Error Apology if I sent two pages one of pages 1 and 2 the All-Defenses Case Proposals dated 13th February 2026. If so, you can access it at the equitygovernance.uk website.

Signed for Delivery needs a Post Code. The Post Office Master could not find one for Wood Farm. That is why the Case Management Service Offer dated 13th February 2026 to you was sent by Ordinary Post, but the Courtesy Notice to King Charles was sent by Signed for Post.

Grateful Thanks for the Pub Appearance Publicity and anything else that can help others with Confidence Recovery.

The Remedy Process needed Research Investigations to discover the structure and strength of the Protection Fraud Network and then Remedy Delivery. Remedy Research did not need Confidentiality Waivers + Privilege Waivers + Priority Waivers with Jurisdiction Deficit Case Limit to get Jurisdiction Deficit Case Citizen Status. The reason is that there ser so many Corruption Victims who could give Waiver Sets for All Cases.

Remedy Delivery is different. It needs Rapid Confidence Recovery by anyone who can service the Remedy Delivery. Some of the people who have a lot to offer have Actual Liability and Potential Liability. It needs Best Advice that:

1. They give a Confidentiality Waiver + Privilege Waiver + Priority Waiver with a Jurisdiction Deficit Case Limit to get Jurisdiction Case Only Citizen Status.
2. They make a Liability Case Negotiations Offer for Immunity Terms + Remedy Clemency
3. They provide the Coronation Oath Enforcement Authority with Commitment Proof
4. They get Internet Publicity for the Jurisdiction Case Only Citizen Status + Liability Case Negotiation Offer
5. They give Advance Notice + Public Notice that an Arrest Caution will get:
 - 5.1. A Priority Claim for the Corruption Case of the Citizen against All Cases of the State
 - 5.2. A Production Demand for Identified Corruption Proof as Defense Evidence
 - 5.3. A Notice that the Internet Publicity is to prevent Caution Response Denial Frauds + Evidence Destruction

Polite Request that you and Ms. Maxwell serve the Corruption Remedy Process and the World War III Peace Plan by setting Joint Negotiation Precedent:

1. With intent to get Immunity Terms for both on Remedy Co-operation Terms that include Full Disclosure, and
2. With intent to use Scandal Notoriety to inspire Fraud Managers + Fraud Beneficiaries + All Others with confidence to assist destruction of the Protection Fraud Networks that manage Endemic Corruption get Corruption Remedies and service the World War III Peace Plan.

The enclosed World War III Peace Plan + Test Case State + Remedy Delivery Priorities + Immunity Negotiation Precedent Advice dated 16th February 2026 is designed to assist.

Polite Request that you access the equitygovernance.uk website to inform yourself and ask for anything you need.

Please Note that I might not have time to post this today because the Royal Commission Email has priority, Limited Internet Access at home creates the need for me to use the City Library, and I must leave now.
