Framing Fraud 36CJ2485825 Integrity Test Management Request of Citizen Mr Pead

3rd June 2026

Remedy Co-operation Thanks from the Equity Lawyer to Citizen Mr Pead.

It appears that he understands Corruption Remedies need New Corruption Proof. The use of Live Cases for Integrity Tests of the Authorities. They get Justice Proof for Honourable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. The Crown and Parliament Session Court use the Test Results to make Remedy Management Decision. The World War III Peace Plan got Remedy Test Case Status for the UK and Test Manager Status for the Coronation Oath Enforcement Authority and Interested Party Status for Peace Plan States. They do not have a Top Corruption Controller with Parliament Session Powers. They needed to know how Corruption Remedies could be managed without Parliament Session Powers. It explains the decision Corruption Proof against the UK Cabinet for a Parliament Session Grant Refusal to get a Forced General Election. The Peace Plan States expect the Makerfield By Election to get a Leadership Contest that delivers Dismissal Execution against the Protection Fraud Network Agents who have Cabinet Office. In 1999, the Murder Protection Frauds for Norfolk Police used the Victim's Body for a Murder Framing Fraud against Mr Tony Martin. In 2006, a Sex Complaint by a Disabled Student got a Sex Crime Investigation by Headmaster Mr Pead. His Communication Skills made him an Exposure Risk. It motivated Ruin Frauds against him. He took an interest in the Murder Framing Fraud. It motivated more Ruin Frauds against him. The Priority is Integrity Tests whether there is a Confidence Transfer from Corruption Managers to Remedy Managers
