

Proposal: A Credible Balanced Budget + Financial Stability from the Reform Party in exchange for Election Support from Disillusioned Members of Other Parties.

1. The Financial Collapse Risk can persuade Rational People to unite for a Credible Balanced Budget.
2. The Labour Party and Green Party had Group Souls and what are best described as a Soul Membership. The Party Constitutions did not provide Soul Defences. It enabled Disaffected Labour Supporters to get control of the Green Party for Incredible Policy Decisions: Trans Policy + Israeli Policy. The Public Reaction caused some of the Disaffected Labour Members to realise they had done Electoral Damage to the Soul Membership of both the Labour Party and Green Party. It forced a Strategic Review by thousands of the Soul Membership of the Labour Party and Green Party. North Sea Oil + Gas Licences gave impetus to the Strategic Review.
3. The Root Problem is that Financial Instability got by Budget Control Failures.
4. The Root Remedy is a Credible Balanced Budget that gets Financial Stability and Reserved Judgment when we can afford to argue what to do with it.
5. The Democratic State Establishments have a Failed Economic Consensus, defined by Long Practice, and a Peace Plan Consensus, defined by World War III Peace Agreements. There is a Consensus Conflict. The Economic Consensus is that Economic Growth is the Only Method to get Additional Revenue for a Balanced Budget. The Peace Plan Consensus acknowledges the Root Problem and Root Remedy.
 - 5.1. The Root Problem is that the World War II Peace Settlement had Fundamental Flaws. The Human Rights Declaration omitted Case Priority Rights for the Victim and Citizen and Top Corruption Controllers that are Credibly Independence of the State, Law Courts, Cabinet and Parliament. The Declaration Signatories gave and got Mutual Approval of the Fundamental Flaws and used them to develop Dictator Powers. The Politicians lost control to Crime Partnerships of State Officers and Law Court Judges. They developed Protection Fraud Networks to provide Support Services and manage Co-ordinated Corruption. The Fundamental Flaws denied Effective Controls. The Protection Fraud Networks manage Endemic Corruption. It needs the Failed Economic Consensus that has done Massive Instability Damage.
 - 5.2. The Root Remedy is for Sovereign States to destroy the Protection Fraud Networks that manage Endemic Corruption, recovery control of State Budgets, resource World War III Defences and resource a Just World Order. The Management Agreement got Corruption Remedy Test Case Status for the UK, Test Manager Status for the Coronation Oath Enforcement Authority, Interested Party Status for the Peace Plan States and the Roman British Gnostic Christian Definition of the Pure Common Law for the Just World Order. It recognises the Failed Economic Consensus is a Management Tool for Endemic Corruption, and the Peace Plan needs a New Economic Consensus: Consequential Damage Indemnity Claims by the State against Fraud Managers and Fraud Beneficiaries to get an Additional Revenue Stream for Budget Balancing + Debt Reduction.
6. Plan Commitment Deliveries by Japan and the USA used Remedy Enforcement against Fraud Profiteers to finance the Remedy Budgets for the Post Office Scandal and Contaminated Blood Scandal. Corruption Exposure enabled forced Power Transfers from Protection Fraud Network Agents that used the Conservative Party to Network Agents that used the Labour Party. The Peace Plan forced a Desperate Self Defence Plan. It got the 1st Treason Deal Scandal [Big Bribes for USA President Mr Trump, Epstein File Concealment Frauds for the UK Cabinet, Defence Sabotage Frauds for the Russia against Ukraine, Western Europe and NATO and Money Laundering for Trump Family Members because State Officers and Trump Employees were an Exposure Risk]. Peace Plan Successes got the Treason Deal Failures + Epstein Scandal + Mandelson Scandal + Starmer Scandal. They motivated World Top Financiers, who were the Sex Evidence Blackmail Customers, to take control of the UK Network, use Mandelson and Starmer as Network Puppets. They managed the Leadership Contest Denial Fraud and Premiership Appointment Fraud for Mr Burnham on Protection Fraud Conditions. The Top Financiers thought they were safe. They did not know the process to get Set Up Conditions for the Consequential Damage Indemnity Claim Tests. The Simple Tests use One Authority that has the Damage Proof. Complex Tests use Multiple Authorities that have Damage Proof. Simple Tests use the Housing Benefit + Council Tax Poverty Relief Evidence of Local Authorities. Complex Tests use the Budget Damage done by Original Crimes + Protection Frauds to Multiple Authorities. All Tests use Fraud Proof. The UK Premiership Appointment Fraud had Protection Fraud Conditions that are Fraud Proof against Mr Burnham and the Top Financiers. They required Closure Frauds of the Nkrumah Cases that linked Drug Wholesaler Mr Benjamin Koomson to Top Network Managers Mr Mandelson + Sir Keir Starmer. It got Trial Denial Frauds of the Court Frauds procured by Prime Minister Sir Keir Starmer, and Trial Pretence Frauds for the Court Frauds procured by the Land Theft Conspirators against the State.
7. The Lead Case got Indemnity Claim Concealment Fraud Proof against the Chelmsford City Officers and the Liberal Democrat Majority. The Lead Complex Case is testing Essex County Officers and the Reform Majority.
