Best Advice- a Career Salvage Operation by the Weak Majority of Magistrates + Judges. REASONS:

1. The World War III Peace Plan needs to destroy Protection Fraud Networks that manage Endemic Corruption, recover control of State Budgets, resource World War III Defences and resource a Just World Order.
2. The Peace Plan got Corruption Remedy Test Case Status for the UK. Remedy Initiatives that get Success Results in the UK will be used by all Peace Plan States.
3. The Peace Plan needs to identify the Perverse Minority, use it to set Deterrent Precedents, identify the Weak Majority and use it for Remedy Management. The Identification Process is a Salvage Operation.
4. It is not the first. Queen Elizabeth and Prince Charles managed one for World Leaders. It was a success. Enough of them agreed a Weak Majority had enabled a Perverse Minority to get out of control.
5. In 2004, the preparations for the European Referenda got Election Fraud Conspiracy Proof against European Leaders including Prime Minister Mr Blair. The Election Fraud Concealment Plan got Criminal Conspiracy Proof against them. The Equity Lawyer gave the Proof Sets and an Equity Lawyer Service Commitment to Queen Elizabeth. She revived active service of the Parliament Sessions Court. They made Corruption Findings, Remedy Entitlement Findings and a Remedy Priority Finding for Remedy Co-operation Tests of World Leaders. Queen Elizabeth and Prince Charles used the Proof Sets, Proof Findings to raise the Political Prisoner Issue at the Commonwealth Conference. It got Remedy Co-operation from many of them conditional on No Personal Liability. They were particularly keen to acknowledge Imprisonment Frauds by the USA using their States. The longest Imprisonment Fraud was 35 years for a Pakistani in India. He went to India for work got arrested for spying. Queen Elizabeth and Prince Charles saved the rest of his life. He went home to relatives.
