

Remedy Delivery needs Jurisdiction Limit Enforcement + Liability Immunity Negotiations

1. Confidentiality Waiver + Privilege Waiver + Priority Waiver subject to a Conflict Jurisdiction Deficit Defense Case Limit from the Jurisdiction Defense Citizen [insert] for the People.
2. Negotiation Offer for Liability Case Waivers in exchange for Liability Case Waivers in exchange for Liability Immunity or Liability Clemency from the Jurisdiction Defense Citizen to the Coronation Oath Enforcement Authority

Reasons

3. The Protection Fraud Network is managing Sabotage Frauds against Corruption Remedies. They include Mass Propaganda Frauds against Corruption Controls in the UK and USA
4. About 3,800 years ago the Hebrews developed a Common Law for Justice Management by Tribe Leaders for Tribe Members and Peace Management for 12 Tribes. By so doing they created National Powers. Ever since the Hebrews and everyone else have tried to get Just Management of National Powers. They have tried Power Pooling by nations that create Sovereign States and Sovereign Federations. They find it easier to get Power Increases than Effective Controls.
5. At every scale of organization, Effective Controls need an Evidence Balance that starts with a Validity Presumption for the Citizen against the State and a Credibility Presumption for the Authorities both of which are subject to Rebuttal Proof Positive. Corruption Cases got Validity Presumption Denial Fraud Proof + Credibility Rebuttal Proof for the Victim and People against the State. Effective Remedies needed enforcement of the Validity Rebuttal Proof Obligation in All Cases. It needed Self-Incrimination Refusal Powers for everyone against the State. In the UK, the Priority Right for the Corruption Case of the Citizen against All Cases of the State gets Rights Enforcement for the Individual against the State. Jurisdiction Limit Breach Claims and Jurisdiction Deficit Defenses enforce the Self-Incrimination Refusal Right. The USA Constitution 5th Amendment created a Self-Incrimination Refusal Right. It is a Validity Presumption Rebuttal Obligation Enforcement Power for the Individual against the State.
6. In 2004, Top Level Corruption Proof validated a Corruption Remedy Process by the Coronation Oath Enforcement Authority. In 2006, it got a Forced Resignation from Prime Minister Mr. Blair and a Leadership Contest. Corrupt Deals got Support Votes for Candidate Mr. Brown and Cabinet Office for Network Agents. Top Network Agent Mr. Peter Mandelson used Cabinet Office to manage Business Expansion Plans. One was Blackmail Fraud Business. Corrupt Deals got a Minimum Sentence Protection Fraud for Convicted Pedophile Mr. Epstein in exchange for Fraud Services for the Blackmail Business of the UK Protection Fraud Network.
7. In 2019, Corruption Proof got a Forced Resignation from Prime Minister Mrs. May and a Forced Winter General Election. The Protection Fraud Network made a Defense Plan. It needed Blackmail Powers against the Crown. The 1st Blackmail Effort used USA Criminal Investigation Threats + Protection Fraud Promises + Incrimination Demands against Prince Andrew got Incrimination Refusals by Sex Criminal Ms. Maxwell. The 2nd Blackmail Effort used Exploitation Civil Claim to get Ruin Conditions against Prime Andrew and Blackmail Conditions against the Crown that got Blackmail Submission Refusals + Remedy Process Services from Queen Elizabeth and King Charles. They used the Prince Andrew Scandal to serve the Corruption Remedy Process. It needed International Support to destroy the Protection Fraud Network. The 2023 Peace Plan Agreements got the International Support.
8. In January 2025, US President Elect Mr. Trump helped the UK Opposition Leaders use the Child Prosecution Scandal extort Remedy Delivery Commitments from the UK Cabinet. They were Commitment Frauds. Their Absolute Priority was Epstein File Concealment. They made Lord Peter Mandelson the Concealment Manager and gave him the office of UK Ambassador to the USA. Soon afterwards, a Corruption Exposure Briefing by Ambassador Lord Mandelson was that the Epstein Scandal is Sex Crimes + Minimum Sentence Protection Frauds + Blackmail Fraud Business with Manager Status for UK Top Politicians and Customer Status for Top Financiers who were Trump Campaign Contributors + Anything Else. It got a Policy Change from President Trump from File Exposure to File Concealment.
9. Response Refusals and Self-Incrimination Refusals got Rights Use Criticism against Mr. Mountbatten Windsor and Ms. Maxwell by Network Politicians and Network Media Managers instead of Rights Use Respect + Remedy Co-operation Negotiations with them to manage Corruption Remedies against the UK Cabinet and US President.
10. The Remedy Process needs Jurisdiction Breach Contempt Remedy Claims + Conflict Jurisdiction Deficit Defenses + Immunity Negotiations + Clemency Negotiations by Individuals who have Actual Liability or Potential Liability to set Remedy Management Precedents for Peace Plan States. The cases of Mr. Mountbatten Windsor and Ms. Maxwell demonstrate the need, in some cases, to consider Joint Negotiations for Immunity + Clemency.
