Subject: Can Say - HB for Fl. 2, 221 Tiptree Cr., LG5 0ST - The Manager, LB Redbridge Housing Benefit

Dear Sir/Madam,

I note that I am only receiving £1,000.00 pcm in respect of housing benefit via universal credit, although the rent due on my flat now is £1,047.11 pcm.

Please would you explain why I am being paid less money in respect of rent, notwithstanding that I am assured by the landlord that the rent has only increased in line with LHA rates for a studio flat.

I cannot afford to pay the shortfall of £47.11 pcm; it is difficult enough to live on what I am getting as it is.

Thanking you in anticipation, Yours faithfully, Can Say (DoB: 20 January 1960)

Dear Sirs,

Re: Mr Can Say - Flat 2, 211 Tiptree Crescent, IG5 0ST - Claim number: 11049260

Our tenant, Mr Can Say, has been a resident at one of our properties: Flat 2, 211 Tiptree Crescent, IG5 0ST for several years. He has recently moved from UC to housing benefit. Along the process, his address was incorrectly put down as Room 1, 211 Tiptree Crescent instead of Flat 2, 211 Tiptree Crescent, IG5 0ST.

As a result of this administration error, the rent received for Mr Can Say was just £632.70, instead of his actual rental amount of £1047.11.

I have attached a copy of the AST for Mr Can Say for your records.

I would be grateful if you could relook at this claim and adjust the housing benefit to match the rent due for the accommodation. Kind regards Faisal Naqvi

Dear Mr Ellis,

Please allow me to clarify the situation regarding your client Mr Can Say.

The monthly rental for Mr Can Say's residence at 211 Tiptree Crescent, IG5 0ST is £1000pcm.

Since moving to housing benefit in March 2026, Mr Can Say's has only been receiving £506.16. This is shortfall of £493.84pcm.

As Mr Can Say has been unable to make up the difference, his arrears have continued to increase.

A discussion was had with Mr Can Say giving him the option of us proceeding down the legal route of eviction, which would take approximately 12 to 18 months, during which time his rent arrears would continue to increase, or the alternative would be for Mr Can Say to find alternative accommodation so that his rent arrears do not become any worse.

Mr Can Say's current arrears between April to September 2026 are standing at $6 \times £493.84 = £2963.04$.

If legal proceedings were to follow (taking 18 months) this would increase the arrears by $18 \times £493.84 = £8889.12$

This would result in total arrears of $£2963.04 + £8889.12 = £11852.16$

Any arrears will be applied to be collected via the courts and will be deducted from any benefits that Mr Can Say may receive.

As Mr Can Say's legal representative, please advise on which route you would like to proceed.

Kind regards Faisal Naqvi Apex Aura Partners Ltd

Thank you for the rapid response.

The Tenant and I would like to achieve a more satisfactory conclusion much earlier than 1 year to 18 months.

Top Level Corruption Exposure got Pending Remedies Witness Protection from the Parliament Sessions Court. Most people have not heard of it. It is part of the Coronation Oath Enforcement Authority. They manage the Profession Authority responsibilities of Parliament.

The Best Advice for Landlord and Tenant is a Judicial Review Claim by the Tenant against the State to Remedy use of the change from State Benefits to State Pension for Housing Benefit Reduction and get Arrears Recovery.

Please provide Quite Notice that complies with Statute. We need it as Evidence. We want to avoid a judge using a Quit Notice Defect for a Claim Dismissal.

Dear Mr Ellis, Please confirm whether you mean a Quite Notice or a Quit Notice.

Current legislation does not allow me to issue a Quit Notice and Mr Can Say's rights have not been violated as any meeting was arranged via prior written notice.

I see only two options, either the tenant does can leave voluntarily or I can follow the legal route due to the level of arrears that have already been accrued. Kind regards Mr Naqvi

I will complete a section 8 tomorrow and issue that to Mr Can Say and send you a copy. Please be aware that going down this path will take time, which means that Mr Can Say's arrears will be very substantial if it takes 12 to 18 months until eviction. Kind regards Faisal

Dear Mr Ellis,

In the process of completing the Section 8, I realised that I will not be allowed to do so until next month.

Rent = £1000pcm

Rent received = £506.16pcm

Arrears = £493.84pcm

Total arrears = 6 x £493.84 = £2963.04.

I am not permitted to issue a section 8 until Can Say is 3 months in arrears (£3000), so I will have to issue this next month. Kind regards Faisal Naqvi

The Consequential Damage Indemnity Claims have had an impact.

In September 2025, the Epstein Scandal, Mandelson Scandal and Starmer Scandal motivated Top Financiers, who were Blackmail Evidence Customers, to take control of the UK Network They used Starmer and Mandelson as Network Puppets. They manged the Leadership Contest Denial Fraud and the Premiership Appointment Fraud on Protection Fraud Conditions. They thought they were safe.

The Budget Fraud Cases and Indemnity Claims got a Confidence Collapse in the ability of Mr Bumham to provide Protection Frauds. The Panic Reaction was the 2nd Treason Deal. It got Big Bribes for Mr Trump, Peace Plan Sabotage Frauds for the Top Financiers and Repeat Defence Sabotage Frauds for Russia against Ukraine, Western Europe and NATO.

The Peace Plan needs Mandelson Corruption Proof and the Indemnity Claims to extort Impeachment Commitments from USA Senate Candidates in the 2026 Election Campaign Period. It has priority.

Meanwhile, I hope there will be progress with the Housing Case.

Please provide the Service Evidence against the Council
