Grateful Thanks for the Brief Publicity about the Conversation of King Charles v Sir Elton John. The Equity Governance Plan was made between 1959 and 1962. It had Protocol Signals for as much of the Remedy Process that could be predicted then. The Original Protocol Signals were exhausted by 2014. The circumstances of the Celebrity Sex Scandals raised Reasonable Suspicions the Conversation Publicity was an Improvised Protocol Signal that there is No Celebrity Scandal concerning Sir Elton John. He, Prince Harry, Baroness Lawrence and others were Press Harassment Claimants who got £50,000,000 Cost Fraud Conspiracy Proof against the Media + Regulated Lawyers + Law Profession Authorities + Law Courts. The Premiership Appointment Fraud for Mr Burnham was on Protection Fraud Conditions for the Top Financiers who were Sex Evidence Customers of the Blackmail Business managed by Lord Mandelson. Some of them are Media Owners. On the evidence available the Protection Frauds for the Media Owners included the £50,000,000 Costs Fraud against the Press Case Claimants. The Press Harassment + Contempt Investigation + Pending Investigation Case Stay Protection Application + Grounds dated 24th August 2026 for Claimants v Defendants was an Improvised Protocol Signal from the Equity Lawyer.

The Personal Service Polite Request from the Equity Lawyer got a Personal Service Failure by Citizen Mr Nkrumah for Very Good Reasons. The Protection Fraud Network use Employment Denial Frauds against Corruption Victims and then Awkward Employment Frauds that are Case Management Sabotage Frauds. They make Short Notice Service Calls for Night Shift Work and then Night Shift + Next Day Shift + Remote Location Work with Expensive Travel Costs + Temporary Employee Penal Tax Deductions + Incomplete Payment Frauds + Service Complaints that they are late or tired. Citizen Mr Nkrumah persevered to get as much as he could of the Employment Fraud Proof. There is Zero Criticism of Citizen Mr Nkrumah that the Personal Service Failure was one of the Case Management Casualties.

Polite Request + Best Advice for a Salvage + Recruiting by Citizens of Honourable Robust Personalities to serve as Politicians. Reasons: The Dictator Governance Plan for Western Europe used a Fraud Damage Indemnity Claim Policy Agreement Frauds by Governing Majority and Opposition Minority. In all Member States of the European Union, it denied the People a Loyal Opposition that could be relied on to manage Fraud Damage Indemnity Claims against Former Governing Majorities. Honourable Robust Politicians were powerless to do anything until the money ran out or the Corruption Remedy Process reached the Fraud Damage Indemnity Test Claims. The money has run out, and the Remedy Process has reached the Test Claims. The People need Honourable Robust Personalities to get and keep office, and Corrupt Feeble Personalities to get out and stay out. Salvage and Recruiting might avoid Councillor Seat Vacancies. Frankly, democracy can survive many Independent Novice Councillors and even a few Councillor Seat Vacancies. Democracy Survival needs the Fraud Damage Indemnity Claims + Debt Reduction + Budget Rebalancing + World War III Defences + a Just World Order.
