#### REASONS

The Coronation Oath Enforcement manage a Corruption Remedy Process. It needed Personal Responsibility Proof against Identifiable Individuals for Known Court Frauds. Test Cases got it. Corruption Remedies needed the Child Prostitution Scandal to get a United Electorate and Forced Remedy Commitments from All Candidates and a Remedy Obligation for the People against whoever gets a Governing Majority. The Test Cases will get Voluntary Remedy Proof for the Law Courts or Reme4dy Denial Fraud Proof against them. The Worst Humiliation for the Judiciary would be Remedy Denial Fraud Proof against them and then Voluntary Remedies by the Cabinet and Parliament.
