

Proposal: A Credible Balanced Budget + Financial Stability from Any Political Party in exchange for Election Support from Disillusioned Members of Other Parties.

1. The Financial Collapse Risk can persuade Rational People to unite for a Credible Balanced Budget.
2. The Democratic States had Stable Prosperity. It enabled Political Parties to have Core Memberships with what are best described as Group Souls. The Party Constitutions did not provide Soul Defences. Core Memberships lost control to Endemic Corruption Managers. It got Financial Instability.
3. The challenge is Stability Recovery. It needs a Uniting Policy. It needs a Balanced Budget + Debt Reduction + Stable Prosperity that enable Political Parties to service Justice Management and Environmental Protection.
4. The Established Parties are in Group Soul Recovery, and the Reform Party is trying Group Soul Development.
5. Group Soul Failures resulted in Coalition Refusals what should be Natural Allies:
  - 5.1. The Conservative Party and Reform Party that compete for the Conservative Values Vote and
  - 5.2. The Labour Party and Green Party that compete for the Equality Management Vote
6. The Coalition Refusals have created Dissatisfied Minorities that together can manage change. It needs Support Offers from Dissatisfied Activists for whoever will use Consequential Damage Indemnity Claims by the State against Fraud Managers and Fraud Beneficiaries to get a Balanced Budget + Debt Reduction + Stable Prosperity.
7. The Conservative Party, Labour Party and Liberal Democrat Party have had Governing Majorities long enough to be contaminated by the Balancing Failures. They got a Governing Majority on May 2023 of Mid Suffolk District Council, and in May 2026 of Waltham Forest Borough Council + Lewisham Borough Council + Lambeth Borough Council. They inherited Financial Failure Legacies and have not had long enough for Remedy Management. Dissatisfied Labour Activists joined the Green Party and got enough control for the Trans Policy and Israeli Policy. Dissatisfied Labour Activists agree it did Credibility Damage that got the Coalition Refusal by the Labour Party.
8. On 19<sup>th</sup> October 2026, the BBC Panorama Program and the Honourable Labour MP Ms Jess Phillips got Mass Publicity for the Housing Benefit + Welfare Support Scandal.
9. The Credibility Recovery Plan that makes the best of the Dissatisfied Activists in All Parties. It needs

  - 9.2. Financial Stability Coalition Offers to All Other Parties on Indemnity Claim Conditions
