The Post Office Horizon IT Enquiry chair was Sir Wyn Williams. Advanced Electronic Signatures needed Writing Analysis Technology for Computer User Identification, and an Internet Service for Document Management + Signature Attachment + Signature Document Verification. In March 1998 the Equity Lawyer and a Partner completed development of Writing Analysis Technology. The Equity Lawyer had 50% Copyright + 100% Marketing Rights + 100% Creditor Control. Market Access needed the High Internet Usage of the USA or Universal Deliveries of the Post Office and Royal Mail of the UK. The Equity Lawyer wanted the Business Priming Profits for the UK. Technology Success Reports from the Secret Service motivated a Personal Profit Plan by Prime Minister Mr. Blair and European Union Leaders. It required Copyright Theft, Forced Usage throughout the EU and Usage License Fees for Theft Conspirators. Prime Minister Mr. Blair was the Plan Manager. He needed a Theft Agent. The UK Secret Services made Usage License Fees for the UK State a Theft Condition. It defeated the purposes of the Personal Profit Plan. He used Barclays Bank Group Board as the Theft Agent. They used Bank Officers. They did it badly. The process got Theft Conspiracy Proof for the Equity Lawyer against the Bank Officers, then the Group Board, then the Bank of England and Prime Minister Mr. Blair. The Personal Profit Plan needed a set of Competition Sabotage Frauds. They started with Business Sabotage Frauds against the Post Office. It was the Forced Transfer of Account Management Business from the Post Office to the Clearing Banks. The Theft Failure motivated the use of a Bankruptcy Fraud Conspiracy against the Equity Lawyer to get control of his Technology Rights. The Theft Conspirators used a Complex Series of Ruin Frauds to conceal their involvement. They used people the Equity Lawyer had known for decades as Ruin Fraud Agents. They gave themselves away at every stage of the process. It got a Complete Set of Ruin Fraud Conspiracy Proof for the Equity Lawyer against Prime Ministers, Mr. Blair and Mr. Brown and their Cabinets. It created the need for Horizon IT Frauds to prevent use of the Post Office to get Market Access for Advanced Electronic Signatures. The Entire Case History was Relevant Evidence for the Post Office. In June 2007 the Seal Collection Visit by Prime Minister Mr. Brown got Sessions Grant Conditions Briefing from Queen Elizabeth. She explained the Corruption Proof got by Mr. Hoath and the Equity Lawyer. Protection Frauds for the Judiciary needed a Surprise General Election that got a Coronation Oath Enforcement Fraud Dissolution Mandate. Prime Minister Mr. Brown required Bankruptcy Frauds against the Equity Lawyer as Fraud Commitment Proof from the Judiciary. It got a Secret Hearing by the High Court. A Surprise Appearance of the Equity Lawyer and a Confidence Collapse by Justice Mr. Wyn Williams and Case Adjournment. The Remedy Failure was a Remedy Denial Fraud against the Equity Lawyer and an Enabling Fraud that got Joint Liability for Justice Mr. Wyn Williams for All Subsequent Frauds against the Equity Lawyer. It was a Conflict Disqualification against him from Judicial Office and Parliament Enquiry Office. It was a Fraud Commitment Failure by the Judiciary. Media Mogul Mr. Murdoch used it for Corruption Exposure Threats that supported Blackmail Demands. It got a Confidence Collapse by Prime Minister Mr. Brown. He stopped the preparations for the Surprise General Election and signed the Parliament Sessions Grant. He had no hope of performing the conditions. The Enquiry Appointment Frauds got Cri9mke Proceeds Status for the Enquiry Revenue and Fraud Profiteer Status for Baroness Hallet and Sir Wyn Williams.
