REASONS:

Case Explanation

1. The Claimant serviced an Endemic Corruption Remedy Process. It needed Criminal Conspiracy Proof that linked Low Level Criminals with the Judiciary and Cabinet Officers. The Politicians developed Dictator Powers, and lost control to Crime Partnerships of State Officers and Law Court Judge. They developed the Protection Fraud Network to provide Support Services and manage Co-ordinated Corruption. They started with Tobacco Duty Evasion Frauds and Criminal Drug Supplies. They made a Business Expansion Plan. It needed Case Management Research to discover what was needed to manage Court Frauds on an Industrial Scale. It needed Cabinet Control with a Cabinet Profit Share Limit. In 1997, the General Election got a Landslide Governing Majority for Prime Minister Mr Blair and Cabinet Office for Mr Peter Mandelson. Prime Minister Mr Blair used Mr Mandelson as Marketing Manager for Policy Enforcement Waiver Frauds. Mr Mandelson did not tell Prime Minister Mr Blair that he was using Cabinet Office to manage the Business Expansion Plan for the Protection Fraud Network. The reason was that Mr Blair was greedy and would demand an Extortionate Profit Share. In 1998 and 2001, Corruption Scandals got Forced Cabinet Office Dismissals against Mr Mandelson. He continued as Policy Waiver Fraud Marketing Manager. It has had Cabinet Influence ever since. It got Key Target Status for the Mr Mandelson in the Endemic Corruption Remedy Process.
2. A Tenancy Agreement Forgery Crime Complaint got Unwitting Citizen Status for the Claimant in the Endemic Corruption Remedy Process. It was a Corruption Exposure Risk for Lord Mandelson. He managed the Land Theft Plan for Network Agents against the State. Housing Association Stock was Owned Assets + Housing Charity Asset Letting Rights. The Sale Fraud of Housing Charity Assets by Network Agents to the Housing Associations needed Charity Ownership Proof Destruction and Replacement Forged Tenancies. Protection Fraud Calls by Lord Mandelson got a Ruin Fraud Conspiracy against the Claimant. Everything that could go wrong for the Endemic Corruption Managers did go wrong. The Protection Fraud Call got a Framing Fraud by Top Police and then a Profit Share Demand. It got a Profit Share Refusal by the Judiciary, Cabinet Officers and Lord Mandelson and Protection Fraud Service Refusal pending a Profit Share from Top Police. Protection Fraud Service Calls by the Law Courts got Service Refusals by Competent Police Officers and Incompetent Efforts by Idiot Police Officers.
3. The Incompetent Efforts motivated applications, claims and complaints by the Claimant. It got Seal Ink on Original

Documents + Inconsistent Official Records that were Forensic Test Material for Fraud Investigations created the need for Evidence Thefts against him. They used the Network Drug Wholesaler Mr Koomson as Theft Manager. He used the mother of the 3 Nkrumah Children, Ms Mukasa as Theft Agent. Everything that could go wrong for the Endemic Corruption Managers did go wrong. Mr Koomson and Ms Mukasa are Chronically Immature. He could not resist Child Prostitution. He used her for Child Prostitution Procurement. The State and Law Courts provided All Crimes Protection Frauds for them.

4. In 2026, MP Mr Burnham made Nkrumah Case Closure Frauds a condition of the Premiership Appointment Fraud.
5. Secret Case Closure Frauds by the Judiciary got Secret Fraud Exposure by Prosecutors and Court Officers. It got Evidence Production Order Breach Contempt Immunity Fraud Proof + Other Trial Fraud Proof that is Budget Fraud Enquiry Material for People against the Judiciary. It got a Corruption Exposure Stress Collapse + Crime Complaint Frauds by Ms Mukasa and Oppression Frauds by the Police. The Video Record of the 42DZ339826 Complaint Fraud Telephone is Parental Unfitness Proof for the Claimant against Ms Mukasa.

Contest Explanation

6. The Glorious Revolution got a Parliament Session Power Limit for the Crown. The Stable Governance Priority required Error Controls for the use of Crown Powers. The Coronation Oath Enforcement Authority was created to manage the Error Controls. The Common Law governs the Error Controls. It requires use of the Corruption Remedy Proof Standard for Corruption Cases of the People against the Authorities. The Corruption Remedy Proof Standard is Official Records that are Justice Proof for Honourable Officers or Guilt Proof against Corrupt Officers and Credibility Irrelevance Proof for the Victim. The Citizen has Investigation Jurisdiction. The Citizen Status Qualification is a Confidentiality Waiver, Privilege Waiver and Priority Waiver from the Case Owner for the People. It enables use of the truth, whole truth and nothing but the truth for Integrity Tests of the Authorities that get Corruption Remedy Standard Proof Sets. The Citizen has Witness Status for the People against the State. The Equity Lawyer has Integrity Test Management Jurisdiction. The Equity Lawyer Status Qualification is the competence and commitment to service Integrity Tests that get Corruption Remedy Standard Proof Sets. The Crown has Prosecution Jurisdiction. It is the power to make Trial Orders for the Parliament Sessions Court of Corruption Cases against the State or Unfitness Cases against Authorities and Officers. The Lord Archbishops have Court Lawyer Jurisdiction, one for the Trial Court and the other for the Appeal Court. The 24 Lord Bishops are the Juror Panel. They provide up to 12 Trial Jurors and up to 12 others as Appeal Jurors. When busy, they split into 2 Trial Juries and 1 Appeal Jury of up to 8. The Corruption Remedy Proof Standard eliminates the need for Personal Case Presentation, Witness Attendances and Credibility Findings. It, and Jury Flexibility, enables Multiple Trial Orders of the Crown to get Trial Verdicts in 7 days and Appeal Decisions in 10 days.
7. The Dictator Governance Plan for Western Europe vested Dictator Powers in the Cabinet. It used Sabotage frauds against Leadership Competitors. The Sabotage Frauds against the Coronation Oath Enforcement Authority were Law Profession Governance Frauds that denied a Reliable Supply of Admissible Evidence for Parliament Session Decisions. A Proof Burden Reversal Fraud for the Client against Regulated Lawyers was a Judgment Service Penalty Fraud + Advice Only Service Limit Fraud. It forced Case Management by Regulated Lawyers that got Decision Responsibility Proof against the Client. It deterred Integrity Test Management. It denied Career Management needed to acquire the Expertise Range needed for Integrity Test Management. It did Evidence Starvation Damage that got a Dormancy Period for the Parliament Sessions Court. The intent was that everyone forgets how to service it. Education frauds denied any mention of it in Academic Curricula and Profession Governance Curricula with intent that everyone forgets it existed. The Gnostic Christians made an Equity Governance Recovery Plan. Queen Elizabeth agreed it. There were two strategies. The Trigger Condition for one required Criminal Conspiracy Proof against a servicing Prime Minister and an Integrity Test Management Commitment from an Equity Lawyer. The Law Profession Governance frauds did not stop the Gnostic Christians managing a supply of Equity Lawyers sufficient to service the Equity Governance Recovery Plan.
8. In 2004, the preparations for the European Referenda got Election fraud Conspiracy Proof against the EU Leaders including Prime Minister Mr Blair. The Election Fraud Concealment Plan got Endemic Corruption Proof against them. It was the Trigger Condition needed to revive active service of the Parliament Sessions Court and a Corruption Remedy Process for the People. Equity Lawyer Mr Ellis gave it to Queen Elizabeth. She used it.
9. The Remedy Process needed Research Investigations to discover the structure and strength of Endemic Corruption Managers and then Remedy Deliver. The Standard Process is Dismissal Executions against the Judiciary by a United Parliament + Victim Identification + Case Remedies + an International Agreement for a Just World Order. A Parliament Unity Failure creates the need for a Special Procedure. The Coronation Oath Enforcement Authority gets Endemic Corruption Proof against the Judiciary. The Crown uses it to get the International Agreement. World War III was in progress. It made a World War III Peace Plan for Democratic States the Absolute Priority.
10. Equity Lawyer Mr Ellis provided Integrity Test Management Services. The Claimant and others got Citizen Status.
11. In 2023, King Charles used Endemic Corruption Proof to negotiate the World War III Peace Agreement for Democratic States. The G7 December Summit got Agreement Signatures. The Peace Agreement requires Sovereign States to destroy the Protection Fraud Networks that manage Endemic Corruption, recover control of State Budgets, resource World War III Defences and resource a Just World Order. The Management Agreement got Corruption Remedy test Case Status for the UK, Test Manager Status for the Coronation Oath Enforcement Authority, Interested Party Status for the Peace Plan States and the Common Law for the Just World Order.
