

Royal Commission Remedy Co-operation Request from the Equity Lawyer to Librarians

From: Equity Lawyer Mr Edward Ellis, 15 Portreath Place, Broomfield Chelmsford CM1 4DL
07788371717 + <edward.w.ellis@gmail.com>

To: All Librarians

REASONS:

1. World Leaders have made a Corruption Remedy Agreement. It needs Advanced Electronic Signature Services. In the UK it needs LIBRARY BUDGET INCREASES to deliver them. Mass Resistance from Vested Interests is getting a Slow Remorseless Progress. For Remedy Management. It is in the best interests of everyone know what is happening.
2. State Librarians can help. They have three advantages.
 - 2.1. High Literacy and Communication Skills.
 - 2.2. Few, if any, have Joint Liability for Child Prostitution Protection Frauds. The Coronation Oath Enforcement Authority manage a Corruption Remedy Process. It used Parliament Enquiries to get Notoriety Knowledge that Drug Sales get Protection Frauds, that includes Child Prostitution, from Police Officers, Law Courts, Cabinets and Parliament. Willing Witnesses got priority for the Rotherham Scandal. The Remedy Process needed a Criminal Investigation into Old Protection Frauds and Compelling Proof of New Protection Frauds. The Remedy Process got a Criminal Investigation into the Rotherham Old Frauds. The Blackmail Statement dated 14th October 2024 of the Decent Father got Compelling Proof of New Child Prostitution Protection Frauds. It alleged that Science Teacher Mr Benjamin Koomson is a Drug Wholesaler who provides Money Laundering Services for Local Judges and Local Police. He prostituted the Chronically Immature Mother, Ms Laetticia Mukasa, and use her to prostitute the 14 -Year - Old Daughter. Under Age Sex Questions by the Decent Father, Mr Akwasi Nkrumah, motivated Blackmail by the Immature Mother that used Rape Complaint Fraud Threats to deter the Under Age Sex Questions. The Blackmail Statement as Additional Evidence in the Rape Framing Fraud Investigation 01YE1544123. It got Recorded Interview Refusals and Case References up the Command Chain. No one dare get an Audio Record of Production Demands for Corruption Proof as Defence Evidence that got Production Failures that were Fraud Proof against the Investigator, or Production Demand Failures that were Fraud Conspiracy Proof against the Investigator and Defender. The Commissioner Ranks used it to get Child Prostitution Protection Fraud Proof against Home Secretary Ms Yvette Cooper and Prime Minister Sir Keir Starmer. In January 2025, the US Presidential Elect Team and UK Opposition Leaders used the Child Prostitution Protection Fraud Scandal to get Blackmail Conditions and extortion of Remedy Co-operation Commitments from the cabinet. It needed Dismissal Executions against the Judiciary on or before Monday 14th August 2025 by Parliament, Victim Identification and Case Remedies. It required a Trial Listing on Thursday 17th July 2025 of the Assault + Criminal Damage Framing Fraud against the Decent Father. It was chosen because the Event Video was Contact Avoidance Proof + Assault Innocence Proof + Personal Injury Fabrication Proof + Goods No Damage Proof + Criminal Damage Fabrication Proof for the Decent Father against the Framing Fraud Conspirators. A Dismissal Success would get us of it for a Corruption Finding + Remedy Precedents + Mass Publicity. A Dismissal Failure would get use of it for a Case Collapse. Trial Day 1 got Testimony Refusals by 6 out of 7 Event Witnesses and Investigator Production Failures by the Prosecutor. The Cabinet needed to stop the Case Collapse becoming a Network Collapse. On Trial Day 2 they required Fraud Commitment Proof from the State before the Protection Fraud Supply. That day it got 01YE1544123 Charge Fraud sent by Postal Service against Mr Antonakis Katsiaounis and a Complaint Reference Number Notice from Enfield Council to his daughter, Mrs Androulla Theodorou, in response to a Legal Action Notice she had sent months earlier. On Trial Day 3, the Trial End got an Arrest Fraud against Mr Nkrumah, Custody Frauds and Imprisonment Frauds ever since. He is Prisoner A6885DP of Wing C 4.19, Pentonville Prison N7 8TT. Oppression Frauds by the Prison Authorities and Integrity Tests by him got Fraud Proof against the Prison Authorities. They do not know what to do. He asks Political Prisoners to use their cases for Integrity Tests of the Defenders, Prosecutors, Adjudicators and Enforcers. On 8th August 2025, the Remedy Process forced transfer of the Criminal Investigation from South Yorkshire Police to the Serious Crimes Squad. The Romford Scandal Officers need Ice Breaker Service to get Immunity Deals.
 - 2.3. Ice Breaker Services + Budget Enquiries have Zero Risk for Librarians
3. Advanced Electronic Signatures have two components. They are Behaviour Identification Analysis for Computer User Identification, and Internet Services for Document Management using Signature Attachment and Signature Verification. In 1998, UK Citizens completed development of the Behaviour Identification Analysis Technology. The choice for Market Access was the High Internet Usage of the US or the Post Office of the UK. The Technology Controller chose the UK. In 2003, another UK Citizen developed, and owns, the Internet Document Management Service. Business Sabotage Frauds by the Protection Fraud Network against the Technology Controller and Technology Owners included Sabotage Frauds against the Post Office, and then Ruin Frauds by the Post Office against Post Master.
