Note: In 2023, the World War III Peace Plan got Test Case Status for the UK, Test Manager Status for the Coronation Oath Enforcement Authority and Adverse Criticism Rights for Peace Plan States. The Crown have a Credible Neutrality Obligation. It needs Adverse Criticism Risk Control. It is a Well-Established Convention that Equity Lawyers take the Adverse Criticism Risk. Equity Lawyer Mr. Ellis has Sole Responsibility for the Impeachment Proposal.

Questions of the Epstein Victims, Victim Representatives and USA Senators

Impeachment Validation Questions

1. Do you know the process that in 2023 got the World War III Peace Plan for Democratic States, and how it got Peace Plan Sabotage Proof against USA President Mr. Trump?
2. If not, do you want an Impeachment Case Briefing and Management Plan Proposals?

Impeachment Validation Explanation

1. The Impeachment Case against President Mr. Trump will need Good Management. It needs a clear understanding of the Constitutional Imbalances in the UK and USA. They are Resourcing Deficits for the Justice Agents who manage the Top Corruption Controls. The UK Top Corruption Controller is the Coronation Oath Enforcement Authority. The USA Top Corruption Controller is the Senate. The Dictator Power Delusions of US President Mr. Trump makes it dangerous for the US Citizen to make the Impeachment Proposal. It creates the need for an Impeachment Proposal by the UK Citizen. It is Common Practice for Corrupt Officers to use Understanding Denial Frauds and Question Frauds for Remedy Denial Frauds. Exposure Management against Corrupt Officers needs Explanation Documents that force the choice between Remedy Co-operation or Blatant Fraud Enforcement. The Impeachment Validation Explanation is not exhaustive. It is a Remedy Management Tool for anyone who wants to achieve a Just World Order.
2. The UK Top Corruption Controller has a Quality Control Advantage. It is Strict Legal Processes that get Good Decisions. It has Management Disadvantages. One is the Investigation Status of the Legal Processes. It needs Discrete Management and a Publicity Limit. Corruption Remedies need Research Investigations into the structure and strength of the Corruption Manager. They need use of Remedy Enforcement against Junior Officers for Office Fitness Investigations of Senior Officers all the way up the Accountability Chain. It denies the Top Corruption Controller use of Mass Publicity until Dismissal Execution against Top Officers by Parliament. Another Management Disadvantage is the Dictator Governance Plan for Western Europe used Sabotage Frauds against Leadership Competitors. The Sabotage Frauds against Religious Leaders was Sex Crime Investigation Denial Frauds. The intent was Reputation Ruin Damage. The Sabotage Frauds against the Coronation Oath Enforcement Authority was Evidence Frauds and Education Frauds. The Evidence Frauds were Judgment Service Penalty Frauds against Regulated Lawyers. The Penalty Frauds were Disqualification Frauds. It denied the Practice Experience needed to develop the Judgment Service Skills needed to qualify as an Equity Lawyer and manage Integrity Test that get Admissible Evidence for the Top Corruption Controller. The Top Corruption Controller needs the Law Profession to provide enough Equity Lawyers to staff the Judiciary, service the Crown and provide 1 Equity Lawyer for every 100,000 of the population to serve the Citizen. Ruin Frauds against the Citizen get the Best Evidence for the Top Corruption Controller. The Absolute Priority is getting Best Evidence. It creates the need for Equity Lawyers to provide Charity Services for Citizens who are Ruin Fraud Victims. Education Frauds denied any mention of the Top Corruption Controller in Academic Curricula and Profession Qualification Curricula. The intent was that everyone forgets it exists. On the evidence available about 200 people, mostly men, prepared themselves to qualify as Equity Lawyers, service the Equity Governance Recovery Process and World War III Peace Plan for Democratic States and get a Just World Order. They could not say that is what they were doing because of the Ridicule Risk from the Ignorant and Sabotage Risk from the Guilty. It needed Criminal Conspiracy Proof against a UK Prime Minister when still in service. On the evidence available, in 2004, Equity Lawyer Mr. Edward Ellis was the Sole Survivor when he got Criminal Conspiracy Proof against Prime Minister Mr. Blair and gave it to Queen Elizabeth. She, and Charles Prince of Wales, used it to revive active service of the Top Corruption Controller, start the Corruption Remedy Process and service the service the World War III Peace Plan for Democratic States. The reason for explaining this is that the UK is the only Sovereign State with a Top Corruption Controller that is Credibly Independent of Cabinets, Parliaments and Presidents.
3. The USA Constitution has Fundamental Flaws. It does not have a Top Corruption Controller with Credible Independence of the President and Senate. A Fundamental Flaw Remedy for them will serve many others.

4. The Resourcing Deficit denied Fair Process in the UK and USA. It creates the need for Scandal Publicity that is an Unfair Trial Risk or an Unfair Trial Certainty. It does Confidence Damage. Good Management of the Impeachment Case can service Confidence Recovery and development of a Just World Order. It needs Mass Publicity for a series of Corruption Remedy Successes. In 2004, a Key Event was the Priority Decision by Queen Elizabeth and Charles, Prince of Wales. The Priority Decision was for the Corruption Remedy Process and World War III Peace Plan for Democratic States against Everything Else. Eventually it got a series of Chronic Immaturity Management Decisions. Most people know someone who is Chronically Immature. Bad Decisions get them into trouble and stop them getting out of it. Prince Andrew had the Technical Competence needed for Pilot Qualification but was, and is, Chronically Immature. No one has a Chronic Immaturity Remedy. Royal Status and Chronic Immaturity has always been a Scandal Risk. The Chronic Immaturity Management Decisions made by Queen Elizabeth and Charles, Prince of Wales, was a Sacrifice Decision against Prince Andrew and use of the Prince Andrew Scandal to service the Corruption Remedy Process. Events have proved they were Good Decisions. It got Pawn Status for Prince Andrew in the UK Civil War between the People and the Protection Fraud Network. Blackmail Efforts by the Protection Fraud Network against the Crown used Prince Andrew Scandal Exposure Threats to support Corruption Remedy Sabotage Demands. They got Blackmail Submission Refusals by Queen Elizabeth and Prince Charles. Prince Andrew Scandal Management by them, and when she died, by King Charles serviced the process that forced Epstein File Exposure and the Mandelson Scandal Exposure. The Blackmail Failures of the Protection Fraud Network and everything that got the Epstein File Exposure are Remedy Successes.
5. Mass Publicity for Corruption Remedy Successes will do Good Things. It will get Confidence Recovery. It will inspire Viable Numbers with the Remedy Belief that they can manage World War III Defenses and develop a Just World Order. Viable Numbers will accept that Trial Unfairness Damage done by Scandal Publicity Management will not get a Just World Order. They will accept that developing a Just World Order needs use of Lesser Bad to get Greater Good.
6. Good Management by the Senate is needed to help Viable Numbers decide that the Greater Good is a Criminal Impeachment of US President Mr. Trump. Good Management by the Senate is needed to help a Viable Number understand that the Protection Fraud Network has for years managed Sabotage Frauds against the World War III Peace Plan. In January 2025, US President Elect Mr. Trump represented the Peace Plan States when he helped the UK Opposition Leaders use the Child Prostitution Scandal to extort Remedy Delivery Commitments from the UK Cabinet. They were Commitment Frauds. Their Absolute Priority was Remedy Sabotage. It needed Epstein File Concealment Frauds. They made Lord Peter Mandelson the Concealment Manager and gave him the office of UK Ambassador to the USA. A Corruption Exposure Risk Briefing from Ambassador Lord Mandelson did two things. It revealed that the Epstein Scandal was Sex Crimes + Protection Frauds + Sex Blackmail Fraud Business managed by Top UK Politicians with Business Customers that were Finance Contributors to the Trump Election Campaign. It did two things. It was a Business Opportunity that President Mr. Trump could not resist. The Protection Fraud Network had money. He had Protection Fraud Powers. They made a deal. It got Crime Business Partner Status for US President Mr. Trump, UK Prime Minister Sir Keir Starmer, Ambassador Lord Mandelson and Guilty Others. It used US Presidential Powers to service Sabotage Frauds against the World War III Peace Plan and Epstein File Concealment Frauds. Corruption Investigations can start with the Original Crime and progress via the Bribery Money Laundering to the Protection Frauds, start in the middle and work both ways or start with Protection Frauds and work backwards.
7. Good Management by the Senate will help Viable Numbers decide the Lesser Bad is an Immunity Deal for Convicted Criminal Ms. Ghislaine Maxwell and Foolish Mr. Andrew Mountbatten -Windsor on Remedy Co-operation Conditions. It needs Full Disclosure by them. Remedy Management of Top-Level Corruption is Inherently Stressful. The Protection Frauds by the UK Cabinet and US President created the need for Remedy Management to use Scandal Publicity. It got Trial Unfairness Certainty Proof for Ms. Maxwell and Mr. Mountbatten-Windsor. The Immunity Deals will get Reduced Stress Conditions. It is unlikely either of them can do is needed alone. They will need each other and Support Services to identify their Personal Testimony that is Epstein File Content Proof + Epstein File Concealment Fraud Proof + Protection Fraud Proof against the UK Cabinet and US President. The Senate needs enough to start the Impeachment Process. The Coronation Oath Enforcement Authority and the Senate need to work down the ranks of Fraud Managers to Fraud Beneficiaries. They will not know how much more Personal Testimony that Ms. Maxwell and Mr. Mountbatten-Windsor can give against Top Fraud Beneficiaries. The Coronation Oath Enforcement Authority and the Senate need to avoid the Full Disclosure Process becoming a Penal Process against Ms. Maxwell and Mr. Mountbatten-Windsor.

8. There are 1522 words in paragraphs 1 – 7 of the Impeachment Validation Explanation. The rest of the document will assist anyone who needs to know more, and anyone who needs to manage an Integrity Test of Corrupt Officers. It is not complete. Much more could be written. It is the best Equity Lawyer Mr. Ellis can do in the time available. He has End Stage Kidney Failure. He gets Life Saving Dialysis Treatment 3 times a week. In addition to that he is in Poison Damage Recovery. In December 2019 Prime Minister Mr. Johnson issued Poison Kill Order against the Equity Lawyer. The first crisis was 6 – 7 weeks later. The body needed to rid itself of Big Molecules. The only way was to rupture the Sweat Glands. The Equity Lawyer survived by Repeat Breaking of about 2,500 Rupture Scabs on his back and thighs. It enabled re-use of the Ruptured Glands, saved the rest of the skin and his life. The second crisis was Reducing Blood Pressure with a Total Collapse on Tuesday 6th January 2025. All the Regulated recognized Poison Symptoms. The choice was Notice Nothing + Do Nothing, manage a Mental Health Fraud to deprive the Victim of the Legal Capacity for Remedy Action, or commit Career Suicide by making a Poison Diagnosis that got a Poison Investigation and Corruption Exposure against the Cabinet. No one committed Career Suicide. The Low Blood Pressure did Body Damage that included Immune System Failures. The Very Low Blood Pressure + Acute Influenza got a Total Collapse. Outside the hospital it would have got Certain Death. It was on a Dialysis Day onto a Dialysis Bed in the Renal Outpatient Ward. It got Immediate Treatment from Renal Nurses. The Hospital Doctors had the choice of a Hospital Death or Proper Treatment. They chose Proper Treatment. It got a Hospital Discharge on Friday 9th January 2026. Discharge Notice did not identify a Discharge Doctor. No one wanted responsibility for the Poison Murder Survival. The Equity Lawyer has Normal Blood Pressure. Dialysis Treatment is a Blood Cleaning Service. The Subconscious requisitions the Clean Blood for Body Repair. It uses Sleep Chemicals to stop the Conscious using Clean Blood. The Equity Lawyer spends 3 days a week staying alive and does everything else on the other 4 days. The Chronic Low Blood Pressure did Body Disrepair Damage. Normal Blood Pressure has enabled Body Repair. The Equity Lawyer is getting stronger but feels tired most of the time. In addition, he must anticipate what the Remedy Process needs. At this stage it needs the Impeachment Proposals and Normalization Research for Corruption Victims. The Remedy Process needs them to do as much as they can for themselves. The Remedy Process needs Mass Publicity for Remedy Successes achieved by Queen Elizabeth and King Charles and Everyone Else. It needs Mass Publicity for Normalization Successes by Corruption Victims. The UK had a Self-Managing Social Club Culture. Consumerism conditioned most people out of accepting responsibility for Self-Managing Social Clubs. Corruption and Poverty have increased the need for them. The Church of England Congregations are Self Managing Social Clubs. They survived. Kidney Failure made the Normalization Options very limited for the Equity Lawyer. He became a caterer, sidesman, reader and chorister for St Mary's Church. The Equity Lawyer will never have Note Discipline or Timing Talent. He has achieved some Resonance Success. He has built the confidence to sing loud enough when he is the Sole Male Voice because illness and grandparent duties deprive the choir of other Male Voices. This is not trivial. Many of the Lay Choirs start well but fail because they do not have enough Performance Events. The Church has them every week. It would be very useful if someone could find a way for Church Choirs to improve the Success Rate of Lay Choirs.
9. Religious Practice is management of the relation between the Individual and God. Congregational Practice is management of the relation between Individuals who have the same God. The Roman British Gnostic Christians developed the Equity Decision Discipline to manage the relation between the Individual and God. They used the Decision Discipline to develop the Common Law for relation management by everyone with everyone. They promoted the Common Law and not the Gnostic Christian Identity. They were so successful that everyone knew about the Common Law but very few knew about the Gnostic Christians. The Roman Empire needed a Moral Dictator to prop up the Military Dictator. The Roman Catholic Church was the Moral Dictator. Dictators cannot tolerate Leadership Competitors. The Gnostic Christians were Leadership Competitors. The Roman Catholic Church controlled much of the Written Record and stopped mentioning the Gnostic Christians in the 4th century. The Roman Catholic Church knew that the Gnostic Christianity survived in the British Isles. They continued to omit them from the Written Record. Knowing that makes the history of the England, Wales, Scotland and Ireland much easier to understand.
10. The UK Coronation Oath is for Equity Governance using the Common Law. In 1689, the Glorious Revolution got a Parliament Session Limit to Crown Powers and the Coronation Oath Enforcement Authority to manage the Profession Authority responsibilities of Parliament. The Decision Quality Controls are the Coronation Remedy Proof Standard and Jurisdiction Separation. The Corruption Remedy Proof Standard is Official Records that are Justice Proof for Honorable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. The Citizen has Investigation Jurisdiction. It is the power to give a Confidentiality Waiver, Privilege

Waiver and Case Priority Waiver from the Case Controller for the People. It enables use of the truth, whole truth and nothing but the truth about the case facts for Integrity Tests of the Authorities that get Corruption Remedy Standard Proof Sets. They are Justice Proof for Honorable Officers or Corruption Proof against the State and Remedy Denial Fraud Proof the Law Courts. The Equity Lawyer has Integrity Test Management Jurisdiction. It is the competence and commitment to provide the Judgment Services that were needed for the Integrity Tests. The Crown has Prosecution Jurisdiction. It is the power to use Integrity Test Proof Sets to make Trial Orders for the Parliament Sessions Court of Corruption Cases against the State and Unfitness Cases against Officers and Authorities. The 2 Lord Archbishops have Court Lawyer Jurisdiction, one for the Trial Court and the other for the Appeal Court. The 24 Lord Bishops are the Jury Panel. They provide up to 12 Trial Jurors and up to 12 others as Appeal Jurors. When they are busy, they provide 2 Trial Juries of up to 8 and 1 Appeal Jury of up to 8. The Corruption Remedy Proof Standard eliminates the need for Witness Attendances, Credibility Findings and Personal Case Presentation. It enables Trial Orders to get a Trial Verdict in 7 days and an Appeal Decision in 10 days.

11. Corruption Proof gets Corruption Findings, Remedy Entitlement Findings and series of Remedy Priority Findings for Research Investigations to discover who is responsible and then Remedy Delivery. It started at the bottom with a Remedy Delivery Test of the Remedy Jurisdiction. Remedy Failures are used for Remedy Delivery Tests of the next Remedy Jurisdiction with Jurisdiction Superiority. It ends with Dismissal Executions against the Judiciary by a United Parliament, Victim Identification and Case Remedies. A Dismissal Failure is Remedy Denial Fraud Proof against the Cabinet. It gets the Default Dismissal Penalty against the Prime Minister. A Dismissal Failure is Remedy Denial Fraud Proof against Parliament. The Default Penalty is a Dismissal Decision against Parliament using a Forced General Election, got by Time Expiry or a Parliament Session Refusal, and in either event with Mass Publicity for Corruption Scandals. It gets an increase in the MP Retirement Rate and a Power Transfer to a New Governing Majority. The process is repeated until it gets Remedy Delivery.
12. The World War II Peace Settlement had a Fundamental Flaw. The Human Rights Declaration omitted Case Priority Rights for Victim and Citizens. The omission vested Case Priority Powers in the State. The Declaration Signatories gave and got Mutual Approval of Case Priority Powers for the State. All Signatory States used them to develop Dictator Powers. The Politicians lost control of the Dictator Powers to Crime Partnerships of State Officers and Law Court Judges. They developed Protection Fraud Networks to provide Support Services and manage Co-ordinated Corruption. The Networks sold Market Frauds to Organized Crime, provided Protection frauds for the Corrupt Officers who managed them and traded Glittering Career Guarantees and Job Profits in exchange for Fraud Services by Corrupt Parliamentarians. General Elections got Governing Majorities that were subject to Remedy Denial Majorities controlled by the Protection Fraud Networks.
13. In 1956, the Suez Scandal was a disgraceful end to the Colonial Era for the UK and France. They made a Dictator Governance Plan for Western Europe. It used Sabotage Frauds against Leadership Competitors. The Sabotage Frauds against Religious Leaders was Sex Crime Investigation Denial Frauds to do Reputation Ruin Damage. The Sabotage Frauds against the Coronation Oath Enforcement Authority was Dissolution Advice by the Cabinet. It got a Coronation Oath Release Condition from Queen Elizabeth. It required a Governance Referenda Majority for Dictator Governance against Equity Governance. The Referenda Process would be an Education Process that ended with the choice between Dictator Powers for the State and Corruption Control Powers for the Voter. Everyone knew it would get a Landslide Rejection of Dictator Governance. The Dictator Governance Plan used a set of Sabotage Frauds against the Coronation Oath Enforcement Authority. Evidence Frauds used Judgment Service Penalty Frauds against Regulated Lawyers. It deterred the management of Integrity Tests and denied a Reliable Supply of Admissible Evidence for Parliament Session Decisions by the Crown and Parliament Sessions Court. The intent was that everyone forgets how to service the Coronation Oath Enforcement Authority, and the Management Expertise die with Queen Elizabeth. Education Frauds denied any mention of the Coronation Oath Enforcement Authority. The intent was that everyone forgets it existed. They increased the Dictator Governance Plan from 10 – 15 years to 45 years when they expected Queen Elizabeth to die. It got a Dormancy Period for the Coronation Oath Enforcement Authority.
14. The Gnostic Christians made an Equity Governance Recovery Plan. Few had heard of them. It had two strategies that exploited Fundamental Flaws in the Dictator Governance Plan. The First Fundamental Flaw was that it was a Civil Dictatorship that needed Electronic Signature Dictator Powers. The First Strategy needed the Citizen to develop Advanced Electronic Signature Technology, use it to provide Sophisticated Services that enabled the Prosperous Classes to manage Tax Haven Estates from their homes and use Taxation Starvation to force conversion from Dictator Governance to Equity Governance. The Second Fundamental Flaw was the inevitability that a Prime

Minister would be dependent on the Protection Fraud Network. The Second Strategy was to get Criminal Conspiracy Proof against a serving Prime Minister, use it to service active service of the Coronation Oath Enforcement Authority and start a Corruption Remedy Process to get Enhanced Remedy Delivery. The Standard Process is Dismissal Executions against the Judiciary by a United Parliament, Victim Identification, Case Remedies and a World War III Peace Plan for Democratic States. A Parliament Unity Failure creates the need for the Crown to get International Support to manage Corruption Remedy against a Renegade Cabinet and Renegade Parliament. It needs a Special Process. It needs Endemic Corruption Proof against the Judiciary and use of it by the Crown to negotiate the World War III Peace Plan for Democratic States. The Peace Plan is that Sovereign States destroy the Protection Fraud Networks that manage Endemic Corruption, recover control of State Budgets, resource World War III Defenses and resource a Just World Order. The Management Agreement gets Test Case Status for the UK and Test Manager Status for the Coronation Oath Enforcement Authority. The Remedy Agreement gets Remedy Enforcement against Fraud Profiteers and Penal Enforcement against Corrupt Leaders. The Delivery Agreements gets Delivery Commitments some of which are conditional on Plan Stage Successes. The Publicity Plan needed Total Secrecy for the Whole Plan, Mass Publicity for Stage Successes and then Mass Publicity for the Whole Plan.

- Mr. Edward Ellis acquired all the skills needed to service the Equity Governance Recovery Plan and the World War III Peace Plan. On the evidence available he was one of about 200 who did so. A schoolteacher gave him Career Advice. It was that he would be an innovator and entrepreneur and needed Business Defenses. He made a Business Plan. It was to develop Anaerobic Decomposition Technology that converted Farm Manure into Nitrate Pellets, get Productivity Improvements and Cost Reductions for Dairy Farmers, got a Profitable Business for himself and a Client Base for the Law Practice, Intellectual Property Rights that could be applied to Human Waste Processing and a Power Base for him to service the Equity Governance Recovery Plan. He got Law Qualifications and joined a Law Practice. In 1973, the Yom Kippur War was a humiliation for 14 Arab States. In June 1974 the OPEC States expressed their anger with an Oil Price Increase. It got ideal conditions for Edward Ellis to conduct Anaerobic Decomposition Experiments. His father had a tenancy at Willaston Farm and owned Brookside Farm. His father and brother managed both. Getting their co-operation and keeping control of the Decomposition Business needed careful management. He asked his brother to help him fill an iron milk churn with Pig Manure, put it upside down in a stone water trough that was in a shaded position and observe if Anaerobic Decomposition was powerful enough to lift the heavy iron churn 4 inches off the lid sleeve. Someone found out. A Gossip Report by the Chemical Fertilizer Salesman got Panic Reactions from the Agriculture Supply Industries and the State. They had an Industrialization Plan for UK Agriculture. It could have accommodated Anaerobic Decomposition but that would have reduced the Nitrogen Fertilizer Sales of ICI. They made an Anaerobic Decomposition Sabotage Plan. It needed use of a farm for Research Frauds. It got use of a farm on the Duke of Westminster's Estate. The Research Frauds got the Viability Failure Results that ICI wanted. The Duke of Westminster realized that the Agriculture Supply Industry was making more out of his Farm Estate than he was. He sold the farms and became a development Financier. Within 10 years the Westminster Estate grew from 20 % less to 50 % more than the Royal Family Estate. It forced Edward Ellis to change his Business Plan and focus on Law Practice.
- 15. In 1977, the Dictator Plan wanted Sabotage Frauds by the UK State against the Equity Governance Recovery Plan. It used Torture + Murder of a UK Soldier by the Irish Republican Army Sacrifice. The intent was to find out what he knew and to deter anyone else from servicing it. About 200 people decided it had to be a Deterrent Failure. It proved the need for the Equity Governance Plan.
- 16. In 1978, Edward Ellis got Law Qualifications and joined a Law Practice in Folkestone. The Service Area included Shorncliffe Camp. The UK Army used it for Troop Training before deployment to Northern Ireland.
- 17. In 2004, the preparations for the European Referenda got Election Fraud Conspiracy Proof against the European Leaders. The Lawful Business of UK Citizens made exposure of the Election Frauds inevitable before the European Referenda in 2005. The European Leaders made an Election Fraud Concealment Plan. It needed Sabotage Frauds against the Lawful Business. They were Drug Crime Framing Frauds against two Business Managers. They used Mettwherland Judge Trials because UK Jury Trials were an Exposure Risk. It needed an Extradition Fraud against the UK Manager. They did not have an Extradition Treaty or time to make one. The 1st Extradition Fraud used Armed Dutch Police on UK Soil to supervise a Kidnap Extradition Fraud against the UK Manager. Everything that could go wrong for the EU Leaders did go wrong. The EU Leaders and Netherlands Investigators did not know that a complex series of events got Incredible Target Status for the UK Manager in Drug Crime Investigations. They did not know that the Drug Crime Business managed by Top Police, Top Customs and Top Judges used the UK Manager's Address as the Decoy Address on the Carrier Movement Records of more than 70 Drug Shipments.

They did so because if anything went wrong the Decoy Address Investigations would get Dead End Results. UK Customs knew that all States used Kidnap Extradition Frauds. It was the first Joint Kidnap Extradition Frauds by EU States. They did not believe that is what it was. They had a Drug Shipment in transit that used the Decoy Address. They knew a Crime Complaint by the UK Manager got the Incredible Target Status for him. They thought he had discovered the Decoy Address Frauds, reported them and was assisting with a Decoy Address Fraud Investigation. They got TV News Coverage of a Big Drugs Bust and International Co-operation and took control to manage Decoy Address Investigation Sabotage Frauds. The UK Manager was in a UK Prison with Jury Trial Rights and Investigation Record that as Innocence Proof for him and Guilt Proof against the Case Investigators. The 1st Extradition fraud had failed. The 2nd Extradition Fraud got Immunity Frauds for the Top Drug Dealers, Election fraud Concealment Services for the EU Leaders, a Network Business Profit Share for Prime Minister Mr. Blair, an Extradition Treaty for the UK and Netherlands, a 1st Extradition Warrant for the 2nd Extradition Fraud against the UK Manager, Criminal Conspiracy Proof that Equity Lawyer Mr. Edward Ellis and Queen Elizabeth used to revive active service of the Coronation Oath Enforcement Authority, a Corruption Remedy Process for the People to get the World War III Peace Agreement for the Democratic States and a Just World Order.

18. The Remedy Process used Research Investigations into the structure and strength of the Protection Fraud Network. It had a Costs Control Policy. It used Pedophile Entrapment and Pedophile Framing Frauds to get Blackmail Victims. It used Appointment Frauds for the Blackmail Victims to get Puppet Officers and a Reliable Supply of Fraud Services at No Profit Share Costs.
19. In 2006, the Remedy Process got Remedy Denial fraud Proof against the Cabinet and Default Dismissal Penalty against Prime Minister Mr. Blair. He signed a Forced 10 Retirement Notice to avoid a Parliament Session Refusal and Forced General Election with Corruption Proof against him. The Notice Period enabled use of the Leadership Contest by the Coronation Oath Enforcement Authority for an Integrity Investigation of the Governing Majority. It discovered more than half of them were Network Agents or Network Puppets. Leadership Deals got Support Votes for Candidate Mr. Brown and Cabinet Office for Network Agents.
20. Top Network Agent Mr. Peter Mandelson used Cabinet Office to make Expansion Plans for Network Businesses. One used the Costs Control Policy as a model for a Sex Crime Blackmail Business. It used Minimum Sentence Protection Frauds from the USA Authorities for Mr. Epstein to get Support Services for the Sex Crime Blackmail. Take Over Target Manager Lists from Top Financiers, got Price Agreements with Mr. Mandelson, Introduction Offers by Mr. Mandelson, Introduction Acceptance by Victim Targets, Invitation Offers from Mr. Epstein, Introduction Acceptances by Victim Targets got Hosting Events, Blackmail Evidence and Business Profits for the Network and Massive Profits for the Top Financiers and Election Campaign Contributions for Top Politicians and Election Frauds against the People.
21. Between 2010 and 2015 Prime Minister Mr. Cameron, Deputy Prime Minister Mr. Clegg and Opposition Leader Mr. Miliband did everything the Parliament Sessions Court required of the, They investigated who in their Political Parties were Network Agents and Network Puppets. It gave the Crown and Parliament Session Court confidence that whoever won the 2015 General Election could be relied on for Remedy Delivery. The 2015 Parliament Session Grants required Set Up Conditions that serviced it. They were the Judiciary set Universal Precedents that apply in all cases. The Fraud Invalidity Precedent was that any fraud invalidates the process in which it is committed and gets Fraud Remedy Rights for the Victim and against the Fraud Manager and Fraud Beneficiary. [Sharland v Sharland, accounting frauds by the husband against the wife that concealed 90% of the value of assets worth £200,000]. The Credible Neutrality Precedent enforced the Credible Neutrality Qualification for the Conflict Jurisdictions of the Justice Officers: Authoritative Opinion Witness, Investigator, Prosecutor, Defender, Trial Adjudicator and Appeal Adjudicator. It needs Voluntary Disclosure Obligation on all Justice Officers of anything that is or might appear to be a Conflict Interest. [Emerald Supplies v British Airways, a Lost Luggage Claim for £ Billion. Use of a Lost Luggage Complaint to demand Direct Contact with the British Airways Board raised Bribe Tout Suspicions against the Trial Judge]. Automatic Case Issue Rights for the Citizen against the State. A Test Case Year for the Citizen to file Corruption Claims and the Equity Lawyer to manage Integrity Tests. It forced Corrupt Officers and Corrupt Judges to choose between making Conflict Disqualification Admissions or committing Conflict Qualification Pretense Frauds to get the Case Control needed for Case Issue Denial Frauds, Case Dismissal Frauds and Remedy Action Restraint Frauds against the Citizen.
22. The 2015 General Election Campaign got a European Referenda Commitment from Prime Minister Mr. Cameron and an Election Victory for him. All Test Cases got Fraud Proof against the Judiciary. He knew that Corruption Exposure got by Remedy Delivery would increase the Leave Vote. He used the Test Case Year for the European

Referenda, led the Remain Campaign, lost and resigned. It was an Honorable Resignation. The next item on the Session Agenda was Remedy Delivery. The Protection Fraud Network needed to stop it. They spent many millions of pounds buying Leadership Support Votes for MP Mrs. May because she was the Top Network Agent. The Remedy Process continued and got Corruption Proof against the State, Remedy Denial Fraud Proof against the Judiciary and Protection Fraud Proof against the Cabinet.

23. In 2019, Protection Fraud Proof against Prime Minister Mrs. May got a Joint Liability Presumption for the People against Cabinet Members that was subject to Rebuttal Proof Positive. Cabinet Members used Disclosure Failure Allegations against the Prime Minister for Joint Liability Defenses. Mass Publicity for the Disclosure Failure Allegations failed to explain they were the Joint Liability Defense of Cabinet Members. It got a Forced Resignation from Mrs. May and use of Parliament Session Powers to get the Forced Winter General Election.
24. The Protection Fraud Network made a Defense Plan. It needed Emergency Powers for them against everyone and Blackmail Powers for them against the Crown that stopped the imposition of Corruption Remedy Conditions in the Parliament Session Grants of October and December 2019. They knew the World War III Plan of Russia and China needed a Trigger Event for Blame Allegations against the Democratic States, a Ukraine Invasion by Russia, a Blitzkrieg Success, Response Action that got Arms Exhaustion by NATO, Cyber Attacks against the Arms Supply Chain to stop Arms Replenishment and Dictated Peace Terms. The Network Defense Plan was to provide get a Middle Eastern War as the Trigger Event. The First Effort was a Missile Strike by Iran against a US Aircraft. It got a War Engagement Refusal by Usa President Mr. Trump. The Second Effort was use of UK Drug Crime Profit Money Laundering with UK Protection that enabled Turkish Banks to finance Missile Purchases for Terrorists to get US Casualties from UK Financed Missiles and a Total Collapse of the NATO Alliance. Integrity Test Management by Equity Lawyer Mr. Ellis linked UK Land Frauds by Turkish Money Launderers with UK Court Frauds. It enabled Finance Tracing from Source to Missile. It got a War Engagement Refusal by USA President Mr. Trump. An Emergency Evacuation of US Troops from Syria to Iraq that deserted NATO Troops and ignored the need for consent from Iraq. The Covid Emergency intervened. The week it ended got the Ukraine Invasion by Russia. Investigation is needed to discover whether the Covid Emergency was a Delay Tactic that got time for the Blatant Dictator or the Democratic States.
25. The Covid Emergency got Emergency Powers for the Protection Fraud Network. The Blackmail Plan failed. Criminal Investigation Threats and Incrimination Demands against Prince Andrew by the USA Authorities got Incriminations Refusals by Ms. Ghislaine Maxwell. Scandal Exposure Threats against Prince Andrew got Blackmail Submission Refusal by the Charles, Prince of Wales, who was the Crown Office Manager, and Queen Elizabeth, who was in semi-retirement. They made a Priority Decision for the Corruption Remedy Process and World War Peace Plan against Scandal Exposure Protection for Prince Andrew. They did more than that. They used the Prince Andrew Scandal to service the Corruption Remedy Process and World War III Peace Plan. The failure to get Incrimination Proof against Prince Andrew forced use of the Civil Claim that did Financial Ruin Damage to him. Prince Charles and Queen Elizabeth knew the Corruption Remedy Process and World War III Plan needed Forced Exposure of the Epstein Files. They managed the Corruption Remedy Process to get Forced Exposure of the Epstein Files regardless of whether it got Incrimination Proof against Prince Andrew. Events proved it was a Good Decision. It got Blackmail Proof + Blackmail Failure Proof at every stage of the Corruption Remedy Process and World War II Peace Plan from then. The Network had Inconsistent Priorities. They needed the Epstein File Exposure against Prince Andrew and Epstein File Concealment Frauds for the Sex Crime Blackmail Business Managers and Business Customers. Full Disclosure will get Hero Status for Queen Elizabeth and King Charles.
26. Meanwhile, the 2019 Leadership Contest Deals got Support Votes for MP Mr. Boris Johnson, Cabinet Office for Network Agents, Leadership Deal Concealment Frauds against the Conservative Party Members and the Premier Office for MP Mr. Johnson. The Forced General Election got Sabotage Fraud Conspiracy Proof for Candidates and Potential Candidates against Prime Minister Johnson and Opposition Leader Mr. Corbyn. One was the Marginal Constituency of Nantwich and Crewe. The 2017 General Election got a 47 Vote Majority for the Labour Candidate. The Prime Minister and Opposition Leader did not want a Disaffected Labour Party Officer to stand as an Independent Candidate. A Racial Prejudice Trial Frauds got Audio Records that were Corruption Proof against the Complainants, Investigators, Prosecutors, Defenders and Judges. He had been the Race Officer for the Local Labour Party. Race Bias Support Requests by him got Request Refusals by the Local Labour Party. They were Protection Frauds for Cheshire Police Officers who managed Drug Distribution for the Protection Fraud Network. The Candidacy Sabotage Fraud used Denial Frauds that the HP Agreement + Motor Insurance + Vehicle Excise License were Car Ownership Proof and committed an Own Car Theft Arrest Fraud + Mental Health Case

Reference Fraud to get 8 Weeks Mental Health Detention Fraud that stopped him standing as an Election Candidate. On 12th December 2019 the General Election got an 80 Seat Majority got Prime Minister Mr. Johnson. He wanted to stop Equity Lawyer Mr. Ellis managing a Dismissal Process against him. He issued a Poison Kill Order against the Equity Lawyer. It was executed on 18th, 19th or 20th December 2019 in a café across the road from the Royal Courts in The Strand where the Equity Lawyer met Corruption Victims. A Secret Service Agent pretended to be a Corruption Victim and gave him Poisoned Tea. The Poison had 2 Crises. The first was in week 6 - 7. The body needed to expel Big Molecules. The only way to do it was Sweat Bland Ruptures. The Remedy Action is Rupture Scab Removal that enables Reat Use of the Rupture Glands. It saves the rest of the skin and the life. The second was Toxin Dumps that do Skin Damage and Blood Pressure Reduction Damage. All Regulated Doctors recognize Poison Symptoms.
