The Western European Dictator Governance Plan vested a Remedy Power Monopoly in the State. In every Member State of the European Union the Politicians lost control to Crime Partnerships of State Officers and Law Court Judges. They developed Protection Fraud Networks to provide Support Services and manage Co-ordinated Corruption. The Network had National Crime Businesses managed by Top State Officers and Law Court Judges. The Networks had a Cost Control Policy. It used Paedophile Entrapment and Paedophile Framing Frauds to get Blackmail Victims and Office Appointment Frauds for Blackmail Victims to get Reliable Fraud Services at No Profit Share Cost. Protection Frauds for Celebrity Paedophiles were Power Boasts that deterred Blackmail Victims attempting to negotiate Immunity Deals in exchange for Full Disclosure. In 2004 the preparations for the European Elections got Election Fraud Conspiracy Proof against European Leaders. The Lawful Business of UK Citizens made inevitable exposure of the Election Frauds before the European Referenda in 2005. European Leaders made an Election Fraud Concealment Plan. It used Sabotage Frauds against the Lawful Business. They were Drug Crime Framing Frauds against two Business Managers and Extradition Frauds against one of them who was a UK Citizen. Everything that could go wrong for the European Leaders did go wrong. The UK and Netherlands did not have an Extradition Treaty or time to make one. They used Armed Dutch Police on UK soil to supervise UK Customs and Kent Police committing a Kidnap Extradition Fraud against the UK Citizen. The European Leaders and Dutch Investigators did not know that complex events got Drug Investigation Incredible Target Status for the UK Citizen. They did not know that the Network National Drug Crime Business was managed by Top Police, Top Customs and Top Judges, and they had used the UK Citizen's Address as the Decoy Address on Carrier Movement Records of more than 70 Drug Import Shipments. If anything went wrong, the Incredible Target Status would ensure Decoy Address Enquiries would get Dead End Results. UK Customs knew that all EU States had used Kidnap Extradition Frauds. This was the first Joint Kidnap Extradition Fraud by two EU States. They did not believe that is what it was. They had a Drug Import Consignment in transit with Carrier Movement Records that used the Decoy Address. They knew a Drug Crime Complaint by the UK Citizen got the Incredible Target Status. They thought he had discovered the Decoy Address Usage, reported it to Dutch Authorities and was assisting a Decoy Address Investigation. They got news Coverage for a Big Drugs Bust and International Co-operation and took control of the investigation. The UK Citizen was in as UK Prison with Jury Trial Rights and an Investigation Record that was Innocence Proof for him and Guilt Proof against the Investigators and Prosecutors. The European Leaders made the second Extradition Fraud Pla. It got Immunity Frauds for the Top Drug Dealers, Extradition Fraud Services for the European Leaders, a Network Crime Profit Share for Prime Minister Mr Blair, Cabinet Control for the Protection Fraud Network, Revived Active Service for the Coronation Oath Enforcement Authority and a Corruption Remedy Process for the People. The Remedy Process has continued ever since. It has reached the Forced Remedy Stage. It needs Precedent Cases that link Sex Crimes with Profit Crimes and Protection Frauds that use Justice Process Contempt Frauds to set Penalty Standards with Aggravation Uplifts and Mitigation Relief.
