Facts: The Complaint Details provide the Complaint Facts

Circumstances

1. A Corruption Remedy Process has reached the Consequential Damage Indemnity stage when Local Authorities and National Authorities that are Budget Providers have the information to identify Known Frauds that did Budget Damage and ask the Budget Managers to detail the Known Fraud Costs and identify the Fraud Managers and Fraud Profiteers for Indemnity Claims against them. Incident HC 30102026 0221 is one of a series of Connected Frauds by Hertfordshire Police. Incident HC 30102026 0221 is the first one in which Indemnity Enquiry Powers became a Pay Negotiation Tool for Victim Officers against the State.
2. Endemic Corruption consists of Plunder Frauds against the Citizen and State and Protection Frauds for the Corrupt Officers and Fraud Profiteers. The Corruption Damage is Life Ruin + Bankruptcy Frauds against Victim Citizens and Bankruptcy Conditions for Victim States. The NATO World War III Defences relied on Legacy Arsenals big enough for Conventional War.
3. Between 1959 and 1962, Citizens made a RAPID Recovery Plan for Budget Balancing + Debt Reduction Internet Service for on by the NATO States, and then Peace Management by resourcing a Just World Order. Queen Elizabeth shared the Plan Development and agreed it. It had Trigger Conditions. One was that the Citizen Develop the technology for Advanced Electronic Signatures. It is Writing Behaviour Analysis for Computer User Identification and a Document Management Internet Service for Signature Attachment + Signed Document Verification. Then, Sophisticated Services that enabled the Prosperous Classes to manage Tax Haven Estates and use Tax Starvation to force conversion from Dictator Governance to Equity Governance. The other was to wait until a serving Prime Minister was dependent on the Protection Fraud Network and used Criminal Conspiracy Proof to revive active service of the Parliament Sessions Court and start a Corruption Remedy Process. Research Investigations discover the structure and strength of the Protection Fraud Network that manage Endemic Corruption and then Remedy Delivery. The Standard Procedure is Dismissal Execution against the Judiciary by a United Parliament, Victim Identification, Case Remedies and an International Agreement for a Just World Order. A Parliament Unity Failure gets a Special Procedure. The Coronation Oath Enforcement Authority gets Endemic Corruption Proof against the Judiciary. The Crown uses it to negotiate the International Agreement, and uses that get International Support that force the Standard Procedure.
4. The Citizens and Queen Elizabeth called it the World War III Peace Plan for Democratic States. It needed Sovereign States to destroy the Protection Fraud Networks that manage Endemic Corruption, recover control of State Budgets, Resource World War III Defences, and resource a Just World Order. The Management Agreement got Test Case Status for the UK, Test Manager for the Coronation Oath Enforcement Authority, Interested Party Status for the Peace Plan Signatories, Test Case Adjudicator Status for the Parliament Session Court and the Common law for a Just World Order. The Remedy Agreement requires Remedy Enforcement against Fraud Profiteers and Penal Enforcement against Corrupt Leaders. The Delivery Agreement got Delivery Commitments

some of which were conditional. The Publicity Agreement got Whole Plan Secrecy and Mass Publicity for Plan Stage Successes without disclosure that is what they are until there was enough for Whole Plan Publicity.

5. The Peace Plan needed Negotiation Services from the UK Parliament for the UK Crown, or an Endemic Corruption Proof Set against the Judiciary that enabled Negotiation Services from an Honourable Independent for the Crown. The Plan Negotiation needed Personal Contact who controls your state?', time for a response which was likely to be a Power Boast, and then the disclosure the UK Judiciary use Court Powers as a Private Business Asset and do Budget Fraud Damage to the State on an Industrial Scale and makes it impossible to manage Just Governance. It would get Same Problem Admissions from all of them, and Agreement Signatures from all except those with Fraud Beneficiary Status. Princess Charles and Princess Ann spent decades helping Queen Elizabeth do everything needed to maintain the Crown in a state of readiness to service the Rapid Recovery Plan.
6. In 1998, Equity Lawyer Mr Ellis and a Partner developed the Computer User Identification Technology. The EU States made a Technology Theft Plan, and when that failed used Market Access Denial Frauds to prevent it servicing the Rapid Recovery Plan. The Equity Lawyer had 50% Copyright + 100% Marketing Rights + Creditor Control. The EU Leaders made a 2nd Effort at the Theft Plan. It needed Bankruptcy Frauds against the Equity Lawyer and use of the to complete the Technology Theft. Everything that could go wrong did go wrong. In 2004, it got the Criminal Conspiracy Proof against a serving Prime Minister. It enabled the Corruption Remedy Process.
7. China Russia and North Korea made a World War III Plan for Dictator States. It needed Armaments Supply Share Ownership to know enough about Armament Stocks, Cyber Attack Technology for Arsenal Replenishment Sabotage, an Arsenal Exhausting War, Cyber Attack Sabotage to deny Replenishment Stocks, Dictated Peace Terms and Vassal Status for the NATO States. China made a Top Dictator Plan. It exploited the Key Fundamental Flaw in the Economic Policies of the NATO States. It was a Bias Fraud for the Consumer against the Citizen. It enabled China to use Uncompetitive Pricing to manage a Skills Transfer and Production Revenue Transfer for China against the Democratic States and then progression from Less Uncompetitive Pricing to Competitive Pricing. It enabled Profit Allocations to Mining Rights Acquisitions and Robot Technology Development.
8. In 2014, the Crimea Annexation by Russia was a War Provocation Test of the NATO States. It got Economic Sanctions followed by Sanction Busting Bribe Touts from many Establishment Politicians who managed Endemic Corruption in NATO States. It motivated Treason Deals that got Defence Sabotage Frauds by Protection fraud Networks against their Sovereign States. The Dictator States made the Treason Deals but did not trust them. Investigation is needed to discover how many there were and distinguish between Valid Sanction Enforcement and Perverse Sanction Enforcement that serviced Defence Sabotage Frauds.
9. In 2019, the Dictator States procured a Middle East War Provocation that used an Oil Tanker Seizure by the UK and a Near Miss Missile Strike Response from Iran against a USA Fighter with intent to get a Missile Response from the USA. It was a Near Miss Provocation because they wanted the 1st Missile Impact from the USA. It got a War Engagement Refusal by USA President Mr Trump. Soon afterwards, he issued an Emergency Evacuation Order to US Troops from Syria to Iraq, without any Entry Permit from Iraq, and exposed Allied Support Troops, The Reason was to avoid US Casualties from Terrorist Missiles financed by Drug Crime Profits with Protection Frauds from the UK State and Money Laundering by Turkish Banks.
10. In 2023, King Charles used the Special Procedure to get the World War III Peace Plan for Democratic States. International Support financed the Remedy Budgets for the Post Office Scandal and Contaminated Blood Scandal. Corruption Exposure increased the MP Retirement Rate, an Incredible Choice for the 2024 Parliament Session Grant and a Split Conservative Values Majority Vote that enabled a Minority Vote to get a Landslide Majority led by Sir Keir Starmer. It was a Power Transfer from Protection Fraud Network Agents that used the Conservative Party to Network Agents that used the Labour Party. The 2024 Parliament Session Grant had Remedy Delivery Commitments that forced the Cabinet to choose service of the Peace Plan with Remedy Delivery or commit Peace Plan Sabotage Frauds to get Endemic Corruption Profits. They chose the Endemic Corruption Profits. The Peace Plan States extorted the 3.5% Defence Budget Commitment from the UK Cabinet. Commitment Delivery needed Total Termination of Budget Frauds and Fraud Damage Indemnity Claims by the State against Fraud Managers and Fraud Beneficiaries. In January 2025 they supported the UK Opposition Leaders in use of the Child Prostitution Scandal to extort Parliament Session Remedy Delivery Commitments from the UK Cabinet. Each of the Commitment Deliveries would get Total Destruction of the Protection Fraud Network. They were Commitment Frauds. Their Absolute Priority was Remedy Denial Frauds. It needed Epstein File Concealment Frauds. They made Lord Peter Mandelson the Concealment Manager and gave him the office of UK Ambassador to the USA. He negotiated the 1st Treason Deal: Big Bribes for Renegade USA President Mr Trump, Epstein File Concealment Frauds for the UK Cabinet and Defence Sabotage Frauds for Russia against Ukraine, Western Europe and NATO and Money Laundering for Trump Family Members. Peace Plan Successes got Treason Deal Failures + Epstein Scandal + Mandelson Scandal + Starmer Scandal. In September 2026, it motivated the Top Financiers, who were the Sex Evidence Customers of the Blackmail Business Managed by Lord Mandleson, to take control of the UK Network, manage the Leadership Contest Denial Fraud and Premiership Appointment Fraud for Mr Burnham on Protection Fraud Conditions. The Damage Indemnity Enquiries got Confidence Collapses by them and the 2nd Treason Deal + Repeat Defence Sabotage Frauds in October 2026.
