World War III Peace Plan + Democracy Research Request from Equity Lawyer v Journalists

11th September 2026

To: Essex Live Local Democracy Reporter Mr Piers Meyler of <Piers.Meyler@reachplc.com> on Public Trusts
Northampton Telegraph Editor Mr Neil Burket of <neil.burkett@iconicmediagroup.co.uk> on Public Trusts

Reporter Mr Piers Meyler is chosen as Public Trustee because of the Out of Office Automatic Reply at 16.57 on 9th September 2026 to the Royal Commission Email despite the fact you are not on the Address List.

Editor Mr Neil Burket is chosen as Public Trustee because he was in post when the Governance Fraud Claim Notice + Settlement Negotiation Offer dated 17th June 2026 of Mr Can Say was sent to Northampton Telegraph. It got Automatic Responses from Mr Burket. The Only Substantive Response was an Automatic Response Termination.

The World War III Peace Plan got Corruption Remedy Test Case Status for the UK, Test Manager Status for the Coronation Oath Enforcement Authority, Interested Party Status for Peace Plan Signatories and the Common Law for a Just World Order. The Common Law requires a Credible Neutrality Qualification for Conflict Jurisdiction Offices. The Coronation Oath Enforcement Authority is a set of Corruption Remedy Jurisdictions. The Corruption Remedy Test Case has Conflict Status. It needs to manage a Resource Transfer for the Un-resourced Citizen against Resourced Vested Interests.

Top Financiers own much of the World Media. Top Financiers bought Blackmail Services from the Protection Fraud Network. Lord Mandelson was the Marketing Agent. Mr Epstein was the Victim Entrapper. Blackmail Evidence enabled Defence Sabotage Frauds against Takeover Targets and Huge Profit Frauds for Top Financiers who paid Election Campaign Contributions to get Protection Frauds from Top Politicians.

The Wealthy Vested Interests created the need for Wealthy Donor Dependency by Political Parties.

The Hypocrisy Scandal is that Media Managers and Parliament permitted the UK Cabinet:

1. To manage the UK Premiership Appointment Fraud Scandal and the Reform Party Wealthy Donor Scandal.
2. To manage the Public Office Misuse Investigation Denial Protection Frauds for Mr Mandelson and Foreign Donation Criminal Investigation against Responsible Individuals and Investigation Frauds + Prosecution Frauds against Test Case Citizens

The Coronation Oath Enforcement Authority needs to be Credibly Neutral. The Treason Immunity Negotiation Offers from the Equity Lawyer are designed to service the Credible Neutrality Obligation.

Democracy Research Request:

Do the Media Owners and Political Party Leaders admit, deny or require proof that the Root Problem are:

1. A Just World Order needs Moderate Conservatism: Consumption Restraint to resource War Reserves + Disease Reserves + Poverty Reserves + Skill Reserves?
2. Vested Interests replaced Moderate Conservatism with Perverse Exploitation?
3. Perverse Exploitation created Crippling National Debt Liabilities?
4. Corruption Remedies needs a Power Transfer for Moderate Conservatism against Perverse Exploitation?
5. The Power Transfer needs:
 - 5.1. Mass Publicity for the Budget Fraud Cases against the Cabinet?
 - 5.2. Mass Publicity for Advanced Electronic Signatures and the Access Denial Frauds against the People?
 - 5.3. Mass Publicity for Economic Recovery by use of Advanced Electronic Signatures and the Post Office Masters to provide Sophisticated Trustee Services that:
 - 5.3.1. Reduce the Legal Cost + Accountancy Cost of Trust Management?
 - 5.3.2. Enable the Efficient Use of New Copyright that will enable Wealth Creation?
 - 5.4. Mass Publicity that Influence Frauds got a Tax Expense Account Rule Bias for Vested Interests against the True Cost of Earned Income and a Valid Motive for Employment Refusal?
 - 5.5. Mass Publicity for the fact Copyright Reserves that cannot be used until there are Effective Controls against Perverse Vested Interests.
