption Exposure Publicity in UK and an International Agreement for Remedy Enforcement against Fraud Profiteers at the G7 December Summit. In 2024 it enabled Corruption Exposure using the Post Office and Health Scandals with Fraud Damages. It got an increase in the Retirement Rate of Governing Majority MPs, an Incredible Choice and Split Conservative Values Vote that enabled a Minority Vote to get a Landslide Novice Governing Majority led by Sir Keir Starmer. The Cabinet thought they had a 5 Year Parliament and a Landslide Legacy that would keep them in office much longer. They did not know that Protection Fraud Proof was Admissible Evidence for Unfitness Cases against them. The 2024 Parliament Session Grant contained Corruption Remedy Conditions. They required the Mass Release of 20,000 Political Prisoners. Use of the Overcrowding Reason instead of the Imprisonment Fraud Reason and Release Priority for Guilty Criminals instead of Political Prisoners was Session grant Breach Proof. It validated an Unfitness Case against the Cabinet with the Support Evidence of Protection Fraud Proof got against them when they were Opposition Leaders. It got a Corruption Finding and Remedy Priority for an Integrity Tests of the State and Law Courts. It used Mass Publicity for the Cabinet Bribery Scandal in the 12th week after the General Election. It was Effective Notice Proof against the Judiciary before Test Cases got Remedy Denial Fraud Conspiracy Proof against All Judges and Enforcement Fraud Proof against Guilty No Hoppers and Career Blackmailees. The Test Set-Up Conditions were use of Investigation 01YE1544123 for Production Demands by the Accused for Corruption Proof as Defence Evidence that got Case References from the Investigator via Commissioner Rank Police to Home Secretary and Prime Minister, use of 01YE1544123 Test Case Additional Evidence Notices that got Case References to Commissioner Rank Police and the Cabinet, Royal Commission Emails from Equity Lawyer Mr Ellis and Test Case Notices as Forced Remedy Notice Proof for the People against the Cabinet and Parliament and use of Mass Publicity for the Cabinet Bribery Scandal in the twelfth week after the General Election as Forced Remedy Notice Proof for the People against the Judiciary.
10. All Test Cases got Remedy Denial Fraud Proof against the Law Courts and Enforcement Fraud Proof against Guilty No Hoppers. The Trust Fraud Remedy Case B01B0837 + PT 2024 000393 Applications + B01B837 + CH 2024 000292 Appeals were especially useful. The Fraud Damages are Revenue Denial Frauds + Asset Thefts that did more than £2,000,000 Loses to the Father and Taxation Frauds that did Unquantifiable Damage of Tax Losses + State Benefit Costs to the State. The Cabinet has Tax Enforcement Powers. A Taxation Enforcement Failure by the Cabinet is Remedy Denial Fraud Proof for the Citizen Father, State and People against Cabinet Officers.
