Before Justice in the Emergency Applications Court

Upon reading the Claim Papers

1. Interested Party Status Order for the Citizen and UK Cabinet against the Commonwealth Conference and the World War III Peace Plan Signatories
2. Interim Remedy Priority Order for the Just World Order Objective of the 2023 World War III Peace Plan for the Democratic States against British Empire Legacy Disputes
3. Interim Slavery Dispute Settlement Restraint Order for the Citizen against the UK Cabinet and the Commonwealth Conference.
4. Remedy Directions Hearing at noon on November 2026 in Royal Court 3, The Strand, London

STATED REASONS:

1. All Empires are Power Imbalances for a few against the many. The British Empire is no exception. The Slavery Scandal in the Colonies ranks with the Employment Poison Scandals in UK mines and factories. The Prescribed Drug Poison Scandals are even worse because the Genetic Impact will survive for generations.
2. The World War II Peace Settlement had Fundamental Flaws. The Human Rights Declaration omitted Case Priority Rights for the Citizen and Top Corruption Controllers that are Credibly Independent of the State, Law Courts Cabinet and Parliament. The Declaration Signatories gave and got Mutual Approval of the Fundamental Flaws and used them to develop Dictator Powers. The Honourable Politicians lost control to Crime Partnerships of State Officers and Law Court Judges. They developed Protection Fraud Networks to provide Support Services and manage Co-ordinated Corruption. They sold Market Frauds to Organised Crime, provided Protection Frauds for the Corrupt Officers who managed them and traded Glittering Career Guarantees and Job Profits for Fraud Services by Corrupt Parliamentarians. General Elections got Governing Majorities that were subject to Remedy Denial Majorities controlled by the Protection Fraud Networks. They managed Plunder Frauds on an Industrial Scale against the Citizen and the State. It got Crippling Debt and Bankruptcy Conditions for many Sovereign States.
3. In 1956, the humiliation of the Suez Scandal motivated France and the UK to make a Dictator Governance Plan for Western Europe. It motivated UK Citizens to make the Equity Governance Recovery Plan. It needed the World War III Peace Plan for Democratic States. The Plan Objective is to achieve a Just World Order. It needs Advanced Electronic Signature Technology to manage an Identity Proof Power Transfer for the Citizen against the State. Between 1957 and 1962 Queen Elizabeth contributed to development of the Equity Governance Recovery Plan. She, Prince Charles and Princess Ann spent decades keeping the Crown in a state of readiness to service it in case the Trigger Conditions were met. The Recovery Plan had two strategies. One needed the Citizen to develop Advanced Electronic Signature Technology and provide Sophisticated Services that enabled the Rich Citizens to manage Tax Haven Estates from their homes and use Taxation Starvation to force conversion from Dictator Governance to Equity Governance. The other needed the Citizen to wait until Protection Fraud Network had Cabinet Control, get Criminal Conspiracy Proof against a serving Prime Minister, give it to the Crown to revive active service of the Parliament Sessions Court, start a Corruption Remedy Process and use the World War III Peace Plan to get a Just World Order.
4. Advanced Electronic Signatures have two components. One is Writing Behaviour Analysis for Computer User Identification. The other is a Document Management Internet Service for Signature Attachment + Signed Document Verification. In 1998, Equity Lawyer Mr Ellis and a Technology Partner completed development of the Computer User Identification Component. The Equity Lawyer had 50% Copyright + 100% Marketing Rights + Creditor Control. The Business Plan was to use Advanced Electronic Signatures and the UK Post Office to provide Trust Management Services, transfer business from Tax Haven Estates to the UK and Commonwealth States and transfer business from Big City Centres to the High Street and Village. He thought Big Profits would create the need for National Debt Reduction as an Inflation Control.
5. Technology Success Reports from the Secret Service motivated EU Leaders to make a Personal Profit Plan. It needed Source Code Theft, Forced Usage in the EU, Usage Licence Fees for the Theft Conspirators and Sabotage Frauds against the Post Office to stop use of it by a competitor. The Theft failed but the Sabotage Frauds against the Post Office continued. The EU Leaders made a Market Exclusion Plan. The UK produced the Advanced Electronic Signature Statutory Instrument 2002 which all other EU States copied. It vested Licence Powers in the State. None of them had Licence Forms or Licence Staff. They procured Internet Tags on an Industrial Scale in every language to ensure Internet Searches returned everything except the Statutory Instrument. The Theft Plan got Theft Conspiracy Proof. The 1999 Geneva Inventions Exhibition was Originality Proof. The Equity Lawyer kept it for USA Jurors. It got USA Market Exclusion against Executable Code Pirate Products of Theft Conspirators.
6. In 2023, the Coronation Oath Enforcement Authority got Endemic Corruption Proof. King Charles used it to

negotiate the World War III Peace Agreement for Democratic States. The Peace Agreement requires Sovereign States to destroy the Protection Fraud Networks that manage Endemic Corruption, recover control of State Budgets, resource World War III Defences and resource a Just World Order. The Management Agreement got Corruption Remedy Test Case Status for the UK, Test Manager Status for the Coronation Oath Enforcement Authority, Interested Party Status for the Peace Plan States and the Common Law for the Just World Order. The Remedy Agreement got Remedy Enforcement against Fraud Profiteers and Penal Enforcement against Corrupt Leaders. The Delivery Agreement got Delivery Commitments some of which were conditional. The Publicity Agreement got Whole Plan Secrecy and Mass Publicity for Plan Stage Successes without disclosure that is what they are until there is enough for Whole Plan Publicity.

7. Remedy Enforcement by Japan and the USA against Fraud Profiteers financed the Remedy Budgets for the Post Office Scandal and Contaminated Blood Scandal. Corruption Exposure increased the MP Retirement Rate, got an Incredible Choice for the 2024 General Election and a Split Conservative Values Majority Vote that enabled a Minority Vote to get a Landslide Governing Majority led by Sir Keir Starmer. It was a Power Transfer from Protection Fraud Network Agents that controlled the Conservative Party to Network Agents that controlled the Labour Party. The 2024 Parliament Session Grant contained Corruption Remedy Conditions. They required Remedy Delivery: 20,000 Imprisonment Fraud Releases + Dismissal Executions against the Judiciary + Victim Identification + Case Remedies. The 3,500 Guilty Prisoner Releases for the Overcrowding Reason was a Session Grant Condition Breach. It got a Remedy Denial Fraud Finding against the Cabinet and the Default Dismissal Penalty against Prime Minister Sir Keir Starmer. Dismissal Execution needed International Support.
8. The Peace Plan States extorted a 3.5% Defence Budget Commitment from the UK Cabinet. Commitment Delivery needed Total Termination of All Budget Frauds. The most efficient way to manage it was Fraud Damage Indemnity Claims by the State against Fraud Managers and Fraud Profiteers. It would have achieved Total Destruction of the Protection Fraud Network. In January 2025, the Peace Plan States supported the UK Opposition Leaders in use of the Child Prostitution Scandal to extort Remedy Delivery Commitments from the UK Cabinet. They were Dismissal Execution against the Judiciary on Monday 14th July 2025, and then a Trial Listing on Thursday 17th July 2024 of the Framing Fraud 2023 0058 against Citizen Mr Nkrumah to set a Victim Identification + Case Remedies Precedent. It was a Commitment Fraud by the UK Cabinet. Their Absolute Priority was Remedy Sabotage Frauds. They needed Epstein File Concealment Frauds. They made Lord Mandelson the Concealment Manager and gave him the office of UK Ambassador to the USA. He negotiated the 1st Treason Deal: Big Bribes for USA President Mr Trump, Epstein File Concealment Frauds for the UK Cabinet, Defence Sabotage Frauds for Russia against Ukraine, Western Europe and NATO and Money Laundering for Trump Family Members because State Officers and Trump Employees were an Exposure Risk.
9. Peace Plan Successes got Treason Deal Failures. The 1st Treason Deal Scandal + Remedy Delivery Failure Scandal + Epstein Scandal + Mandelson Scandal + Starmer Scandal got a Power Loss in September 2025 by the UK Cabinet. The Top Financiers, who were Sex Evidence Customers of the Blackmail Business managed by Lord Mandelson, got control. They used Starmer and Mandelson as Network Puppets to manage the Leadership Contest Denial Fraud and the Premiership Appointment Fraud for Mr Burnham on Protection Fraud Conditions. They thought they were safe until soon after Mr Burnham got office in July 2026.
10. Meanwhile, USA President Mr Trump made a Treason Impeachment Defence Plan. It needed Iran War Frauds + Massive Bombardment + Total Surrender + Dictated Peace Terms + War Hero Status + Treason Immunity. It failed. It got War Monger Status. He made a Peace Hero Plan. It failed. He made an Economic Hero Plan. It needed the Betrayal Deal: Taiwan Sacrifice by the USA for Big Deals with China. The Peace Plan States needed to stop it. The Surprise State Visit, the Just World Order Speech by King Charles and the Standing Ovation by the USA Senate deterred China from making the Betrayal Deal.
5. In July 2026, the office of UK Prime Minister passed to Mr Burnham. The Peace Plan Test Cases were managed to service Fraud Damage Indemnity Claims by the State against Fraud Managers and Fraud Beneficiaries. Late in the afternoon on 16th September 2026, the filing in Case 22CA1074323 of Budget Fraud Enquiry Papers got Receipt Stamp Proof from Chelmsford Crown Court. The next it got a Confidence Collapse by Top Judges and then Top Police. The Damage Indemnity Test Cases by Citizens got Evidence Concealment Fraud Proof against State Officers and Crippling Indecision by Politician that created a Power Vacuum. Anyone can fill it.
6. Remedy Management needs a Balance Sheet entry of the Damage Indemnity Claim Asset with a Zero Value, Test Cases Recoveries that get Value Proof, Value Increases on the Balance Sheet. Use of the Debt Reduction to justice for the young and unborn against the old and use of Debt Cost Saving for Remedy Financing and Budget Rebalancing.
